MESSAGE

It gives me immense pleasure to know that IGNOU is launching special B.Com. and M.Com courses under the understanding with the Institute of Chartered Accountants of India. On 12th of March, 2007, ICAI and IGNOU, two major educational bodies of the country, entered into a new era of educational cooperation by signing a Memorandum of Understanding.

During fifty-eight years Of its existence, ICAI, set up under an Act of Parliament, has created a unique name in the society. ICAI is a premier accounting body in the country.

The letters 'CA' which stands for 'Chartered Accountant' ani widely recognized as alphabets of trust. Over the years the chartered accountancy profession has achieved rapid growth by virtue of quality professional services rendered by its members and the profession has occupied a prominent role in the development of the country. Increasing responsibilities are being placed by the Government and Society on the members of the profession and their specialized knowledge and skills are being utilized in various fields of activities. The Institute is playing a prominent role in the International Accounting Bodies as well.

ICAI has contributed in the fields of education, professional development, maintenance of high accounting, auditing and ethical standards. It is imperative for ICAI to have an understanding with IGNOU, well known for its contribution in the areas of open and distance education, research, extension and training. Both the educational bodies strive to provide sustainable and learnercentric quality education. Separately, they have also been helping millions of students across the country and abroad in qualitative education.

The Understanding has helped in commencing of a special B. Com with Major in Accountancy and Finance and a special *M.Cm* in finance and Taxation by IGNOU. Exemption in these B.Com. and M.Com courses are available according to what the students study in ICAI courses.

This understanding will also facilitate cblaborative personal contact programmes for the students as well as foster joint research initiatives to improve pedagogy for the commerce and management studies.

President, ICAI

Second Division	50% to 59.9%
First Division	60% and above.

4 INSTRUCTIONAL SYSTEM

The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented, and the student is an active participant in the teaching-learning process. Most of the instruction is imparted through distance rather than face-to-face communication.

The University follows a multi-media approach for instruction. It comprises: .

- self-instructional print material
- audio and video-cassettes
- audio-video programmes transmitted through Doordarshan and Radio
- teleconferencing
- face-to-face counselling at Study Centres by academic counsellors
- gyan darshan channel
- assignments
- practicals

4.1 Print Material

Print material is the primary form of instructional material, although there will be a few audio-video-programmes and counselling sessions. Therefore, you have to concentrate mainly on the print material that we send you periodically. The print material would be sufficient to write assignment responses and prepare for the term end examinations.

How to Use Print Material

The print material prepared by the University is self instructional in nature. Each course has been divided into a number of Blocks, generally 8 Blocks for an 8 credit course and 4 or 5 Blocks for a 4 credit course. Each Block consists of a number of Units (lessons). Normally, all the Units covered in one Block have a thematic unity. The first page of each Block indicates the contents of each Block i.e., the number and titles of the Units covered in that Block. This is followed by a brief introduction to the Block. This Block introduction explains the total coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured to facilitate self study for you. The section on **Objectives** briefly states what we expect you to attain when you have completed the Unit. In **Introduction**, there is an attempt to forge a link with the topics of the previous Units and .the topic to be covered in the present Unit. This is followed by the main body of the Unit, which is divided into various sections and subsections. In the main body there are a few self-check exercises under the caption **Check Your Progress**. Enough space is given for you to write your answers to the questions set in the self-check exercises. Answers to these exercises are given in the section **Answers to Check Your Progress Exercises** at the end of the Unit.

The section **Let Us Sum Up** summarises what has been said in the whole Unit. This summary enables you to recall the main points covered in the Unit. To facilitate comprehension, important words/terms covered in the Unit are explained in the section **Key Words**. Some books for additional reading are suggested in the section **Some Useful Books**. For your reference purpose some of these books may be available in the study centre. The section Terminal Questions/Exercises is intended to give you an idea about the nature of question that may be asked in term end examinations. These question and **Check Your Progress Exercises are for your practice only, and you should not submit answers to these questions to the University for assessment.**

Read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units mark the words that you do not fully understand. Look for the meaning of such words under the section Key Words or in a dictionary. Read the Unit again and again until you have understood the point. You may also try to find it in earlier Units as it may be explained there. However, if you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

Try to answer '**Check Your Progress**' questions. These exercises will help you to reinforce the information/knowledge you gain through your first reading of the text. Proper comprehension of the units and the points/notes made by you while reading through the Units would help you in answering the Check Your Progress Exercises given in the Units. Once you have written the answer in the blank space provided for each question, you can compare your answers with the answers given in the section 'Answers to Check Your Progress Exercises.

4.2 Audio-Visual Aids

In addition to the print material, audio and video tapes have been prepared for each course. The audio-video material is supplementary to the printed material. Hence, we advise you to make use of it, as that will help you to understand the subject better. **Video programmes are transmitted by Doordarshan every Monday, Wednesday and Friday from 6.30 to 7.00 in the morning. The Schedule of transmission is communicated to you through the IGNOU Newsletter.**

Audio programmes are broadcast in some select states also through Radio stations. Information about these would be available at your Regional Centre.

The telecast schedule for transmission of programmes through Gyan Darshan is communicated through a monthly booklet. Audio-video material will not be supplied individually but will be available to you at the Study Centres. You can watch these programmes during counselling sessions. Students desirous of buying the audio-video tapes can procure them from: **Director, Electronic Media Production Centre, IGNOU, Maidan Garhi, New Delhi- 110 068.**

Course-wise lists of audio-video programmes are given alongwith the course-wise syllabus in this programme guide.

4.3 Interactive Radio Counselling

The University has started interactive counselling through AIR network all over India. You can participate in it by tuning in to your area Radio station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by respective Radio Stations. This counselling is available on every Sunday between 4 and 5 in the evening.

4.4 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel of India called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes for 24 hours every day. Apart from programmes of IGNOU it will have educational programmes produced by various national education institutions. You should try to get access to it through your cable operator. The schedule of programmes with time and date is sent to all study centers one month in advance. Please obtain it from there.

4.5 Teleconferencing

To reach our students spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these at the regional centres and specified study centres of IGNOU. It is a one way video and two way audio facility. You will be sent a schedule with topics in advance through your study centres. The faculty at Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to programmes of study.

4.6 Counselling

In distance education, face-to-face contact between the learners and their tutors/counsellors is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow students. There are experienced academic counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study.. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. **The counselling sessions are not compulsory.** However, they may be very useful in certain respects such as: to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues, and get clarifications for many doubts which you would not otherwise try to raise, and consult academic counselors for selecting courses of study.

Face-to-face counselling will be provided to you at the study centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for this programme. In these sessions you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video cassettes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling sessions, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. Also try to understand each other's points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your counsellors.

Generally there will be 10 counselling sessions for an 8 credit course and 5 sessions for a 4 credit course.

5 STUDENT SUPPORT THROUGH STUDY CENTRES

To provide effective student support, IGNOU has set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The region-wise list of Study Centres is provided in annexure-II of this Programme Guide. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Every Study Centre will have:

- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other supporting staff appointed on a part-time basis.
- Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Study Centre will have six major functions:

- 1) **Counselling:** Face-to-face counselling for the courses will be provided at the Study Centres. Generally, as stated earlier, there will be 10 counselling sessions for an 8 credit course and 5 sessions for a 4 credit course. The detailed programme of the counselling sessions will be sent to you by the Coordinator of your Study Centre.
- 2) **Evaluation of Assignments:** Tutor Marked Assignments (TMA) will be evaluated by the Counsellors appointed for different courses at the Study Centre. These assignments will be returned to you with tutor comments and marks you obtained. These comments will help you in your studies.
- 3) **Library:** For each course some of the books suggested under 'Some Useful Books' will be available in the Study Centre Library. All audio and video tapes are also available in the library.
- 4) **Information and Advice:** At the Study Centre you get relevant information regarding the courses offered by the University, counselling schedules, examination schedule, etc. You will also get guidance in choosing your elective and application-oriented courses.
- 5) **Audio-Video Facilities:** The Centres are equipped with audio-video facilities to help you make use of the audio and video cassettes prepared for different courses. Media notes of these audio-video programmes will also be available at the Study Centre. This will help you to know the contents of each programme.
- 6) **Interaction with Fellow-Students:** In the Study Centres you have an opportunity to interact with fellow students.

6 EVALUATION SYSTEM FOR IGNOU COURSES

1. The Evaluation System for IGNOU courses consists of two components:
 - a) **Continuous evaluation through assignments** (Tutor Marked Assignments).
 - b) **Term-end examinations.**

In the final results, assignments carry 30% weightage, while 70% weightage is given for term-end examinations.

2. All the assignments and term-end examinations will be scored as a numerical marking scheme.
3. **To claim B.Com (A & F) degree**, you have to secure at least 35% marks in both continuous evaluation (assignments) as well as term-end examination of each course. The scores of continuous evaluation and term-end examination are not complementary to each. The above condition is mandatory for all IGNOU courses of this B.Com programme.
4. **To claim M.Com (F & T)**, you have to secure at least 40% marks in both continuous evaluation (assignments) as well as term-end examination of each course. The scores of continuous evaluation and term-end examination are not complementary to each other. The above condition is mandatory for all IGNOU courses of this M.Com programme.

6.1 Continuous Evaluation Through Assignments

Assignments constitute the continuous evaluation. The submission of assignments is compulsory. The marks that you get in your assignments will be counted in your final result. Assignments of a course carry 30% weightage while 70% weightage is given to the term-end examinations. Therefore, you are advised to take your assignments seriously.

You have to submit your assignment response sheets to the Coordinator of the Study Centre assigned to you. **Submission of assignments is compulsory. You will not be allowed to appear for the term-end examination for any course if you do not submit the assignments in time for that course. If you appear in term-end examination, without submitting the assignments the result of term-end examination would be liable to be cancelled.**

The main purpose of assignment is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/counsellors after correcting the assignments send them back to you with their comments and marks. The comments guide you in your study and help in improving it.

The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have easy access to other books, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the printed course materials and exploit your personal experience.

There is one Tutor Marked Assignments (TMA) per course, which is evaluated by the counsellor. Thus, you have to attempt one assignment for each course.

You have to complete and submit the assignments at the study centre within the due date specified in the assignments booklet or within one month of the date of receipt of assignments, whichever is later. The University/Co-ordinator of the Study Centre has the right to reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

For your own record, retain a copy of all the assignment responses which you submit to the Coordinator of study centre. If you do not get back your duly evaluated tutor marked assignments along with a copy of assessment sheet containing comments of evaluator on your assignment within a month after submission, please

try to get it personally from your study centre. This may help you to improve upon future assignments. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

If you do not get pass marks in any assignment, you have to submit it again. To get fresh assignments you should write to Regional Director of your Regional Centre. You may also download from IGNOU web site www.ignou.ac.in. However, **once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator.** The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him to the Student Evaluation Division at Headquarters. Score communicated by the study centre through any mode other than the award list will not be acceptable to the university for taking your score of assignments on your record.

In case you find that the score indicated in the assignment sheet of your Tutor Marked Assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the coordinator of your study centre with a request to forward correct award list to the Student Evaluation Division at the Headquarters.

Specific Instructions for Tutor Marked Assignments (TMAs)

- 1) Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.
- 2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet. **Course Code and Assignment Code may be reproduced from the assignment.** The top of the first page of your response sheet should look like this:

	ENROLMENT NO.
PROGRAMME TITLE	NAME
COURSE CODE	ADDRESS
COURSE TITLE
ASSIGNMENT CODE	SIGNATURE
STUDY CENTRE	DATE

- 3) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.
- 4) Write the responses in your own hand. Do not print or type the answers. Do not copy your answers from the Units/Blocks sent to you by the University. If you copy, you will get zero marks for the respective question.
- 5) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.
- 6) Write each assignment separately. All the assignments should not be written in continuity.
- 7) Write the question number with each answer.
- 8) The completed assignment should be sent to the Coordinator of the Study Centre allotted to you. Under any circumstances do not send the tutor marked response sheets to the Student Registration and Evaluation Division at Head Quarters for evaluation.
- 9) After submitting the assignment at the Study Centre get the acknowledgment from the Coordinator on the prescribed assignment remittance-cum-acknowledgment card.
- 10) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.

6.2 Term-end Examinations

As stated earlier, for all IGNOU courses term-end examination is the major component of the evaluation system and it carries 70% weightage in the final result.

The University conducts term-end examination twice a year i.e., in June and December. You can take examination only after completion of the course. For example after completion of one year of study in a particular year the student admitted in January session can take examination of the courses in December of that year. Similarly the student admitted in July session can take the examination of the courses in June next year and so on. Whenever you are repeating examination you can appear either in December or June.

The same is also notified through IGNOU News Letter from time to time. Thus, normally, the date sheet for June examinations is sent in the month of January/ February and for December examination in the month of July/ August. You are advised to see whether there is any clash in the examination dates of the courses you wish to take i.e. examination of any two courses you wish to take are scheduled on the same day at the same time. Examination Form: It is an essential pre-requisite for you to submit the Examination Form for taking examination in any course. The examination forms are available at Study Centres/Regional Centres/Student Registration and Evaluation Division at Headquarters and you may also download from INTERNET. Although all efforts are made to declare the result in time, there will be no binding on the University to declare the results of the last examination before commencement of next examination. You are therefore, advised to fill up the form without necessarily waiting for the result and get it cancelled at a later date if so required.

No student is allowed to reappear in an examination or submitting assignments for improving the marks/grade after successfully passing it.

FHS-I: Foundation Course in Humanities and Social Sciences

8 credits

Humanities and Social Sciences are disciplines which offer us the methodology to understand social reality. They also contribute towards analyzing the process of evolution and accordingly help us in shaping the future course of human development. It is by taking note of this role of these disciplines that the Foundation Course in Humanities and Social Sciences (FHS-I) has been introduced as a compulsory course for the Bachelor's Degree.

The course is aimed at offering a basic notion of most of the social, economic, political, cultural and other related humanistic problems. We go back to the study of the primitive human beings and gradually take into account the evolutionary processes by studying the march to great ancient Civilisations, social formations and systems i.e., from slavery to the present day democratic world. In certain fields the perspective is based on a world view of the various problems like apartheid, nuclear disarmament, ecology, pollution, etc. Yet, within this framework the main concern remains the search for our own past, an analysis of our present, and mankind's plan for the future. Thus, our unique struggle against colonialism, cultural renaissance, etc., are the themes related to social transformation and national integration. An attempt has also been made to familiarize you with the process of economic planning in India. This takes into account the strategies adapted and the problems related to economic development and growth.
