3. INSTRUCTIONAL SYSTEM

The methodology of instruction in this university is different from that in the conventional universities. The Open University system is more learner-oriented, and the student has to be an active participant in the teaching-learning process. Most of the instructions are imparted through distance rather than face-to-face communication.

The University follows a multi-channel approach for instruction. It comprises a suitable mix of:

- self-instructional printed material (SIM/SLM)
- audio and video cassettes (A/V)
- audio-video programmes transmitted through Radio and Doordarshan
- face-to-face counselling at Study Centres by academic counsellors
- web based academic support
- assignments
- practicals
- Gyan Darshan Channel, EDUSAT
- Gyan Vani

Figure 1: Home page of IGNOU website-http://www.ignou.ac.in
3.1 Print Material

Printed materials are the primary form of instructional materials. These are supplied to the participants in the form of several booklets. A course, which comes in the form of a booklet comprises several units. The size of a unit is such that the material given therein may be expected to be studied by a student in a session of about 2 to 6 hours of study. Therefore, you have to concentrate mainly on the print materials, which we send to you. However, the fast pace of computer industry necessitates that students must do some additional readings. Students are advised to study reference books without fail. Studying the printed material alone may not be sufficient to write assignments and prepare for the term-end Examinations. It may not be sufficient to just study course material that is received by you from university to pass all the courses. You are hereby advised to study the Reference books also.

3.2 Audio-Video Material

There are video-cassettes or CDs (ppt.,pdf files etc.) meant for clarification and enhancement of understanding. The audio-video material is supplementary to print material. Hence, we advise you to make use of it as that will help you to understand the subject better. However, audio-video material will normally not be supplied to the students individually but will be made available at the Programme Study Centres. You can watch these programmes during counselling sessions. The schedule for screening these films has been synchronised with the progress of relevant written material. Students desirous of buying the audio-video tapes can procure them from: The Director, EMPC, Sanchar Kendra, Maidan Garhi, New Delhi-110068.

The programmes of IGNOU are also telecast on DD-1(National Channel). The telecast schedule of transmission of programmes is communicated through a monthly booklet called Gyan Darshan. You can contact your Programme Study Centre Coordinator to browse through it. You may write to the above mentioned address for a copy of the same.
3.3 Counselling Sessions

In distance education, face-to-face contact between the learners and their tutors/counsellors is relatively less and, therefore, is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It also intends to provide you an opportunity to meet your fellow students. There are academic counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. Normally, these sessions will be held at the Study Centres during week-ends (Saturdays and Sundays).

You should note that the counselling sessions will be very different from the classroom teaching or lectures. Counsellors will not be delivering lectures as in conventional teaching. They will try to help you to overcome difficulties which you face while studying for the programme. In these sessions, you must try to resolve your subject-based difficulties and any other related problems.

Before you go to attend the counselling sessions, please go through your course materials and make a plan of the points to be discussed. Unless you have gone through the Units, there may not be much to discuss.

The detailed schedule of the counselling sessions will be made known to you by the Coordinator of your Programme Study Centre.

3.4 Practical

These programmes has practical component also.

3.5 Web Based Support

The learners can have access to IGNOU’s website at the following address (URL): www.ignou.ac.in. This website offers relevant information to the general public and student support facilities to the learners through the Single Window Information and Student Support (SWISS). These include:

Practicals are essential components of these programmes. The number of available computers restricts the number of participants per Study Centre. It is, therefore, imperative that the allotted practical sessions on computers are put to the best use. For successful completion of the programme, a participant is required to have a minimum of 75% attendance in the practical sessions. A participant will not be eligible to appear in the term-end practical examinations if the percentage of attendance in practical sessions falls below 75%. He/she can, however, appear for the theory papers. In order to make up deficiency of attendance in practical sessions, the student will be required to pay the requisite fee as per directions issued by the University from time to time.

In order to be able to appear for the Term-end examination, it is a pre-requisite that the students submit all the assignments according to the prescribed schedule. The students are required to give an undertaking to this effect in the examination form and should it be later found that they had in fact not submitted the assignments as prescribed, the results for the Term-end examination will be treated as cancelled.

6.1 Assignments

The main purpose of assignments is to test students’ comprehension of the learning materials and reference books for the courses and also to help them before to comprehend the courses by providing feed-back to them. If the students have easy access to other books, they should make use of them. But the assignments are designed in such a way as to help them concentrate on the printed course material, reference books and exploit their personal experience with some additional readings.

6.2 (a) Guidelines regarding submission of assignments

1. It is compulsory for the students to submit all the prescribed assignments. They will not be allowed to appear for the term-end examination of a course if they do not submit the specified number of assignments in time for that course.

2. Whenever the students receive a set of assignments, they should check them immediately and ask for missing pages, if any, from the concerned Regional Director or the Co-ordinator of their study centre.

3. The assignment responses should be complete in all respects. Before submission, the students should ensure that they have answered all the questions in all assignments. Incomplete answer sheets bring poor grades.

4. The University/Co-ordinator of the Study Centre has the right to reject the assignments received after the due date. Therefore, the students are advised to submit their assignments before the due date.

5. Students should enclose a self-addressed stamped assignment remittance-cum-acknowledgement card (Form No. 1) with each assignment response to ensure the delivery of assignments before the last dates prescribed for submission of assignments.

6. In case the students have already done some assignments prescribed in a course, they are required to do the left-over assignments before taking the Term-end Examination. If they have qualified in a course on the basis of lesser number of assignments and Term-end Examination, they will not be eligible to re-do the assignments with a view to improve the overall qualifying score of that course.

7. In case any student fails to submit the assignments or fails to score minimum qualifying marks, s/he has to wait for fresh assignments meant for the current batch of students. The request for the new assignments in the prescribed form (Form No. 2) is to be addressed to then concerned
Regional Centre or Registrar (MPDD), Indira Gandhi National Open University, Maidan Garhi, New Delhi-110068.

8. For their own record, students should retain a copy of all the assignment responses, which they submit to the Co-ordinator of their Study Centre. If they do not get back their duly evaluated assignment within a month after submission, they should try to get it from their Study Centre personally. This may help them to improve upon future assignments.

9. Once the students get the pass marks in an assignment, they can not re-submit it for improvement of marks. If the student secured requisite marks in Term-End Examination and Assignments, but did not get requisite overall percentage, then the student can either resubmit the assignment or reappear for the term-end examination for securing the requisite overall percentage.

10. Assignments are not subject to re-evaluation except for factual errors, if any. The discrepancy noticed by the students in the evaluated assignments should be brought to the notice of the Co-ordinator of the Study Centre, so that the correct score is forwarded by him to the SR&E Division at the Headquarters.

The students should not enclose or express doubts for clarification, if any, along with the assignments. They should send their doubts in a separate cover to the Registrar (Students Evaluation Division), Indira Gandhi National Open University, Maidan Garhi, New Delhi - 110 068. While doing so they should give their complete enrolment number, name, address, programme code.

6.2 (b) Instructions for Doing Assignments

While answering Assignments, the following guidelines are required to be observed:

1. The student should write their Complete correct Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of the response sheet.

2. The students should write the Programme Title, Course Code, Course Title, Assignment Code and Name of the Study Centre on the left hand corner of the first page of their response sheet. Course code and assignment code may be reproduced from the assignment. The top of the first page of your response sheet for each assignment should look like this:

<table>
<thead>
<tr>
<th>PROGRAMME TITLE:</th>
<th>ENROLMENT No.:</th>
</tr>
</thead>
<tbody>
<tr>
<td>COURSE CODE:</td>
<td>NAME:</td>
</tr>
<tr>
<td>COURSE TITLE:</td>
<td></td>
</tr>
<tr>
<td>ADDRESS:</td>
<td></td>
</tr>
<tr>
<td>ASSIGNMENT CODE:</td>
<td>SIGNATURE:</td>
</tr>
<tr>
<td>STUDY CENTRE:</td>
<td>DATE:</td>
</tr>
</tbody>
</table>

3. The students should write the responses in their own hand. They should not print or type the answers. They should not reproduce their answers from the units sent to them by the University. If they reproduce from units, they will get poor marks for the respective question.

4. The students should write each assignment separately. All the assignments should not be written in continuity.
5. The students should write the question number with each answer.

6. The students should use only foolscap size paper for their response and tie all the pages carefully. Avoid using very thin paper. They should allow a 4 cm. margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments on the margins at appropriate places.

7. The students should not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected, and disciplinary action can be taken against the students as per rules of the University.

8. The completed assignment should be sent to the Coordinator of the Study Centre allotted to the student. Under no circumstances should they be sent to the (SED) or the School at Headquarters for evaluation. After submitting the assignment at the Study Centre in person, the students should get the acknowledgement from the Co-ordinator on the prescribed assignment-cum-acknowledgement card (Form No. 1) otherwise, the assignment should be sent under certificate of posting through post. They should get back evaluated assignments from their study centres within one month of its submission for their future guidance.

9. In case the student has requested for a change of Study Centre, s/he should submit her/his Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is effected by the University.

Sub: RECOGNITION OF DEGREES AWARDED BY OPEN UNIVERSITIES

Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. The Open Universities have been established in the country by an Act of Parliament of State Legislature in accordance with the provisions contained in Section 2(F) of the UGC Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.

A circular was earlier issued vide UGC letter N.F. 1-8/92(CPP) dated February, 1992 mentioning that the Certificates, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country. Attention is further invited to UGC circular No. F1-25/93(CPP-II) dated 28th July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of Universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vide No. 1-52/97(CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site: www.ugc.ac.in

May, I therefore request you to treat the Degrees/Diploma/Certificates awarded by the Open Universities in conformity with the UGC notification on specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully

Subject: Recognition of Degrees/Diplomas of Open Universities

Dear Sir,

The Standing Committee at its 237th meeting held at Utkal University and the 68th Annual Session of the AIU and in December, 1993 at the University of Delhi have decided to in principle that the Degrees of the Open Universities be recognized in terms of the following resolutions:

“Resolved that the examinations of one University should be recognized by another on a reciprocal basis, provided that the entrance qualification, duration of course and the general standard of attainment are similar to those prescribed by the recognized university.”

“Further resolved that in case of Degrees awarded by Open Universities, the conditions regarding entrance qualifications and duration of the course be relaxed provided that the general standard of attainment are similar to those prescribed by the recognized university”.

The decision is brought to the notice of the Universities for favour of appropriate action in the matter. The additional information, if required in this behalf, may kindly be obtained from the Registrar of the Universities direct.

Thanking you,

Yours faithfully,
