PROGRAMME GUIDE

Certificate Programme
in
Food and Nutrition

'A learner should not apply for appearing at the term-end examination of any course without getting registered for the same and that if he does so, his result would not be declared and the onus shall be on him.'
YOUR ATTENTION PLEASE

You are requested to go through this guide carefully before you proceed to the course material. It is further suggested that whenever you have a question to ask us, do look into this guide—You will find the answer to your question.

Printed material is your backbone. Our study material is prepared by teams of experts keeping in view the interest of the learner group. Each course has a Course Development Committee headed by the Vice-Chancellor and other distinguished academics and professionals involved in the course preparation. The course material is written in such a manner that the students can study it by themselves with a little assistance from our Counsellor at the Study Centres. Further, text books and reference books are available in the libraries attached to the Study Centres and Regional Centre. Therefore, students will have no need for any cheap or condensed guide for following courses of IGNOU. In fact these may harm them. Hence the University strongly advises the students not to take recourse to such type of guides.

Dear Student,

Welcome to the Certificate Programme in Food & Nutrition offered by Indira Gandhi National Open University will naturally be curious to know something about it. Let us, therefore, acquaint you with the University and its system of working.

1. **INTRODUCTION TO THE UNIVERSITY**

Indira Gandhi National Open University was established in September, 1985, under an Act of Parliament. Its aim is to develop a flexible education system in the country. The primary emphasis is on relevance of the courses to our present day society, innovative methods of teaching, cost effectiveness, removal of rigidity and involvement of all sections of society in the educational system. Thus, you see, it is a University with a difference.

The significant features of Indira Gandhi National Open University are:

- Relaxed entry rules:
- study according to the student’s own pace and convenience;
- flexibility in choosing a combination of courses from a wide range of disciplines: and
- use of modem educational and communication technology, including radio, TV, audio and video tapes.

The University functions with the objective of:

- providing opportunities for higher education to large segments of the population and thereby seeking to achieve the educational well-being of the community.
- providing access to higher education to the disadvantaged groups and individuals opening up opportunities for upgrading knowledge and skills:
- bringing higher education to the doorsteps of all those who look for it:
- providing high quality education at the University level:
- promoting both national integration and integrated development of the human personality.

The methodology of instruction under the Open University system is different from the teaching system in the conventional universities. While the lecture mode prevails in the conventional system, the open university is a learner-oriented system. It would, therefore, require your active participation.

The open university system has come into existence due to the increased use of all open approach in distance education where the entire operation is based on the use of multi-media learning materials. Since it will be a new experience for you, it is natural that you may have doubts and queries in the beginning as well as at different stages of learning. At such times you may desperately need a person who may look into your problems. Or you may feel like sending some queries/letters to clarify your doubts. It is also possible that for some reason you may hesitate to do so.

It, may therefore, give you a feeling of isolation. This Programme Guide is an attempt to help you overcome this feeling of isolation and also answer some of your queries.

Sub: Recognition in Degrees/Diplomas of Open Universities

The Standing Committee at its 237th meeting held at Utkal University and the 68th Annual Session of the AIU and in December, 1993 at the University of Delhi have decided in principle that the Degrees of the Open Universities be recognized in terms of the following resolutions.

Resolved that the examinations of the University should be recognized by another on a reciprocal basis, provided that the entrance qualification, duration of course and the general standard of attainment are similar to those prescribed by the recognized university.”

The decision is brought to the notice of the Universities for favour of appropriate action in the matter. The additional information, if required in this behalf, may kindly be obtained from the Registrar of the Universities direct.

Thanking you,

Your faithfully,

The Vice-Chancellor Director’s of all the Indian Universities/ Deemed Universities Institutions of National importance

Sub: Recognize of Degrees/Diplomas awarded by Indira Gandhi National Open University, New Delhi

I am directed to say that Indira Gandhi National Open University New Delhi has been established by Sub-Section (2) of Section (1) of the IGNOU Act, 1985 (50 of 1985) vide Notification No. F. 13-12/85-Desk (U) dated 1909-1985 issued by the Govt. of India. Ministry of Human Resource Development (Department of Education), New Delhi and is competent to award its own degrees/diploma. The Certificates, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Your faithfully,

Sd/-
(Gurcharan Singh)
Under Secretary
Eating is so much a part of life that we tend to assume that we know everything about food. It is generally believed that provision of proper nourishment is mainly a question of income. This is a fallacy, since nutritionally rich foods are available at a reasonable price.

Since food sustains life and accounts for a major portion of our living expenses, it will be useful for everyone to know about:

- The nutrients contained in different items of food;
- The needs of the human body in terms of various nutrients at different stages of life;
- Consequences of taking more/wrong types of food;
- Ways of selecting food articles, and the techniques for processing, cooking and preserving them.

The focus of the Programme is to enable you to make the best possible choice for meeting the nutritional needs of your family. At the same time, it aims at helping you choose an adequate variety of foods to suit the taste of each individual in your family. In addition, you will learn about the nature of food-borne diseases and the importance of good food habits in preventing them. You will also be acquainted with schemes of quality control, consumer rights, etc.

**Programme Components**

The Programme consists of the following three courses:

1. You and Your Food
2. Your Food and its Utilization
3. Economics of Food

**Course Structure**

The basic material to be studied has been brought out in a number of Blocks, covering a few interconnected topics. There are four Blocks for the first course, five for the second course and three for the third course. A Block is sub-divided into a number of Units, each Unit covering a distinct topic of the subject under study. In the beginning of each Unit (Objectives of the Unit) we list out what you are going to achieve or gain after a study of the Unit.

Objectives of the Unit
Introduction to the Unit
Contents of the Unit and Questions under ‘Check Your Progress’
Summing Up
Glossary
Answers to Check Your Progress

The details of the Units included in each Block are given towards the end of the programme guide.
3. ANSWERS TO SOME ANTICIPATED QUESTIONS

Q.1 For whom is this Programme meant? Is it only for women?
A.1 The Programme is open to men as well as women who have concern for the health of the family and the community. However, the applicant must be 18 years of age.

Q.2 Does the Programme have any job potential?
A.2 The basic objective of the Programme is to acquaint you with the importance of food in ensuring healthy living for yourself, your family and your community. It, however, has potential both for wage employment and self-employment.

Q.3 Will this Programme help in taking up some other advanced Programmes?
A.3 Yes, in fact, for admission to the Diploma Programme in Nutrition and Health Education. Preference will be given to those who have done this Programme, provided they fulfill other essential conditions laid down for admission to that Programme.

Q.4 In which language will the instruction be given?
A.4 The courses will be offered in English and Hindi all over the Country. The courses are also offered in Gujarati, Assamese, Tamil, Kannada, Urdu and Malayalam languages. These versions, however, would be available only in Gujarat, Assam, Tamil Nadu, Karnataka and Kerala state respectively. Those who wish to take the course in Telugu and Urdu will have to register for admissions with B.R. Ambedkar Open University formerly Andhra Pradesh Open University for which there will be a separate announcement by the latter.

Q.5 What kind of evaluation will be done to assess your performance?
A.5 There will be an examination at the end of six months.

5. INSTRUCTIONAL SYSTEM
The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented, and the student is an active participant in the teaching-learning process. Most of the instruction here is imparted through distance rather than face-to-face communication.

The University follows a multimedia approach for instruction. It comprises.

- Self-instructional print material;
- Audio and video cassettes;
- Audio-video programmes transmitted through TV and Radio;
- Teleconferencing;
- Face-to-face interaction with academic counsellors at Study Centres;
- Assignments; and
- Learning from experience exercises.

5.1 Print Material
Print material is the primary form of instructional material, although there will be a few audio-video programmes and counselling sessions in addition to the print material. Therefore, you have to concentrate mainly on the print materials that we send you.

The print material prepared by the University is self instructional in nature. Each course has been divided into a number of Blocks (3 to 5 blocks for a 4 or 6 credit course). Each course begins with a course introduction. It gives you a brief idea of the course under consideration. Each
Block consists of a number of Units (lessons). Normally, all the Units covered in one Block have a thematic unity. The first page of each Block indicates the contents i.e., the number and titles of the Units covered in that Block. This is followed by a brief introduction to the Block. This Block Introduction explains the total coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured to facilitate self study for you. The section on Objectives briefly states what we expect you to attain when you have completed the Unit. In the Introduction, there is an attempt to create a link with the topics of the previous Units and the topic to be covered in the present Unit. This is followed by the main body of the Unit, which is divided into various sections and subsections. The section Summing Up summarizes what has been said in the whole Unit. This summary enables you to recall the main points covered in the Unit. To facilitate comprehension, important words/ terms covered in the Unit are explained in the section Glossary.

Read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units mark the words that you do not fully understand. Look for the meaning of such words under the section Glossary or in a dictionary. Read the Unit again and again until you have understood the main points. However, if you still do not understand the points, you may also try to find it in earlier Units as it may be explained there. However, if you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

In addition to the print material, audio and video programmes have been prepared for each course. The audio-video material is supplementary to the printed material. Hence, we advise you to make use of it, as they will help you to understand the subject better. Video programmes are transmitted by Doordarshan and IGNOU’s dedicated Gyan Darshan Channel. The transmission schedule is given in the University Newsletter which is sent to every student 3 times a year. Audio programmes are transmitted by AIR and Gyan Vani.

### 5.2 Audio-Video Material

Audio-video material will not be supplied individually but will be made available for you at the Study Centres. You can watch or listen to these programmes during counselling sessions. Students desirous of buying the audio-video tapes can procure them from the Marketing Unit, Electronic Media Production Centre, IGNOU, Maidan Garhi, New Delhi-110068.

### 5.3 Teleconferencing

To reach our students spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these at the Regional Centres and specified Study Centres of IGNOU. It is a one way video and two way audio facility. You will be sent a schedule with topics in advance of the sessions. You can put your problems and questions to these experts through telephone, fax and e-mail available at receiving centres free of cost for you. These will help you in resolving your queries related to courses and other general information pertaining to programmes of study.

### 5.4 Study Centre

To provide effective student support, IGNOU has set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place
of residence or work and a minimum number of students enrolled in the Study Centre for this programme. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice.

**Every Study Centre of IGNOU has:**

- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other supporting staff appointed on a part-time basis.
- Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

**A Study Centre will have six major functions:**

1) **Counselling:** Face-to-face counselling for the courses is provided at the Study Centres.

2) **Library:** For each course some of the books suggested under Some Useful Readings are available in the Study Centre Library. All audio and video tapes are also available in the library.

3) **Information and Advice:** At the Study Centre you get relevant information regarding the courses offered by the University, counselling schedules, examination schedule, etc. You will also get guidance in choosing your courses.

4) **Audio-video Facilities:** The Centres are equipped with audio-video facilities to help you make use of the audio and video cassettes prepared for different courses.

5) **Interaction with Fellow-Students:** At the Study Centres you get an opportunity to interact with fellow students. The evaluation consists of the term-end examination (weightage 70%) and assignments (30% weightage). The following is the scheme of awarding divisions and grades:

</tbody>
</table>

For successful completion of a course the student should score atleast 35% marks in the term-end examination individually.
To be eligible to appear in the term-end examination, you are required to fulfil the following conditions:

1. All the required assignments have been submitted within the due dates.
2. The fee has been fully paid.
3. You have opted and pursued the prescribed courses.
4. The examination form has been submitted in time (which is explained later).

Examination date sheet (schedule which indicates the date and time of examination for each course) is sent to all the study centres sufficiently in advance. The same is also notified through IGNOU Newsletter from time to time.

It is an essential pre-requisite for you to submit the Examination Form for taking examination in any course. Copies of the examination forms are available at Study Centres/Regional Centres/ SR&E Division at Headquarters. Only one form is to be submitted for all the courses in the Regional Centre itself.

Term End Examination

The University conducts Term-end Examinations twice a year in the month of June and December every year. Students will be permitted to appear in Term-end Examination subject to the condition that registration for the courses in which they wish to appear is valid or in other words the maximum time to pursue the programme has not elapsed and they have also submitted the required number of assignment(s) in those courses by the due date.

● Examination Fee

Examination fee of Rs. 60/- per course is required to be paid through Bank Draft in favour of IGNOU payable at Delhi. The examination forms are available at all the Study Centres and Regional Centres. Students can also submit on-line examination form as per guidelines through IGNOU website at www.ignou.ac.in Please write your correct enrolment number, programme code and name at the back of the Demand Draft / IPO drawn in favour of IGNOU, New Delhi towards payment of late fee and properly tag it to your examination form to avoid its misplacement.

The examination form received after the due date or without late fee, whenever applicable shall be rejected.

● Examination Centre

Normally the study centre is the examination centre. However, a student is required to fill the examination centre code in the examination form. You are advised to go through the list of study centers available in the Student Handbook and Prospectus/ Programme Guide. In case a student likes to take examination at a particular centre, the code of the chosen centre has to be tilled up as examination centre code. However, in case an examination centre chosen by a student is not activated, the university will allot another examination centre in the same Region.

To avoid discrepancies in filling up the examination form or to overcome other difficulties while appearing in the term-end examination, students are advised to:

1. remain in touch with the Study Centre/Regional Centre/SRE Division so as to enquire about any change in schedule of submission of examination form/fee etc., if any;
2. fill up the examination form for the next term-end examination without waiting for the result of the previous term-end examination and also specify courses, for which result is awaited;
3. retain proof of mailing/submission of examination form till the time of receiving the examination hall ticket.

**Issue of Examination Hall Ticket**

University issues Examination Hall Ticket to the students at least two weeks before the commencement of Term-end Examination. The hall ticket may also be downloaded from the University’s website [www.ignou.ac.in](http://www.ignou.ac.in). In case a student fails to receive the Examination Hall Ticket within one week before the commencement of the examination s/he can download the hall ticket from the website and approach the examination centre for appearing in the exam. He/she must also carry the University Identity Card.

**Early Declaration of Results**

Sometimes students are offered admission in other institutions and/or are selected for employment etc. and they are supposed to submit mark-sheet/grade card within a specified time period. Such students may apply for an early evaluation of their answer scripts and declaration of the result. For this purpose, the students are required to apply in the specified format available on the University’s website with a fee of Rs. 500/- per course through Bank Draft in favour of IGNOU, Delhi along with the attested photocopy of the offer of admission/employment etc. The students can submit their requests for early declaration of result before the commencement of the Term-end Examination i.e., before 15th June and 15th December respectively. In such a situation, the University will make arrangements for the processing of the answer scripts and declaration of the result (as a special case). The result will be declared in a period of about one month beginning from the date of examination.

**Re-Evaluation of Answer Script(s)**

The students who are not satisfied with the marks/grade secured by them in Term-end Examination may apply for re-evaluation within one month from the date of the declaration of result i.e. the date on which the result is made available on the University website on payment of Rs. 300/- per course in the prescribed application form available on the University website. The better of the two results i.e. original marks/grade and re-evaluated marks/grade will be considered and the revised marks/grades shall be incorporated in the student’s record. The revised grade card/marks-sheet will be sent to the students within one month from the receipt of application. Re-evaluation is not permissible for Projects, Practicals and Assignments.
Your study centre is normally your examination centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to: The Registrar (SR&E Division), Indira Gandhi National Open University, Madan Garhi, New Delhi 110068 at least one month before the commencement of the examination. The request received at the Headquarters thereafter, will not be entertained.

The Study Centre is the contact point for you. The University cannot send communication to all the students individually. All the important communication is normally sent to the Coordinators of the Study Centres and Regional Directors. The Coordinator would display a copy of such important circulars/notifications on the notice board of the Study Centre for the benefit of all the students. You are, therefore, advised to keep in touch with your Coordinator so that you get advance information about assignments, submission of examination forms, datesheet, list of students admitted to a particular examination, declaration of result etc.

While communicating with the University regarding examination, please clearly write your enrolment number and complete address. In the absence of such details, we will not be able to attend to your problem.

The University normally may require 3 to 4 months to intimate the result of a particular term-end examination. In the meantime, the dead line for submitting the examination form for reappearing in a particular course may expire. This is applicable only if one fails to get a passing grade. In such cases, it is advisable for you to submit an examination form without waiting for the result. Once you receive your results and if you find that you have passed in that course, you need not appear for that course again.

Assignments

You must have received a set of assignments for CFN for this year along with the set of print material” sent to you. In case you have not received it, please download the same from IGNOU website www.ignou.ac.in go to the Student Zone link under this link go to Download and the assignments.

You have to do one assignment for each course. All the assignments will be considered for evaluation. Thus, in the Certificate Programme you will have to work on three assignments for three courses. This means that you have to complete three assignments in all. All the assignments are ‘Tutor Marked Assignments’ (TMAs). This means that the questions will be of the long answer, medium answer and short answer types.

Are you wondering what we expect from you in these assignments?

Assignments constitute the continuous evaluation component of a course. They can be done in your home or work place or library or any other place you think has the right environment. You may consult suitable persons, books, or other sources for the completion of your assignments. An assignment, therefore, is not like writing an answer book in the examination hall. It is, however, equally important as marks are given to assignments after evaluation. As mentioned earlier, the assignments of a course in CFN carry 30 percent weightage. The marks that you get in your assignments will be counted in your final result. Therefore, you are advised to attempt your assignments seriously.

The main purpose of assignments is to test your understanding of the learning material you receive from the University. The information given in the printed course material is normally considered sufficient for answering the assignments. Please do not worry about the non-availability of extra
reading material for working on the assignments. However, if you have easy access to other books, you may use them. But the assignments are designed in such a way as to help you concentrate mainly on printed course material and your personal experience.

Some of the assignments are knowledge based and some are of applied nature. Assignments which are knowledge based will require you to write short answers. For answering applied type of assignments as in the case of Practical Activities, you should apply the knowledge you have gained by going through a Unit/Block/Course. **In either case, the answers should be your own. You must not reproduce text material as such or copy the information from other sources.** However, you can make use of the material and information you have at your disposal in an innovative way. You can pick up ideas from whatever sources you may have. However, plan and use them in your own words when you write the answers to the assignments.

The following guidelines have to be strictly practised when you work on the assignments:

- The answer should be precise and relevant to the question. Include appropriate examples where you can.

- Keep the word-limit of the answer in mind. A slight variation in length does not matter. But your answer should not be too short or too lengthy. Avoid discussing minor issues at great length. By setting a word-limit for some of the assignments we mean to convey that a reasonably adequate response can be presented within the suggested word-limit.

- The assignments you have attempted should be complete in all respects. Before submission you should ensure that you have answered all the questions in assignments. Incomplete responses will bring you poor marks.

- You must submit your assignments according to the schedule indicated in the assignments. The University/Coordinator of the Study Centre has the right to reject the assignments received after the due date. You are, therefore, advised to submit the assignments before the due date. In case you get the assignments and study material the assignment responses should be submitted within one month of the date of receipt of study material and assignment or within the due date given in this schedule whichever is later.

- For your own record, **retain a copy of all the answers to assignment which you submit to the Coordinator of your Study Centre.** If you do not get back the evaluated tutor marked assignments within a month of their submission, please try to get them from your study centre personally. This may help you to improve the answers to your future assignments.

- Maintain an account of all the corrected responses to assignments received by you after evaluation. This will help you to correspond with the University in case any problem arises in future.

- If you are unable to submit the assignments or are unable to score the minimum qualifying marks, you have to collect, attempt and submit the assignments meant for the next batch of students. The new assignments can be downloaded from IGNOU website.

In case you find that the score indicated in the assignment sheet of your assignments has not been correctly reflected in your grade card you are advised to contact the coordinator of your study centre with a request to forward correct authenticated award list to the Registrar (SR&E Division) IGNOU.
Once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre.

Do not enclose or express doubts for clarification, if any, along with the assignments. Send requests for seeking clarifications in a separate cover to:

Registrar (SR&E Division), IGNOU
Maidan Garhi, New Delhi - 110 068.

Always give your complete enrolment no., name, address, title of the course, and the number of the unit or the assignment, etc., on the top of your letter.

7. OTHER USEFUL INFORMATION

7.1 IGNOU Newsletter

The University publishes its newsletter three times in a year in English as well as in Hindi. It is mailed to the students free of cost. All the important information relevant to the students is published in the newsletter.

7.2 Reservation of Seats

The University provides reservation of seats for Scheduled Castes, Scheduled Tribes and Physically Handicapped students as per the Government of India rules.

7.3 Scholarship and Reimbursement of Fees

The University will award 3000 South Asia Foundation (SAF) - Madanjeet Singh scholarships for Postgraduate and vocational training programmes. Students from economically and socially disadvantaged backgrounds shall be selected for these scholarships on the basis of their past academic record and interview. The scholarship amount per student shall be equivalent to US$ 300 per annum. For more details about the scholarship visit www.ignou.ac.in and click on scroller ‘Special Announcement’.

Reserve categories viz., Scheduled Caste/Tribe and Physically Handicapped students have to pay the fees at the time of admission to the University along with other students.

Physically Handicapped learners admitted to IGNOU Programmes are eligible for Government of India scholarship. They are advised to collect the scholarship forms from the respective State Government Directorate of Social Welfare or Office of the Social Welfare Officer and submit the filled-in forms to them through the concerned Regional Director of IGNOU.

Similarly, SC/ST learners have to collect and subsequently submit their scholarship forms to the respective State’s Directorate of Social Welfare or Office of the Social Welfare Officer, through the concerned Regional Director of IGNOU for reimbursement of programme fee.

Scholarship scheme of National Centre for Promotion of Employment of Disabled People (NCPEDP) for Post Graduate level programmes is applicable to the students of this University also. Such students are advised to apply to awarding authority.

7.4 Change or Correction of Address

There is a printed card for the change/correction of address. This card is normally sent to you along with the study material. In case there is any correction or change in your address, you are directed to
make use of that printed card addressed to Regional Director, Regional Centre concerned who will send the same after verification of student’s records to Registrar, SR&E, IGNOU, Maidan Garhi, New Delhi-1 1068. You are advised not to write a letter to any other officer in the University in this regard. Normally it takes four to six weeks to effect the change. Therefore, you are advised to make your own arrangements to redirect the mail to the changed address during this period.

7.5 Change of Study Centre

For the purpose of change of Study Centre within the same region, you have to send a request to the Director of your Regional Centre. A copy of the same may be sent to Registrar, Student Registration and Evaluation Division, IGNOU, Maidan Garhi, New Delhi-110068 at the headquarters.

Counselling facilities for this programme may not be available at all the Centres. As such you are advised to make sure that counselling facilities are available for the programme you have chosen at the new Centre opted for. As far as possible the request for change of Study Centre is considered favourably. However, the allotment of a new Study Centre is subject to availability of seats for the programme at the new Centre asked for.

7.6 Change of Region

When you want transfer from one Region to another, you have to write to that effect to the Regional Director of the Regional Centre from where you seek a transfer making copies to the Regional Centre where you would like to be transferred and also to Registrar (SR&E), New Delhi. Further, you have to obtain a certificate from the Coordinator of the Study Centre from where you are seeking the transfer who will transfer all records to the Regional Centre where you seek transfer under intimation to you and Registrar (SR&E). The records are normally sent by Registered Post to guard against loss in postal transit. Until your Registration record is transferred, you will have to maintain your contact with the originally allotted Study Centre and Regional Centre.

7.7 Refund of Fee

Free once paid will not be refunded under any circumstances.
