

MCA (Revised)
Term-End Practical Examination
June, 2007

MCSL-016 : INTERNET CONCEPTS AND WEB DESIGN

Time allowed : 2 hours

Maximum Marks : 50

Note : *There are two questions in this paper carrying 20 marks each. 10 marks are for viva-voce.*

1. Design the following table in HTML with dummy data : 20

| Plane number | Arrival Time | Departure Time | Starting From | Destination | Fare |
|--------------|--------------|----------------|---------------|-------------|------|
|--------------|--------------|----------------|---------------|-------------|------|

2. Using JavaScript/VBScript, create a web page having 3 audio and 3 video files inserted on it. As the mouse points over, its background colour changes and also a new page appears giving some details about audio/video files respectively. 20
