1. ABOUT THE UNIVERSITY

1.1 Introduction

Indira Gandhi National Open University came into being on September 20, 1985, by an Act of Parliament (1985) to achieve the following objectives:

- democratizing higher education by taking education to the doorsteps of the learners;
- providing access to high quality education to all those who seek it irrespective of age, region or formal qualifications;
- offering need-based academic programmes by giving professional and vocational orientation to the courses;
- as an apex body, setting and maintaining standards in distance education in the country.
- promoting and developing distance education in India.

1.2 Special Features

- Relaxed entry regulations
- Study according to your own pace and convenience
- Flexibility in choosing the combination of courses from a wide range of disciplines
- Study from your own chosen place
- You may also pursue your study in any other university while being a learner of IGNOU.

1.3 Important Achievements

- Emergence of IGNOU as the largest Open University in the Commonwealth.
- Establishment of Distance Education Council (DEC) for the co-ordination and determination of standards of distance education systems in the country (1992).
- Recognition of a centre of excellence in distance education by the Commonwealth of Learning (1993).

1.4 Schools of Studies

In order to develop inter-disciplinary studies, the university operates through Schools of Studies rather than department. Each school is headed by a Director who arranges to plan, supervise, develop and organise its academic programmes and courses in coordination with the school faculty and the different academic, administrative and service wings of the university. The Schools of Studies in operation currently are:

- School of Computer & Information Sciences

- School of Continuing Education
- School of Education
- School of Engineering & Technology
- School of Health Sciences
- School of Humanities
- School of Management Studies
- School of Sciences
- School of Social Sciences
- School of Law
- School of Agriculture
- School of Journalism and New Media Studies
- School of Gender and Development Studies
- School of Tourism Hospitality Service Sectoral Management
- School of Interdisciplinary and Trans-disciplinary Studies
- School of Social Work
- School of Vocational Education and Training
- School of Extension and Development Studies
- School of Foreign Languages
- School of Translation Studies and Training
- School of Performing & Visual Arts

The emphasis is on providing a wide choice of courses at different levels.

1.5 Academic Programmes

The university offers both short-term and long-term academic programmes leading to certificates, diplomas and degrees, covering conventional as well as innovative programmes. Most of these programmes have been developed after an initial survey of the demand for such studies.

They are launched in order to fulfil the students' need for:

- certification,
- improvement of skills,
- acquisition of professional qualifications,
- continuing education and professional development at work place,
- self-enrichment,
- diversification of knowledge.

1.6 Course Preparation

Learning materials are specially prepared by teams of experts drawn from different institutions and universities all over the country as well as in-house faculty. These materials are scrutinised by content experts, supervised by the instructors/unit designers and edited by language experts before they are finally sent for printing. Similarly, audio and video cassettes are produced in consultation with course writers, in-house faculty and producers. The material thus prepared is previewed and reviewed by the faculty as well as outside media experts and edited or modified, wherever necessary, before they are finally despatched to the study centres, Doordarshan and Akashvani.

1.7 Credit System

The university follows the “Credit System” for most of its programmes. Each credit is of 30 hours of study comprising all learning activities. A four-credit course, for instance, involves 120 study hours. The course weightage is expressed in terms of credits. This helps the learner to understand the academic effort one has to put in, in order to successfully complete a course. Completion of an academic programme (degree, diploma or certificate) requires successful clearing of assignments, term-end examinations of each course in a programme and practical components.

1.8 Support Services

In order to provide individualised support to its learners, the university has a large number of study centres throughout the country. These are coordinated by 30 Regional Centres. At the study centres, the learners interact with the Academic Counsellors and their peer groups, refer to books in the library, watch/listen to video/audio cassettes and interact with the Coordinator on administrative and academic matters. The support services are also provided through work centres, programme centres and skill development centres.

1.9 Programme Delivery

The methodology of instruction in this university is different from that of the conventional universities. The Open University System is more learner-oriented, and the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance mode rather than face-to-face communication.

The university follows a multi-media approach for instruction. It consists of :

- a) Self-instructional printed material
- b) Audio-visual material
- c) Counselling sessions/contact programmes
- d) Teleconferencing
- e) Practicals
- f) Practical handbooks
- g) Interactive radio counselling (IRC); Gyan Vani and Gyan Darshan

2. UNIVERSITY RULES

The University reserves the right to change the rules from time to time. However, latest rules will be applicable to all the students irrespective of year of registration.

2.1 Educational Qualifications Awarded by Private Institutions

Any educational qualification awarded by the Private Universities established under the provisions of the “*Chhattisgarh Niji Kshetra Vishwavidyalaya (Sathapana Aur Viniyaman), Adhiniyam, 2002*” are non-existent and cannot be made the basis of admission to higher studies with IGNOU.

2.2 Incomplete and Late Applications

Incomplete application forms/Re-registration forms, received after due date or having wrong options of courses or electives or false information, will be summarily rejected without any intimation to the learners. The learners are, therefore, advised to fill the relevant columns carefully and enclose the copies of all the required certificates duly attested by a Gazetted Officer. **The form is to be submitted to the Regional Director concerned ONLY on or before the due date.** The application form sent to other offices of the University will not be considered and the applicant will have no claim whatsoever on account of this.

Students who are already enrolled in a programme of one year or longer duration can also simultaneously register themselves for any certificate programme of 6 months duration. However, if there is any clash of dates of counselling or examination schedule between the two programmes taken, University will not be in a position to make adjustment.

2.5 Counselling and Examination Centre

All study centres, Programme study centre, special study centres are not Examination centres. Regular counselling sessions will be conducted at the learner support centres provided the number of learners for a particular course is equal to or more than 10. If the number is less than 10 then in place of regular counselling, intensive counselling sessions will be held which essentially means that 40% of the number of prescribed counselling sessions are to be conducted within a week's time.

2.6 Change/Correction of Address

There is a printed card for change/correction of address which is dispatched along with the study material. In case there is any correction/change in the address, the learners are advised to make use of proforma provided in the Programme Guide and send it to the Regional Director concerned who will forward the request after verifying the student's signature to

SRD, Maidan Garhi, New Delhi - 110068. **Requests received directly will not be entertained. The form of change of address can also be downloaded from IGNOU Website www.ignou.ac.in. Learners are advised not to write letters to any other officer in the University in this regard. Normally, it takes 4-6 weeks to effect the change. Therefore, the learners are advised to make their own arrangements to redirect the mail to the changed address during this period.**

In case a change of Study Centre is desired, the learners are advised to fill the proforma and address it to the Regional Centre concerned. Since counselling facilities are not available for all Programmes at all the centres, learners are advised to make sure that counselling facilities are available, for the subject he/she has chosen, at the new centre opted for. Request for change of Study Centre is normally accepted subject to availability of seat for the programme at the new centre asked for. - c) The term-end examination has a weightage of 70% of the total for each course. Term-end examinations will be held in June/December every year. But for the candidates of academic year (Jan.-2010), the first term-end examination will be held in December 2010 only for first year courses. The students will be permitted to appear in the term-end examination for the courses of 2nd year only in December 2011. The students are specifically instructed to send Examination Forms to Registrar, concerned Regional Centre.

Practical : For Practical courses, evaluation comprises three aspects:

- a) Continuous evaluation of school-based activities and practice teaching.
- b) Evaluation of performance in practical workshops.
- c) Evaluation of practice teaching.

The student will have to obtain at least D grade in each course in both continuous and terminal evaluation separately. However, the overall average should be at least C grade for the successful completion of a course.

If a student has missed any term-end examination of a course for any reason, he/she may appear in the subsequent term-end examination. This facility will be available until a student secures the minimum pass grade, but only upto a period of four years from the date of registration.

The letter grade system is used for grading continuous and terminal examination components. These letter grades are:

Letter grade	Qualitative level	Point grade	Percent (%)
A	Excellent	5	80% & above
B	Very Good	4	60-79.9%
C	Good	3	50-59.9%
D	Satisfactory	2	40-49.9%
E	Unsatisfactory	1	Below 40%

The rounding off decimal pring in Grade card/Mark Sheet to the next mark in case decimal point is between 0.5 and 0.9 and no change in case it is between 0.1 to 0.4. (Please see notification attached).

The student will be declared successful if he/she scores at least C grade in theory courses and practical courses separately.
