He informed that the school prepares a panel of experts for utilization in the Doctoral Committee of Agriculture Extension as per the research specialization. The panel has been developed following the prescribed norms. The proposed panel of experts is enclosed at Annexure 6.

SB.25.10.2: **The Board approved the list of external members for the Doctoral Committee of Ph.D in Agriculture Extension (PHDAGE)**

Agenda No. SB.25.11: **To consider and approve the Phase-1 form of M.Sc. in Environmental Science.**

SB.25.11.1: The Director informed the board that the concept note of M.Sc. in Environmental Science was already approved by the 24th School Board and now the Coordinator has presented the Phase 1 of the same for consideration of the board. He then asked the Coordinator Dr. Sachi Shah to present the agenda. Dr. Sachi Shah presented the rationale, objectives and target group of the programme. She highlighted the job profile, academic relevance and other avenues which the programme offers. The Phase 1 is enclosed at Annexure 7.

SB.25.11.2: The board members suggested that the programme should be distinct and unique from the existing programmes and must address the skill gap in the already available programmes. It should include the cutting edge technologies. It should also be an application oriented programme. The programme may include the green technologies which would be applicable to a wide range of population. Since the programme is an ODL programme, hence, there would be greater challenge in conducting and monitoring the practical /project components of it. The board also opined that the programme may clearly define the job profile and include the NGO experts in the list of experts proposed. This is a multidisciplinary programme hence require special strategy for coordination. The board also suggested corrections in Phase 1 *w.r.t* expected time of launch, expenditure, gender issues, age of enrollment etc. which should be as per the university norms.

SB.25.11.3: **The Board approved the Phase-1 form of M.Sc. in Environmental Science.**

Agenda No. SB.25.12: **To consider and approve the concept note for the PG Diploma in Occupational and Environmental Health programme.**

SB.25.12.1: The Director initiated the discussion on the agenda by informing the Board about the proposed PG Diploma in Occupational and Environmental Health programme which would be developed in collaboration with the School of Health Sciences, IGNOU. He then asked the programme proposer, Dr. Boyina Rupini, to present the concept note in detail. She made an elaborate presentation about the need of the programme, its target group, job opportunities etc. and substatiated the need of such programme whose focal point would be Occupational and Environmental Health. The concept note is enclosed at Annexure 8.

SB.25.12.2: The members desired that since environmental studies discipline is proposing the program, thus the environmental aspects should be stressed more and the title of the programme may be changed accordingly. The title should be clear and indicative of a type of occupation. It was also suggested to identify skill gap in the sector, make it more industry oriented, should focus on safety of farm women, and farm operations. The

programme should be gender neutral and cover all the social groups. The members desired that the present concept note may be revised as per discussion through circulation among the members.

SB.25.12.3: **The Board approved the concept note of PG Diploma in Occupational and Environmental Health programme.**

Agenda No. SB.25.13: **To consider and approve the Phase-1 form of Post Graduate Certificate in Climate Change and Sustainable Development**

SB.25.13.1: The Director presented the agenda for discussion. He informed that the same programme is already being developed online under erstwhile Chair for Sustainable Development (CSD), now liquidated in the school. He then asked Dr. V.Venkat Ramanan, the programme coordinator to present the Phase-1 Form. The programme coordinator informed the Board that only mode of delivery is being changed from online to ODL and there could be few changes while editing the courseware. He also detailed about the salient features of the program, its target group, academic relevance, need assessment, etc. The Phase 1 form is enclosed at Annexure 9.

SB.25.13.2: The Board members informed that this programme may be in demand for the extension workers. The members suggested that the programme should be distinct than the existing and should be gender neutral and cover wider social groups. The programme eligibility should be widened to non science graduates also.

SB.25.13.3: **The Board approved the Phase-1 Form of Post Graduate Certificate in Climate Change and Sustainable Development.**

Agenda No. SB.25.14: **To consider and approve the Concept note of Master's in Food Safety and Quality Management.**

SB.25.14.1: The Director initiated discussion on the agenda and asked Prof. M.K. Salooja, the programme proposer to present the concept note of Masters in Food Safety in detail. He informed that the school has already been offering a Post Graduate Diploma in Food Safety and Quality Management (PGDFSQM) with the financial support of APEDA, GOI. The education in the area of Food safety is gaining attention due to enactment of FSSAI Act. He further deliberated about the need of programme, its objectives, clientele group, eligibility criteria, job opportunities and mode of delivery. He highlighted the proposed strategy for its development and further proposed that vertical mobility may be given to the PGDFSQM pass out students. The concept note is enclosed at Annexure 10.

SB.25.14.2: The Board felt that there is need of such programme but the proposed programme should be distinct, innovative and must focus on the building

necessary skills required in the sector. The already available programmes/courses may be examined before taking up the development of this programme. There will be challenge in offering this course due to limited lab facilities as observed by few members. Members also suggested to keep credit load uniform in different semesters as per the university norms.

SB.25.14.3: **The Board approved the Concept note of Master's in Food Safety and Quality Management.**

Agenda No. SB.25.15: **To consider and approve the panel of Evaluators for MVPP-001 of PG Diploma in Food Safety and Quality Management (PGDFSQM).**
