ACADEMIC PROGRAMMES

The University offers programmes leading to Certificate, Diploma or Degree, covering conventional as well as innovative programmes. Most of these programmes have been developed after an initial survey of the demand for such studies. They are launched with a view to fulfil the student's needs for:

- Certification
- Improvement of skills
- Acquisition of professional qualifications
- Continuing education and professional development at work place
- Self-enrichment
- Diversification of knowledge, etc.

COURSE MATERIALS

Learning materials are prepared for the courses by teams of experts drawn from conventional universities; management institutions and professionals from all over the country and in-house faculty. These materials are edited by the content experts and language experts at IGNOU before they are finally sent to the press. Similarly audio and video programmes are produced in consultation with the course writers, in-house faculty and producers. These materials are previewed and reviewed by the faculty as well as outside experts and edited or modified wherever necessary before they are despatched to the Study Centres and Doordarshan.

CREDIT SYSTEM

The University follows the 'Credit System' for most of its programmes. Each credit amounts to 30 hours of study comprising of all learning activities. Thus, a six credit course involves 180 hours of study. All management courses are six credit courses except the project course. This helps the student to understand the academic effort one has to put in, in order to successfully complete a course. Completion of an academic programme (Degree, Diploma or Certificate) requires successful clearing of both, the assignments and the term-end examination of each course in a programme.

DELIVERY SYSTEMS

The methodology of instruction in this University is different from that of the conventional Universities. The Open University System is more learner-oriented and the student is an active participant in the teaching-learning process. Most of the instructions are imparted through distance rather than face-to-face communication. The University follows a multimedia approach for instruction. It comprises :

- Print Material :** The printed material of the programme is supplied to the students in batches of blocks for every course (on an average of 5 blocks per course). A block which comes in the form of a booklet generally comprises 3 to 5 units.
- Audio-Visual Material Aids :** The learning package contains audio and video cassettes which have been produced by the University for better clarification and enhancement of understanding of the course material given to the student. A video programme is normally of 25-30 minutes duration. The audio tapes are run and video cassettes are screened at the study centres during the hours of the counselling session. The video programmes in Management Studies are telecast on DD (National) every Friday at 6.30 a.m. Some of the selected stations of All India Radio also broadcast the audio programmes. Students can confirm the broadcast schedule for the programmes from their study centres. The information is also provided on the University website.
- Counselling Sessions :** Normally, counselling sessions are held as per a schedule drawn before hand by the Study Centre Coordinator. These are held on weekends, that is, Saturday and Sunday. There will be 6 counselling sessions of 2½ hours duration for each course in face-to-face mode. Additionally, the University conducts live phone-in-programmes through various stations of All India Radio. Schedule of these phone-in-programmes would be available at study centres. Live teleconferencing sessions are also conducted via satellite through interactive TV channel.

STUDENT SUPPORT SERVICES

IGNOU has established a number of study centres throughout the country. Study Centres provide counselling facilities at periodic intervals, act as information centres, and as examination centres. Currently about **151 study centres** provide counselling facilities for the MBA (Banking & Finance) Programme. Study Centres also have basic library of management books for reference purposes. Each student is assigned to a study centre where he/she also submits tutor-marked assignments to the study centre coordinator. EVALUATION

The evaluation system of the programme is based on two components:

a) Continuous evaluation in the form of periodic assignments

This component carries a *weightage of 30%*. There will be one assignment per course. Assignments are to be submitted to the Co-ordinator of the Study Centre to which the student is assigned or attached with, for evaluation.

b) Term-end examination with a weightage of 70%

Term-end exams will be held in the months of June and December, every year. The students are at liberty to appear in any of the examinations conducted by the University during the year. A student will be allowed to appear in the Term-End Examination, only after he/she has submitted all the assignments.

For appearing in the Examination, a student has to submit an Examination form before the due dates as given in **the schedule of operations**.

If a student misses any term-end examination of a course for any reason, he/she may appear for any of them or all the papers in the subsequent term-end examinations. This facility will be available until a student secures the minimum pass grade in the courses but up to a maximum period of four semesters since the date of registration of the course is valid for four semesters. Beyond this period he/she may continue for another four semesters by seeking Re-admission by paying the requisite fee again. In that case the score of qualified assignments and/or term-end examination will be retained and the student will be required to complete the left out requirements of such re-admitted courses.

The following components would comprise the term-end examination for each course:

- Analytical and conceptual comprehension through essay type questions.
- Cases or problem-solving exercises.

Letter grade system is used for grading continuous and term-end examination components. These letter grades are:

A = Excellent	B = Very Good	C = Good
D = Satisfactory	E = Unsatisfactory	

For successfully qualifying a course, a student will have to obtain at least 'D' Grade in both continuous and term-end examination. However, the overall average should be at least 'C' grade for the successful completion of a course.

Following is the system of converting the overall letter grades to percentage equivalents.

A = 80% and Above	B = 60% to 79.9%	
C = 50% to 59.9%	D = 40% to 49.9%	E = Below 40%

Modalities of submission of assignments and appearing in term-end examinations are given in Appendix 6.

MODALITIES OF SUBMISSION OF ASSIGNMENTS AND APPEARING IN TERM-END EXAMINATIONS

ASSIGNMENTS

Assignments constitute the continuous evaluation. The submission of assignments is compulsory. The grade that you get in your assignments will be counted in your final result. Assignments of a course carry 30% weightage while 70% weightage is given to the term-end examinations. Therefore, you are advised to take your assignments seriously. You will not be allowed to appear for the term-end examination for any course if you do not submit the specified number of assignments in time for that course.

The main purpose of assignment is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The information given in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have easy access to other books, you may make use of them. But the assignments are designed in such a way as to help you concentrate mainly on the printed course materials and exploit your personal experience.

Whenever you receive a set of material and assignment, check them immediately and ask for missing material, if any, from Material Production & Distribution Division, IGNOU, Maidan Garhi, New Delhi-110 068.

The assignment responses should be complete in all respects. For the tutor marked assignments, you have to submit your response sheets to the Coordinator of the Study Centre assigned to you. After evaluation these tutor marked assignments will be sent back to you with comments and grade.

The University/Co-ordinator of the Study Centre has the right not to entertain or even reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

Do not forget to get back from your Study Centre your duly evaluated assignments alongwith a copy of the assessment sheet containing comments of the evaluator on your performance. This may help you to improve future assignments and in preparing for term-end examination.

For your own record retain a copy of all assignment responses which you submit. If you do not get back your duly evaluated tutor marked assignments alongwith copy of assessment sheet containing comments of evaluator on your assignment within a month after submission, please try to get it personally from your Study Centre. This may help you to improve upon future assignments. Also maintain an account of all these corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

If you do not get pass grade in any assignment, you have to submit it again. For this, you have to ask for/obtain a fresh set of assignments for that course, applicable to that particular semester. However, once you get the pass grade in an assignment, **you cannot re-submit it for improvement of grade.** Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the coordinator of the Study Centre, so that the correct score is forwarded by him to the Student Registration & Evaluation Division at Headquarters.

In case you find that the score indicated in the assessment sheet of your assignments has not been correctly reflected or is not entered in your grade cards; you are advised to contact the coordinator of your Study Centre with a request to forward correct award list to the SR & E Division at the Headquarters.

Do not enclose or express doubt for clarification, if any, alongwith the assignment. Send your doubts in a separate cover. Give your complete enrolment number, name, address, title of the course and the number of the unit or the assignment, etc. on top of your letter. If you want to draw our attention to something of an urgent/important nature, write to us separately.

INSTRUCTIONS FOR ASSIGNMENTS

1. Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.
2. Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet.

Course Code and Assignment Code may be reproduced from the Assignment.

The top of the first page of your response sheet should look like this:

PROGRAMME TITLE	ENROLMENT NO.
COURSE CODE	NAME
COURSE TITLE	ADDRESS
ASSIGNMENT CODE	SIGNATURE
<i>(as printed on assignments)</i>	
STUDY CENTRE	DATE

3. Read the assignments carefully and follow the specific instructions, if any, given on the assignment itself about the subject matter or its presentation.
4. Go through the units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay type question, give adequate attention to introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise. While solving numericals, use proper format and give working notes wherever necessary.
5. Use only fool scap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margins at appropriate places.
6. Write the responses in your hand. Do not print or type the answers. Do not copy your answer from the units/ blocks sent to you by the University. If you copy, you will get zero marks for the respective question.
7. Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.
8. Write each assignment separately. All the assignments should not be written in continuity. Write the question number with each answer.
9. The completed assignment should be sent to the Coordinator of the Study Centre allotted to you. Under any circumstances do not send the response sheets to the SR & E Division at Headquarters for evaluation.
10. After submitting the assignment at the Study Centre get the acknowledgment from the coordinator on the prescribed assignment remittance-cum-acknowledgment card.
11. In case you have requested for a change of Study Centre, you should submit your assignments only to the original Study Centre until the change of Study Centre is notified by the University.
12. The Assignments can be obtained from the Study Centre/Regional Centre or may be downloaded from **IGNOU Website www.ignou.ac.in**.

TERM-END EXAMINATION

As stated earlier, term-end examination is another component of the evaluation system. Term-end examination carries 70% weightage in the final result.

The University conducts term-end examinations twice a year i.e., in June and in December. You can take the examination after the completion of the course.

In case you fail to get 'D' Grade in the Term-end Examination, you will be eligible to reappear in the next Term-end Examination for the course. In case you have secured Grade 'D' in an assignment and term-end examination of a course, but fail to secure overall qualifying grade 'C' you have an option either to re-do assignment for the course or re-appear in term-end examination.

To be eligible to appear at the term-end examination in any course, you are required to fulfil the following four conditions:

- 1. You should have paid the course fee. Also ensure that your registration of the course is valid.**
- 2. You should have opted and pursued the prescribed course.**
- 3. You should have submitted all the assignment for the respective course.**
- 4. You should have submitted the examination form in time (which is explained later).**

Examination date sheet (schedule which indicates the date and time of examination for each course) is sent to all the study centres approximately 5 months in advance. The same is also notified through IGNOU News Letter from time to time. Normally, the date sheet for June examinations are sent in the month of January and those for December examinations in the month of July. The date sheet is also available on the IGNOU website www.ignou.ac.in.

It is an essential pre-requisite for you to submit the Examination Form for taking examination in any course. Copies of the examination forms are available at Study Centers/Regional Centres/Evaluation Division at Headquarters. A copy is also enclosed here in this prospectus. You can take photocopy of this form and use it. Only one form is to be submitted for all the courses in one term-end examination.

After receiving the examination form from you, the University will send Intimation Slip to you before the commencement of examinations. If you do not receive the intimation slip 10 days before the commencement of examinations, you may contact your Regional Centre or SE Division at the Headquarters. If your name is registered for examinations in the list sent to the study centre, you can take the examination by showing your Identify Card (Student Card) to the examination centre superintendent, even if you have not received intimation slip or misplaced the intimation slip.

Your study centre is normally your examination centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to the Registrar, SE Division atleast one month before the commencement of examinations, against payment of prescribed fee.

Your enrolment number is your Roll Number for examinations. Be careful in writing it. Any mistake in writing the Roll Number will result in non-declaration of your result.

It is your duty to check whether you are registered for that course and whether you are eligible to appear for that examination or not. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

Although all efforts are made to declare the result in time, there will be no binding on the University to declare the results of the last examination before commencement of next examination. You are, therefore, advised to fill up the examination form without necessarily waiting for the result and get it cancelled at a later date if so required.

The students can apply in the prescribed form for re-evaluation of term-end examination script against payment of Rs. 500/- by means of demand draft drawn in favour of IGNOU, New Delhi within 45 days of the date of declaration of result. Requests received after 45 days from the date of declaration of result will not be entertained. Study Centre is the contact point for you. The University cannot send communications to all the students individually. All the important communications are sent to the coordinators of the study centres and Regional Directors. The coordinators would display a copy of such important circular/notification on the notice board of the study centre for the benefit of all the students. You are, therefore, advised to get in touch with your Coordinator for day-to-day information about assignments.

While communicating with the University regarding examination, clearly write your enrolment number and complete address. In the absence of such details, the University will not be able to attend to your problems.

Early Declaration of Result

The student can apply for early declaration of Term-End Examination result with a fee of ₹700/- per course. **The application for early declaration of result shall be entertained only if the student has been selected for any post or applied for further studies.** The student must compulsorily submit documentary evidence (proof) in support of the reason for early declaration of result to the concerned Evaluation Centre whose details are available on the University website.

Sub: Recognition of Degree Awarded By Open University

Sir/Madam

There are a number of Open University in the country offering various degrees/diploma through the mode of non-formal education. The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of section 22(I) of the UGC Act, 1956.

A circular was earlier issued vide UGC letter N.F.1-8/92(CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No. F.1-25/93(CPP-II) dated 28th July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by candidates between the two types of Universities so that the mobility of candidates from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of gazette Notification regarding specification of degrees issued vide No. 1-52/97(CPP-II) dated 31st January, 2004 is enclosed. The details are also given in UGC website: www.ugc.ac.in

May, I therefore request you to treat the Degrees/diploma/Certificates awarded by the Open universities in conformity with the UGC notification on specification of Degrees as equivalent to the corresponding awards of the traditional University in the country.

Yours faithfully
Sd/-
(Dr. (Mrs.) Pankaj Mittal)
Joint Secretary
