

Memorandum of Collaboration (MoC) between IGNOU and INMAS DRDO

An MoC has been signed between IGNOU and INMAS DRDO on 22nd May 2018, for developing specialized technical distance learning Programmes for Armed Forces, Paramilitary Forces and civilians and also to deliver the same. A PG Certificate in Medical Management of CBRNE disasters has been developed under this MoC to augment the existing knowledge and skills of medical graduates from the CBRNE perspective and prepare them to handle any CBRNE emergency and associated health effects. The eligibility for this programme is MBBS degree from a MCI recognized college. The programme is open only to Indian citizens. The minimum duration of this programme is 6 months and maximum duration is 2 years.
