I welcome you to the B.Ed. Special Education Programme being offered by the National Centre of Disability Studies (NCDS) IGNOU, New Delhi. This programme has been designed and developed in partnership with Rehabilitation Council of India – a statutory body for standardizing and regulating the training of Personnel and Professionals in the field of Rehabilitation and Special Education. Education is a life long process, which begins at birth and continues through out life. It is closely linked with the social, economic, cultural and psychological values of society in which it is prevalent, be it a person with or without disabilities. Education of children with disabilities brings in its way different challenges, due to the diversity of disability, which is further compounded by diversity of geographical and cultural difficulties. It was therefore a usual practice to place the Children with Disabilities in Special Schools till the past 4-5 decades.

The acceptance, spread and growth of Special Education/Inclusive Education in most parts of the world in the last two decades has had a significant impact on India. Though the need to train recruit Special teachers/Educators on a large scale has considerably increased in the present day scenario, the education of the children with disability is a distant dream even now, at various parts of our Country. The failures to reach these underprivileged areas are due to the lack of support-services and trained manpower.

To enable inclusion of children with disabilities in the main stream education at the primary school level, the Government of India introduced the scheme of “Sarva Shiksha Abhiyan, (SSA) in the year 2000. This scheme promotes ‘zero rejection’ policy to ensure that no child is left out of the education system. The SSA emphasizes inclusion and participation of children with special needs in the educational process. It seeks to ensure that ‘every child with special needs, irrespective of the kind, category and degree of disability is provided education in an appropriate environment’.

The present B.Ed. Special Education Programme is the result of the collaborative efforts of IGNOU and RCI towards this mission. I am sure that this programme will help the country in meeting the need of trained manpower to develop a ‘society for all’ in which people with disabilities and those without disabilities live together appreciating each one’s potential and limitations.

- National Centre for Disability Studies (NCDS)
- Other Units/Centres of the University.

1.5 Academic Programmes

The University offers both short-term and long-term programmes leading to Certificates, Diplomas and Degrees, which are conventional as well as innovative. Most of these programmes have been developed after an initial survey of the demand for such Programmes. They are launched with a view to fulfill the learner’s needs for:

- certification,
- improvement of skills,
- acquisition of professional qualifications,
- continuing education and professional development at work place,
- self-enrichment,
- diversification and updation of knowledge, and
- empowerment.

1.6 Course Preparation

Learning material is specially prepared by teams of experts drawn from different Universities and specialized Institutions in the area spread throughout the country as well as in-house faculty. These materials are scrutinized by the content experts, supervised by the instructors/unit designers and edited by the language experts at IGNOU before they are finally sent for printing. Similarly, audio and video cassettes are produced in consultation with the course writers, in-house faculty and producers. The material is previewed and reviewed by the faculty as well as outside experts and edited/modified, wherever necessary, before they are finally dispatched to the students, Study Centres and Telecast through Gyan Darshan.

1.7 Credit System

The University follows the ‘Credit System’ for most of its programmes. Each credit in our system is equivalent to 30 hours of student study comprising all learning activities (i.e. reading and comprehending the print material, listening to audio, watching video, attending counseling sessions, teleconference and writing assignment responses). Thus, a 4-credit course involves 120 hours of study. This helps the learner to know the academic effort he/she has to put in, to successfully complete a course. Completion of an academic programme (Degree or Diploma) requires successful completion of the assignments, practicals, projects and the term-end examination of each course in a programme.
1.8 Support Services

In order to provide individualized support to its learners, the University has a large number of Study Centres, spread throughout the country. These Study Centres are Co-ordinated by Regional Centres and Recognized Regional Centres. At the Study Centres, the learners interact with the Academic Counsellors and other learners, refer to books in the Library, watch/listen to video/audio programmes and interact with the Coordinator on administrative and academic matters. The list of Regional and Study Centres is given in this handbook. Support services are also provided through Work Centres, Programme Study Centres, Skill Development Centres and Special Study Centres.

1.9 Programme Delivery

The methodology of instruction in this University is different from that of the conventional Universities. The Open University system is more learner-oriented and the learner is an active participant in the pedagogical (teaching and learning) process. Most of the instructions are imparted through distance education methodology and face-to-face mode as per the requirement.

The University follows a multimedia approach for instruction, which comprises:

- **Self Instructional Written Material**: The printed study material (written in self-instructional style) for both theory and practical components of the programmes is supplied to the learners in batches of blocks for every course (on an average 1 block per credit). A block which comes in the form of a booklet usually comprises 3 to 5 units.

- **Audio-Visual Material Aids**: The learning package contains audio and video CDs which have been produced by the University for better clarification and enhancement of understanding of the course material given to the learners. A video programme is normally of 25-30 minutes duration. The video cassettes are screened at the study centres during specific sessions which are duly notified for the benefit of the learners. The video programmes are telecast on National Network of Doordarshan and Gyan Darshan. All Gyan Vani stations are broadcasting curriculum based audio programmes. In addition, some selected stations of All India Radio are also broadcasting the audio programmes. Learners can confirm the dates for the programmes from their study centres. The information is also provided through the university website.

- **Counselling Sessions**: Normally counselling sessions are held as per schedule drawn by the Study Centres. These are mostly held during the non-working hours of the host institutions where the study centres are located.

- **Teleconferences**: Live teleconferencing sessions are conducted via satellite through interactive Gyan Darshan Channels as well as simulcasted on ‘Edusat’ channel from the University studios at EMPC, the schedule of which is made available at the study centres.

- **Practicals/Project Work**: Some Programmes have practical/project component also. Practicals are held at designated institutions for which schedule is provided by the Study Centres. Attendance at practicals is compulsory. For project work, comprehensive project guide, in the form of a booklet, is provided to the student along with the study materials.

1.10 Evaluation System

The system of evaluation in IGNOU is also different from that of conventional universities. IGNOU has a multi-tire system of evaluation.
1. Self-assessment exercises within each unit of study.

2. Continuous evaluation mainly through assignments which are tutor-marked, practical assignments and seminar/workshops/extended contact programmes.

3. The term-end examinations (TEE).

4. Project works

The evaluation of learners depends upon various instructional activities undertaken by them. A learner has to write assignment responses compulsorily before taking term-end examination from time to time to complete an academic programme. A learner has to submit Tutor Marked Assignments (TMA) responses to the Coordinator of the Study Centre concerned to which s/he is attached. A learner should keep duplicate copies of assignment responses of TMA that may be required to be produced at Student Evaluation Division (SED) Division on demand. Term-end examination is conducted at various examination centers spread all over the country and abroad in June and December.

Weightage

| Continuous Evaluation | 30% |
| Term end Examination  | 70% |

IGNOU uses the following system of “Grading” for evaluating learner’s achievement

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Qualitative Level</th>
<th>Point Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>5</td>

For Bachelors and Masters degree programmes, normally the system of numerical marking is followed, and the marks secured in assignments, TEEs, etc. are later converted into grades as per the five-point grading scale given above. However, if required by the learner, the university provides numerical marks and division (I, II or Pass).

**Term-end Examination and Payment of Examination Fee**

The University conducts Term-end Examination twice a year in the months of June & December. Students will be permitted to appear in term-end examination subject to the conditions that registration for the courses, in which they wish to appear is valid, minimum time to pursue these courses is elapsed and they have also submitted the required number of assignment(s), if any, in those courses by the due date.

Students can also submit On-line examination form as per guidelines through IGNOU website at www.ignou.ac.in.

Examination fee @Rs.50/- per paper is required to be paid either through online payment gateway, cash deposit on designated banks and also through demand drafts.
2. REHABILITATION COUNCIL OF INDIA

Rehabilitation Council of India is a Statutory Body of Ministry of Social Justice & Empowerment set up by an act of Parliament in 1992 and charged with the responsibility of planning, developing, and standardizing the quality of training for sixteen categories of Rehabilitation professionals under its purview to meet the needs of the life span of persons with disabilities. This Act was further amended in the year 2001 to widen the responsibilities of the Council to include:

- **Standardization** of training courses for professional/personnel’s needed for the special education or rehabilitation of persons with disabilities.
- **Regulation** of training policies, programmes and standards in the field of Special Education and Rehabilitation.
- **Recognition** and Monitoring of Institutions/Organizations/Universities offering courses for training of rehabilitation professionals.
- Maintenance of a **Central Rehabilitation Register (CRR)** of all qualified persons in the field of Special Education and Rehabilitation.

Under section 13 of the RCI Act, no persons, other than the rehabilitation professionals/personnel who posses a recognized rehabilitation qualification and is enrolled on the Central Rehabilitation Register (CRR):

1. Shall hold office as rehabilitation professional or any such office (by whatever designation called) in Government or in any institution maintained by a local or other authority.
2. Shall practice as rehabilitation professional anywhere in India
3. Shall be entitled to sign or authenticate any certificate required by any law to be signed or authenticated by a rehabilitation professional;
4. Shall be entitled to give an evidence in any court as an expert under Section 45 of the Indian Evidence Act, 1872 on any matter relating to the handicapped:

The Act further states that those who act in contravention of any provision of subsection (2) cited above shall be punished with imprisonment for a term which may extend to one year or with fine which may extend to one thousand rupees, or with both.

In implementing its responsibilities, over the last decade and more, the Rehabilitation Council of India has played a crucial role in offering a better quality of life for persons with disabilities. The Council has developed numerous need based training programmes for special education and rehabilitation of persons with disabilities. Further, RCI realized that in order to meet the huge need for trained manpower in the area of special education in the country, the most viable option was through the distance mode of education, because of its flexibility and wide coverage, and thus extended the range of delivery of training by offering distance education courses.

Distance Education in itself is a growing field, as it offers the option of self study at the doorstep of the student, along with the support and guidance of trained faculty at the Study Centres close to home. It allows the student trainees flexibility of study hours and enables them to continue to work and study at the same time. Moreover the system of distance education has the potential to fulfill the enormous responsibility of universalization and democratization of education, as it holds the promise of checking the falling standards at reasonable costs, making the optimum use of media and technology and providing education relevant to the needs of the country.

The Rehabilitation Council of India visualizing the benefits of distance education in the area of disability rehabilitation and its potential for preparing professionals in the field of Special Education began to collaborate with Open Universities to promote and implement Special Education training programmes for the empowerment of a special target group of learners with disabilities.
MoU between RCI & IGNOU

IGNOU is offering need-based Special Education Programmes through Distance Education Mode in collaboration with Rehabilitation Council of India (RCI) within the framework of the Memorandum of Understanding (MoU) signed between the two on September, 2007. Under the provision of MoU, IGNOU has been recognized as the apex National Resource Centre for Special Education and Rehabilitation programmes through Distance Mode.

3) The test items of Part-B i.e. Subject Competence will be based on the curriculum of IX and X classes prescribed by the NCERT/CBSE.

4) Do not attempt two subjects of section I of part A and more than one subject of part B which will lead to rejection of your candidature.

32
The number of questions in each section is indicative of general scope and design of the question paper. However, the actual question paper might somewhat vary in its contents, their distribution and their level of difficulty.

All the above test items will be given in a composite test booklet, which will be printed in English and Hindi. You may attempt the test in any order you like. Since the questions in the test Booklet are objective type, answers are not required to be written in words or sentences. For each question, there are four answer choices suggested and only one of them is right. You have to select the right answer from amongst the given answer. **In case you find that none of the four alternatives is correct, you have to mark ‘0’**.

**HOW TO FILL UP THE INFORMATION ON THE RESPONSE SHEET**

At the end of this handout a sample OMR response sheet is given. You may fill up your own information in this answer sheet so that you may correctly fill up the actual examination answer sheet in the examination hall. While filling up the OMR response sheet you should follow the following guidelines:

1) Write your complete enrolment no. in 9 digits. This should correspond to the enrolment number indicated as on your Hall Ticket. Also write your correct name, address with pin code in the space provided. Put your signatures on the response sheet with date in ink. Ensure that The Invigilator in your examination hall also puts his signatures with date on the OMR response sheet at the space provided. You should use only HB pencil to mark the answers to the questions on the OMR response sheet.

2) **Do not use pen.** Do not make any stray marks on the response sheet.

3) Write correct information in numerical digit in Enrolment No. and exam. centre code columns. The corresponding rectangle should be dark enough and should be filled in completely. For example, suppose your enrolment number is 145786159. Examination Centre Code is 0101. This information is indicated in sample answer sheet.

4) Each question is followed by four probable answers which are numbered 1, 2, 3 & 4. You should select and show only one answer to each question considered by you as the most appropriate or the correct answer. Select the most appropriate answer. Then by using HB pencil, blacken the rectangle bearing the correct answer number against the serial number of the question. If you find that answer to any question is none of the four alternatives given under the question you should darken the rectangle ‘O’.

5) If you wish to change your answer, ERASE completely the already darkened rectangle by using a good quality eraser and then blacken the rectangle bearing your revised answer number. If incorrect answer is not erased completely, smudges will be left on the eraser rectangle and the question will be read as having two answers by the Optical Mark Reader (OMR) and will be ignored for giving any credit.

6) No credit will be given if more than one answer is given for one question. Therefore, you should select most appropriate answers.

7) You should not spend too much time on any one question. If you find any particular question difficult, leave it and go to the next. If you have time left after answering all the questions, you may go back to the unanswered ones.

8) There may be negative marking for wrong answers.
GENERAL INSTRUCTIONS

1) No calculators, books, slide-rules, foot-rules, note-books or written Notes etc. will be allowed inside the examination.

2) You should follow the instructions given by Centre Superintendent and by Invigilators at the examination venue. If you violate the instructions you will be disqualified.

3) Any candidate found copying or receiving or giving assistance in the examination will be disqualified.

HOW TO FILL UP THE INFORMATION ON THE OMR RESPONSE SHEET
(EXAMINATION ANSWER SHEET)

OMR उत्तर-पत्र पर सूचना भरने के निदेश

1. Write your complete Enrolment No. in 9 digits. Also write your correct name, address with Pin Code in the space provided. Put your signatures on the OMR Response Sheet with date. Ensure that the Invigilator in your examination hall also puts his signatures with date on the OMR Response Sheet at the specified place. You should use HB Pencil.

अपनी पूरी नामांकन संख्या (एनरोलमेंट नम्बर) 9 अंकों में लिखिए। दिये गये स्थान में अपना सही नाम व पिन कोड सहित पता भी लिखिए। OMR उत्तर-पत्र पर तिथि सहित अपने हस्ताक्षर कीजिए। यह भी सुनिश्चित कर
लोजिय कि आपके परीक्षा कक्ष के निरीक्षक ने OMR उत्तर-पत्र पर दिये गये स्थान पर तिथि सहित हस्ताक्षर कर दिये हैं। आपको HB नंबरल का प्रयोग करना चाहिए।

2. All information is to be filled up with HB Pencil. The circles corresponding to the digit are to be darkened with an HB pencil.

पूरी सूचना HB नंबरल द्वारा भरी जानी चाहिए। अंको के संगत वृत्त को HB नंबरल से ही कला करना है।

3. Do not make any stray remarks on this OMR Response Sheet.

इस OMR उत्तर-पत्र पर कोई अवरोधित दिशानिर्देश ना लगाइए।

4. Write correct information in numerical digit in Enrolment No. and Examination Centre Code columns. The corresponding circles should be dark enough and should be filled in completely.

नामांकन संख्या और परीक्षा केन्द्र कोड बाले कॉलों में अंकों में सही सूचना लिखिए। संगत वृत्त पर्याप्त गहरे होने चाहिए। और पूरी तरह से भरे हुए होने चाहिए।

5. Each question is followed by four (or less) probable answers, which are numbered 1, 2, 3 and 4. You should select and show only one answer to each question considered by you as the most appropriate or the correct answer. Select the most appropriate answer. Then by using HB pencil, blacken the circle bearing the correct answer number against the serial number of the question. If you find that answer to any question is none of the four alternatives given under the question you should darken the circle '0'.

BEDSE/2010

P.T.O.
6. If you wish to change your answer, ERASE completely the already darkened circle by using a good quality eraser and then blacken the circle bearing your revised answer number. If incorrect answer is not erased completely, smudges will be left on the erased circle and the question will be read as having two answers and will be ignored for giving any credit.

यदि आप कोई उत्तर को बदलना चाहें, तो पहले से ही काले किरणे वृत्त को एक अच्छी गुणवत्ता वाले रबर से पूरी तरह झिल्ली दीजिए, और संशोधित उत्तर संख्या वाले वृत्त को काला कीजिए। यदि गलत उत्तर को पूरी तरह नहीं झिल्ली दीया तो झिल्ली दीये वृत्त में कुछ निषेध रह जायेगा और प्रश्न के दो उत्तर दिये हुए माने जायेंगे और अंक पिने समय वह अस्वीकारी किया जायेगा।

7. No credit will be given if more than one answer is given for one question. Therefore, you should select the most appropriate answer.

यदि एक प्रश्न के लिये एक से अधिक उत्तर दिया जायेगा तो कोई अंक नहीं दिये जायेंगे। इसलिए आपको संशोधित उत्तर का चयन करना चाहिए।

8. You should not spend too much time on any one question. If you find any particular question difficult, leave it and go to the next. If you have time left after answering all the questions, you may go back to the unanswered ones.

किसी एक प्रश्न पर अधिक समय नहीं लगाइए। यदि आपको कोई विषय प्रश्न कठिन लगता है, तो उसे छोड़कर अगले पर जाइए। पूरे प्रश्नों का उत्तर देने के बाद यदि आपके पास समय है, तो आप उन प्रश्नों पर बापस जा सकते हैं जिसका आपने उत्तर नहीं दिया है।

BEDSE/2010
