1. THE UNIVERSITY

Indira Gandhi National Open University was established in September, 1985 by an Act of Parliament, with a view to democratize education, so that it covers large segments of population, vocations and professions. The primary emphasis is on innovation, flexibility and cost-effectiveness. Thus, it is a University with a difference.

The major objectives of the University are:

- to promote the educational well-being of the community,
- to democratize higher education by providing easy access to all those who desire to improve their qualifications, skills and competence by taking education to the doorsteps of people living even in remote and rural areas,
- to disseminate learning and knowledge through an innovative multi-media teaching-learning system,
- to provide high quality education at all levels,
- to coordinate and determine the standards of Distance Education and Open University Systems throughout the country.

The salient features of this system of education are:

- study according to your own pace and convenience,
- study at your own chosen place,
- flexibility in choosing courses and combination of courses from a wide range of disciplines/subjects, and
- use of modern and appropriate educational and communication technology.

Student support services are provided by the University through a network of study centres scattered all over the country. Study Centres are the actual focal points to enable you to receive regular information and learning support. Each Study Centre provides you with library, audio and video facilities to further help you in the learning process. Senior and experienced academics are engaged in face-to-face counselling at study centres. The study centres are generally located in existing educational institutions and normally function on all holidays and Sundays and also in the evenings on working days. Each study centre is supervised by a Coordinator. Regional Centres have been set up in different parts of the country to coordinate the functioning of study centres.

2. THE SCHOOL OF CONTINUING EDUCATION

It is widely realized that in the active career of every individual, there is many-fold increase in knowledge, particularly in the professional and vocational spheres. This has forced a paradigm shift in the continuous professional and training needs and life long learning. To meet these emerging trends, the university established the School of Continuing Education. The School keeps in mind Sustainable Development with focus on the changing scenario of the country, amelioration of rural poverty or development of women and children. The School has addressed several areas of concern such as Rural Development, Women’s Empowerment, Nutrition and Dietetics, Child Development, Disability, HIV and Family Education, Youth in Development Work, Journalism and Mass Communication and Social Work.
3. WHY THIS PROGRAMME OF STUDY IN THE AREA OF DIETETICS?

The need for providing professional dietetics was first felt in India, somewhere around 1949. Realizing the need, a one year post-graduate Diploma in Dietetics and Public Health Nutrition (DDPHN) was introduced in many universities. At that time, the diploma along with a graduate degree (B.Sc. Home-Science) was taken as the eligibility criteria for the post of dieticians in hospitals. A candidate with this qualification was considered fully trained and competent to handle the Dietetic Department of any hospital. Subsequently, in the last decade or so, to meet the demands placed by modernization, industrialization and changes in the area of nutritional sciences and dietetics, a Master’s programme in Nutrition and Dietetics was introduced.

As we approach 2000 AD., there is tremendous demand for trained personnel in the field of hospital dietetics and community nutrition. Today, more and more people are becoming conscious about their body image and healthy living. Awakened interest in health and nutrition of children, adolescents and adults has led to the emergence of a number of health/nutrition clinics/programmes all over the country. Nutrition/Diet counselling forms a major component of such programmes/clinics. Dietetics has emerged as a dynamic health issue.

Hence, there was an urgent need for focused course design in open learning institutions in the area of Dietetics, catering to the needs of a large number of students – imparting knowledge, upgrading their knowledge skills and improving their professional qualifications.

The Master’s programme in the area of Dietetics and Food Service Management assumes importance in the context of the following:

- to provide access to high quality education to all those interested in dietetics and food service management;
- to avoid frustration due to under-employment or unemployment in a large section of young generation dieticians/food technicians;
- to open the channels of promotion for the present working dieticians (with DDPHN qualifications) which otherwise would almost be nil; and
- to enhance the professional qualifications of in-service dieticians, food technicians and others interested in nutrition/dietetics and food service management.

Further, there are a large number of people who have been interested in nutrition/Dietetics and their work may have nutritional implications. They may already have a professional knowledge of a part of the subject, but little or none of some of the other aspects. Such people may be doctors, para-medical personnel, food scientists and manufacturers, educationists and administrators. The Master’s programme will help them increase the range of their knowledge and broaden their view point. Conventional universities have little to offer to them.

4. SALIENT FEATURES OF M.Sc. (DFSM) PROGRAMME

The programme details are presented in this section.

4.1 What is so Unique About the M.Sc. (DFSM) Programme?

The Masters programme in Dietetics and Food Service Management offered by IGNOU is unique and innovative in many respects. The salient features of this programme are:
• Graduates or its equivalent from science, medical, health background can seek admission provided they have a basic degree (Diploma, Certificate) in the area of nutrition from IGNOU.

• Both male and female students can seek admission.

• Every student of M.Sc.(DFSM) is placed at a programme study centre close to his/her residence to attend both the theory and practical sessions.

• Student can study at his/her own pace and convenience over a period of 2 to 5 years.

• Student can study at his/her own chosen place.

• Indigenously prepared self-instructional print materials are provided to students.

• Print materials are supported with audio and video programmes.

• Multi-media programme package is available in English.

• Every student of M.Sc. (DFSM) shall be placed under the supervision of a professionally qualified dietician for the internship programme.

• Students can exit from the programme after one year having completed 30 credits of course work plus 16 credit internship with a Post Graduate Diploma in Dietetics and Public Nutrition (PGDDPN)

4.2 Who is this Programme Meant For?

The programme is targeted at:

• persons interested in becoming dieticians/diet counsellors/nutrition and health communicators

• individuals looking for expertise in nutrition and dietetics. These could be food scientists, technologists, technicians, food administrators, health practitioners (medical, para-medical personnel) etc.

• individuals, government and non-government organization functionaries who are involved in institution food administration and health/dietetic care in hospitals/clinics/community settings

• graduates or the equivalent from a variety of backgrounds for example, health care, pharmaceutical, food and drink industries, biochemistry, nutrition and dietetics

• government and NGO functionaries involved with community development programmes

• people interested in setting up their own food service units

• workers, supervisors, managers employed in food service units.

4.3 Who is Eligible for Admission to the M.Sc. (DFSM) Programme?

In keeping with the policy of ‘openness’ and ‘flexibility’, the admission to the M.Sc. (DFSM) course is open to all graduates from nutrition, science and health background, even if they have not studied nutrition at the graduate level. The eligibility criteria include:
Graduates with a B.Sc. (Home-Science) Degree with specialization in Foods and Nutrition and/or Dietetics and Clinical Nutrition.

OR

PG Diploma in Dietetics and Public Health Nutrition (DDPHN) or its equivalent can seek direct admission to the programme.

OR

Graduates with a B.Sc. Degree (or the equivalent i.e. MBBS, BHMS) from the following background: Home science/food science and technology, sciences, health care, medical, pharmaceutical, catering would require either the Diploma in Nutrition and Health Education Degree (DNHE) OR the Course “Nutrition for the Community” (CNCC) offered by IGNOU, to be eligible for admission to the M.Sc. (DFSM) programme.

With respect to learners who fulfil the 3rd criteria for admission given above, simultaneous admission to the Course “Nutrition for the Community” (CNCC) (offered by IGNOU) along with admission to the M.Sc. (DFSM) programme shall be granted.

There is no admission test for seeking admission.

4.4 What are the Programme Objectives?

The main objectives of the programme are to:

- provide comprehensive and essential practical guidance on all aspects of dietetics from the promotion of health to the management of diseases
- develop a knowledge base in key areas of nutrition/dietetics and food service management such as clinical nutrition and therapeutic diets, quantity cooking, institution food administration, public nutrition, nutrition epidemiology, biochemistry, food microbiology and physiology
- impart necessary expertise to enable learners to function as dieticians, diet counsellors and nutrition and health communicators
- provide practical, field level experience in institutional food administration and dietetics
- cater to the needs of persons employed in government and non-government institutions engaged in providing health/dietetic care and food service, and
- equip individuals to start their own food service unit, leading to entrepreneurship.

4.5 Medium of Instruction

The M.Sc. (DFSM) programme is available in English medium only. Printed course-material and assignments are sent to you in English medium. You have to submit the assignments and attempt the term-end examination in English language. Audio-video programmes and counselling may be provided in English and Hindi medium.

4.6 The Programme Structure

M.Sc. (DFSM) is a multimedia package which includes print material and audio-visual material. The programme is multidisciplinary in nature. It draws knowledge from disciplines such as biochemistry, physiology, microbiology, sociology, biostatistics, food science, management etc. In view of the above objectives and the nature of the programme, the courses so designed will help the learners:
– gain knowledge
– develop critical abilities
– offer scientific opinion on popular nutrition, dietetic and other related issues and controversies – acquire a basic grounding in research techniques
– train and develop as a diet counsellor and nutrition/health communicator
– develop as institution food administrator or food service managers, and
– develop entrepreneurship skills.

The duration of the M.Sc.(DFSM) programme is of two years, i.e., July to June of a calendar year. In IGNOU parlance, the study hours are measured in credit system. One credit is equivalent to 30 learning hours. To successfully complete the M.Sc. (DFSM) programme, you will have to earn 72 credits (equivalent to 1920 study hours) over a period of 2-5 years depending on your convenience. However, you will not be allowed to earn more than 30-32 credits in a year.

The pool of courses constituting the Master’s and the Post Graduate Diploma programme along with the credit weightage includes:

2nd year Course: MFN-004, MFNL-004, MFN-005, MFNL-005, MFN-007, MFNL-007, MFN-009, MFNP-011 and MFNP-012.

For PGDDPN Programme:

Course: MFN-001, MFN-002, MFN-003, MFN-004, MFN-005, MFNL-005, MFN-006, MFNL-006, MFN-007, MFNL-007 and MFNP-011.

4.7 The Programme Package

This programme package in distance education mode is developed with the help of available technology commonly known as multi-media package. The package for the M.Sc.(DFSM) programme consists of
print material in the form of course booklets/practical manuals and the audio video materials in the form of cassettes. Besides these, there is arrangement for teleconferences and contact sessions at programme study centres.

The print material consists of 10 theory booklets, 7 practical manuals, one programme guide and 10 assignments. You will receive the print materials in two instalments. The audio/video cassettes developed for the programme will be made available at programme study centres in due course of time.

Each course booklet consists of 12-18 chapters called units. Usually each course represents 4 to 6 credits (2-4 for theory plus 2 for practical). The practical manuals are meant for guidance for practical. The dissertation and internship are of 8 credits and 16 credits, respectively.

For PGDDPN

Please note, those students wanting to exit the M.Sc. (DFSM) programme after completing 30 credit of course work and 16 credit (3 months) of internship with a Post Graduate Diploma in Dietetics and Public Nutrition (PGDDPN) will have to apply in this regard to Registrar (SED) with an undertaking to this effect. Such students thereafter will not be permitted to continue the programme further to acquire M.Sc.(DFSM).

4.8 Know the Syllabi of Your Programme

The pools of courses which constitute the Master’s programme along with the Units included in each course include:

**Applied Physiology (MFN-001) – 4 Credits**

- Unit 1 : Introduction to Physiology
- Unit 2 : Cell and Blood
- Unit 3 : The Immune System
- Unit 4 : Cardiovascular System
- Unit 5 : Respiration
- Unit 6 : Physiology of Gastrointestinal System
- Unit 7 : Physiology of Renal System
- Unit 8 : Maintenance of Body Homeostasis
- Unit 9 : Nervous System
- Unit 10 : Special Senses
- Unit 11 : Physiology of the Endocrine System
- Unit 12 : The Reproductive System

**Nutritional Biochemistry (MFN-002) – 4 Credits**

- Unit 1 : Carbohydrates
- Unit 2 : Lipids and Proteins
- Unit 3 : Vitamins
- Unit 4 : Enzymes and Coenzymes
- Unit 5 : Digestion, absorption and transport of Carbohydrates, Lipid and Proteins
- Unit 6 : Carbohydrate Metabolism
- Unit 7 : Lipid Metabolism
- Unit 8 : Protein and Nucleic Acid Metabolism
- Unit 9 : Antioxidants
Unit 10 : Vitamins and Minerals
Unit 11 : Hormones
Unit 12 : Inborn Errors of Metabolism

5. **Fee Structure and Schedule of Payment**

Fee for the programme is to be paid year-wise. In the first year the fees is Rs. 13,500/- and in the second year it is Rs. 13,500/-. The fee should be paid in lump sum along with the filled in application form. In the 2nd year also the fees is to be paid as per schedule without waiting for any communication from the University. The schedule for payment of fee for the 2nd year is: during 1st February – 31st March along with prescribed registration form and draft. With a late fee of Rs. 200/- upto 20th April.

The programme fee should be paid only by means of demand draft drawn in favour of IGNOU and payable at the city where your regional centre is situated. To identify your Regional centre, please see the list attached with this programme guide. Please write your name (in Capitals) and programme Code and period for which fees is paid at the back of your demand draft to ensure proper credit to your fee account.

Timely payment of programme fee is the responsibility of the student. In case you fail to remit the fee as per above schedule you will have to wait for next cycle of admission after a year.
6. SCHEME OF STUDY

For convenience of study, the whole duration of theory and practical sessions are divided. The counselling schedule for theory shall be as under:

- For each 2 credit theory course (see the list of courses given above) 5-6 counselling sessions of 2 1/2 hour (two and a half hour) each,

- For 4 credit theory course 8 counselling sessions of 2 1/2 hour (two and a half hour) each, and

- For 6 credit theory course 8 counselling sessions of 2 1/2 hour (two and a half hour) each have been planned at the programme study centres.

For the practical (2 credit course) a total of 15 sessions have been scheduled. 14 sessions of 4 hour each should be organized for each 2 credit practical course (see the list of courses above). The practical shall be conducted over one week (7 working days) period consisting of two 4 hour sessions (total 14 sessions) each day for 7 days. The 15th Session is scheduled for the practical examination (6 hours).

You will be provided the schedule of counselling by your programme-in-charge/coordinator.

Duration of internship for three months, in the Dietetic Department of a recognized hospital/institution, for the award of M.Sc. (DFSM) degree is compulsory. The recognized institution may be from Delhi, Mumbai, Kolkata, Chennai, Chandigarh, Ludhiana, Hyderabad, Bangalore etc. A list of dietetic departments of recognized hospital/institution where the internship can be undertaken shall be provided to you by the programme coordinator.

The dissertation shall be carried out under the supervision of the counsellor/guide appointed to each learner by the programme incharge/coordinator at the respective programme study centre. The dissertation (thesis) shall be submitted to the University for Evaluation. Students will have to appear for a viva-voce to defend their thesis and on successful completion of the course the M.Sc. (DFSM) degree shall be awarded.

6.1 Despatch of Study Material

For M.Sc. (DFSM) programme, all the study material will be despatched in one lot. The despatch will be made within 6-8 weeks of the last date of admission. Along with the study material you will also receive Programme Guide and Assignments. If anything is missing please ask for it. If you do not get material in time write to Concerned Regional Director of IGNOU.

6.2 Registration in 2nd Year

After the 1st year, whether you pass/attempt the first year examination or not, you can seek admission for the 2nd year by submitting the programme registration form with requisite programme fee within the re-registration schedule as notified by the University. At present, 2nd year registration is to be done between 1st Feb to 31st March with late fee of Rs.200/- registration can be done upto 20th April.

Note: Even if the university does not send any communication for re-registration in 2nd year, you are advised to make use of the Registration form printed in the programme guide to seek registration.

6.3 Decide Your Time Schedule

The University offers a lot of flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. As indicated earlier, you can finish this programme in two years if you clear 64 credits. If you are not able to complete it within this period, you
can take a maximum of five years to complete it. It would be better if you plan it in a systematic way. For two years you will receive study materials and assignments according to scheme of study but it is up to you to decide which courses you will complete in a particular year. Completion of a course would involve studying the course, completing the assignments, undertaking the practical sessions and appearing in theory and practical term-end examination. If you are busy elsewhere and not able to fully devote yourself to the programme you should fix your targets every year. If you feel that instead of 32 credits you would do only 24 or 16 credits plan it from the beginning of the year, study only these courses do the assignments, attend the practical sessions for them and appear for term end exam. Carry over the rest to next year. Again next year, decide your goals for that year. Whenever you decide to do the previous year’s course, ask for fresh assignments in the beginning of the year, submit them according to the schedule and appear in the term end examination. Through a proper planning you can finish this programme according to your convenience.

7. INSTRUCTION SYSTEM

The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented, and the student is an active participant in the teaching-learning process. Most of the instruction is imparted through distance rather than face-to-face communication.

- The University follows a multi-media approach for instruction. It comprises:
  - Self-instructional print material
  - Audio and video-cassettes
  - Audio-video programmes transmitted through Doordarshan and Radio
  - Teleconferencing
  - Face-to-face counselling at Programme Study Centres by academic counsellors
  - Gyan Darshan Channel
  - Assignments
  - Practicals

7.1 Print Material

Print material is the primary form of instructional material, although there will be a few audio-videoprogrammes and counselling sessions. Therefore, you have to concentrate mainly on the printed materials that we sent you periodically. The printed material would be sufficient to write assignment responses and prepare for the term-end examinations.

How to use Print Material

The print material prepared by the University is self-instructional in nature. Each Course consists of a number of Units (lessons). Normally, all the Units covered in one course have a thematic unity. The first page of each Course booklet indicates the contents of the course i.e., the number and titles of the Units covered in that course. This is followed by a brief introduction to the Course. This Course introduction explains the total coverage of the course as a whole, as well as, the coverage of each Unit in that course.

Each Unit is structured to facilitate self study for you. The section on Objectives briefly states what we expect you to attain when you have completed the Unit. In Introduction, there is an attempt to forge a link with the topics of the previous Units and the topic to be covered in the present Unit. This is followed by the main body of the Unit, which is divided into various sections and subsections. In the main body there are a few self-check exercises under the caption Check Your Progress Exercise. Enough space is
given for you to write your answers to the questions set in the self-check exercises. Answers to these exercises are given in the section Answers to Check Your Progress Exercises at the end of the Unit.

The Section Let Us Sum Up summarizes what has been said in the whole Unit. This summary enables you to recall the main points concerned in the Unit. To facilitate comprehension, important words/terms covered in the Unit are explained in the section Glossary. Some books for additional reading are suggested in the section Suggested Readings. For your reference purpose, some of these books may be available in the study centre. Please note, the Check Your Progress Exercises are for your practice only, and you should not submit answers to these questions to the University for assessment.

Read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units mark the words that you do not fully understand. Look for the meaning of such words under the section Glossary or in a dictionary. Read the Unit again and again until you have understood the point. You may also try to find it in earlier Units as it may be explained there. However, if you still do not understand something, consult your Counsellor during the face-to-face sessions at the Programme Study Centre for clarification.

Try to answer ‘Check Your Progress’ questions. These exercises will help you to reinforce the information/knowledge you gain through your first reading of the text. Proper comprehension of the units and the points/notes made by you while reading through the Units would help you in answering the Check Your Progress Exercises given in the Units. Once you have written the answer in the blank space provided for each question, you can compare your answers with the answers given in the section ‘Answers to Check Your Progress Exercises’.

7.2 Audio-Video Material

In addition to the print material, audio and video tapes have been prepared for each course. The audio-video material is supplementary to the printed material. Hence, we advise you to make use of it, as that will help you to understand the subject better. Video programmes are transmitted by Doordarshan every Monday, Wednesday and Friday from 6.30 to 7.00 in the morning. The Schedule of transmission is communicated to you through the IGNOU Newsletter.

Audio programmes are broadcast in some select states also through Radio Stations. Information about these would be available at your Regional Centre.

The telecast schedule for transmission of programmes through Gyan Darshan is communicated through a monthly booklet. Audio-Video material will not be supplied individually but will be made available to you at the Programme Study Centres. You can watch these programmes during counselling sessions. Students desirous of buying the audio-video tapes can procure them directly from: Director, Electronic Media Production Centre, IGNOU, Maidan Garhi, New Delhi – 110 068.

A Course-wise list of audio-video programmes shall be given to you subsequently.

7.3 Interactive Radio Counselling

The University has started interactive counselling through AIR network all over India. You can participate in it by turning in to your area Radio Station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by respective Radio Stations. This counselling is available on every Sunday between 4 and 5 in the evening.

Under the Gyan Vani FM Radio initiative IGNOU has also set up a network of stations. The GV channels offer a mix of programmes aimed at higher education, continuing and distance education, in the area of health, nutrition, science and technology, women empowerment among others.
7.4 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel of India called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes for 24 hours every day. Apart from programmes of IGNOU it will have educational programmes produced by various national education institutions. You should try to get access to it through your cable operator. The schedule of programmes with time and date is sent to all study centres one month in advance. Please obtain it from there.

7.5 Teleconferencing

To reach our students spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these at the Regional Centres and specified Study Centres of IGNOU. It is a one way video and two way audio facility. You will be sent a schedule with topics in advance through your programme study centres. The faculty at Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to programmes of study.

7.6 Counselling

In distance education, face-to-face contact between the learners and their tutors/counsellors is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow students. There are experienced academic counsellors at the Programme Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. Note an attendance of 60 per cent is compulsory for the theory counselling sessions. Theory counselling, may be very useful in certain respects such as: to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues, and get clarifications for many doubts which you would not otherwise try to raise, and consult academic counsellors for selecting courses of study. The practical counselling sessions are all compulsory.

Face-to-face counselling will be provided to you at the Programme Study Centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic, as well as, personal) which you face while studying for this programme. In these sessions you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video cassettes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling session, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. Also try to understand each other’s points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your counsellors.

The details regarding the counselling sessions for the M.Sc. (DFSM) programme is already presented in Section 6 above. For Internship and Dissertation work, details are given in the Internship and Dissertation Journal/Manual.

7.7 Programme Study Centres (PSC)

To provide effective student support, we have set up and are still in the process of setting up a number of Programme Study Centres all over the country. A list of PSC is provided at Page 32. You will be allotted
one of these Programme Study Centres taking into consideration your place of residence or work. However, each Programme Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The list of Programme Study Centres in your region can be obtained from the Regional Directors. The particulars regarding the Programme Study Centre to which you are assigned will be communicated to you.

Every Programme Study Centre will have:

- A Coordinator who will coordinate different activities at the Centre.
- Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Programme Study Centre will have six major functions:

1) **Counselling**: Face-to-face counselling for the courses will be provided at the Study Centres. The detailed programme of the counselling sessions will be sent to you by the Coordinator of your Study Centre.

2) **Evaluation of Assignments**: Tutor Marked Assignments (TMA) will be evaluated by the Counsellor appointed for different courses at the Study centre. These assignments will be returned to you with tutor comments and marks obtained. These comments will help you in your studies.

3) **Library**: For each course some of the books suggested under ‘Suggested readings’ will be available in the Study Centre Library. All audio and video tapes are also available in the Library.

4) **Information and Advice**: At the Study Centre you get relevant information regarding the courses offered by the University, counselling schedules, examination schedule, etc. You will also get guidance in choosing the institutions where you will undertake the internship course.

5) **Audio-Video Facilities**: The Centres are equipped with audio-video facilities to help you make use of the audio and video cassettes prepared for different courses. Media notes of these audio-video programmes will also be available at the Study Centre. This will help you to know the contents of each programme.

6) **Interaction with Fellow-Students**: In the Study Centre you get an opportunity to interact with fellow-students.

*Please bring all your Units and your folder of corrected assignment with you when you come to the counselling session.*

---

**8. HOW WILL YOU BE EVALUATED?**

In IGNOU each course is considered as an independent unit. The evaluation for the M.Sc. (DFSM) covers the following aspects:

a) Continuous evaluation through assignments (Tutor Marked Assignments) (TMAs).

b) Term-end examinations

c) Practical Component (Internal Assessment and Term-end Exam)

d) Dissertation and Internship.

Evaluation, therefore, will be made both concurrent (internal-assessment through assignments) and at the end (end-assessment through the term end examination). Theory and practical component will be evaluated separately. In theory, the weightage of the internal assessment will be 30% and that of the end-assessment
will be 70%. For practical, the weightage of the internal assessment will be 40% and that of the end-assessment will be 60%. Students will be declared successful in theory and practical only if he/she scores 40% marks in aggregate combining the internal and term-end assessment. He/she should obtain at least 40% marks separately in concurrent and term end evaluation of each paper.

Depending on the percentage of marks secured by a candidate, the divisions will be awarded as follows:

<table>
<thead>
<tr>
<th>Division</th>

### 8.1 Internal Assessment of Theory Component (Assignments)

In IGNOU, the internal assessment for theory is carried out through assignments.

For the M.Sc. (DFSM) programme, you will have to do a total of 10 assignments. Thus for each course, depending on the credit weightage, you will have to work up one assignments and score at least 40% marks to pass the paper (assignment component). If one fails to secure 40% marks, he/she will have to repeat the assignment. The last date for submission will be mentioned against each assignment.

For PGDDPN a total of 7 assignments will be provided.

**Assignments – Instructions**

Assignments constitute the continuous evaluation. The submission is compulsory. The marks that you get in your assignments will be counted in your final result. Assignments of a course carry 30% weightage while 70% weightage is given to the term-end examinations. Therefore, you are advised to take your assignments seriously. A simple omission on your part may cause loss to you and inconvenience at all levels in the University.

You have to complete the assignment within the due dates specified in the assignments booklets or within one month of the date of receipt of assignments whichever is later. You will not be allowed to appear for the term-end examination for any course if you do not submit the specified number of assignments in time for that course. If you appear in term-end examination, without submitting the assignments the results of term-end examination would be liable to be cancelled.

The main purpose of assignment is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/ counsellors after correcting the assignments send them back to you with their comments and marks. The comments guide you in your study and help in improving it. The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have easy access to other books, you may make use of them. The assignments are designed in such a way to help you concentrate mainly on the printed course materials and exploit your personal experience.

Whenever you receive a set of material and assignment, check them immediately. You can download the assignments also from the site on IGNOU website www.ignou.ac.in.

The assignment responses should be complete in all respects. Before submission you should ensure that you have answered all the questions in all assignments. Incomplete answer sheets bring you poor grades.
The University/Coordinator of the programme study centre has the right to reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of assessment sheet containing comments of evaluator on your assignment, within a month after submission, please try to get it personally from your study centre. This may help you to improve upon future assignments. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

If you do not get pass grade in any assignment, you have to submit it again. To get fresh assignments go to the site www.ignou.ac.in. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the coordinator of the study centre, so that the correct score is forwarded by him to the Student Evaluation Division at Headquarters. Score communicated by the study centre through any mode other than the award list will not be acceptable to the University for taking your score of assignments on your record.

In case you find that the score indicated in the assignment sheet of your tutor marked assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the coordinator of your programme study centre with a request to forward correct award list to the SE Division at the Headquarters.

Do not enclose or express doubts for clarification, if any, about study material or assignment along with the assignment. Send your doubts in a separate cover to Programme Coordinator, M.Sc. (DFSM) Programme, School of Continuing Education, IGNOU, Maidan Garhi, New Delhi-110068. Give your complete enrolment number, name, address, title of the course, and the number of the Unit or the assignment, etc. on top of your letter.

8.2 Term-end Theory Examination

As stated earlier, term-end examination is the major component of the evaluation system and it carries 70% weightage in the final result.

The University conducts Term-end Examinations twice a year in the month of June and December every year. In the first year you can take the examination for all courses in June of subsequent year failing which you can take the same in December of subsequent year within the total span of the programme. Similarly, in the case of second year courses, you can take the examination in June of the subsequent year. Whenever you are repeating examination you can appear either in June and December.

Students will be permitted to appear in Term-end Examination subject to the condition that registration for the courses in which they wish to appear is valid or in other words the maximum time to pursue the programme has not elapsed and they have also submitted the required number of assignment(s) in those courses by the due date.

- Examination Fee

It is an essential pre-requisite for you to submit the Examination Form for taking examination in any course. Examination fee of Rs. 60/- per course is required to be paid through Bank Draft in favour of IGNOU payable at Delhi. The examination forms are available at all the Study Centres and Regional Centres. Students can also submit on-line examination form as per guidelines through IGNOU website at www.ignou.ac.in. A sample copy is also printed here in this Programme Guide (refer to Appendix VII).
Please write your correct enrolment number, programme code and name at the back of the Demand Draft / IPO drawn in favour of IGNOU, New Delhi towards payment of late fee and properly tag it to your examination form to avoid its misplacement.

The examination form received after the due date or without late fee, whenever applicable shall be rejected.

- Examination Centre

Normally the study centre is the examination centre. However, a student is required to fill the examination centre code in the examination form. You are advised to go through the list of study centers available in the Student Handbook and Prospectus/ Programme Guide. In case a student likes to take examination at a particular centre, the code of the chosen centre has to be filled up as examination centre code. However, in case an examination centre chosen by a student is not activated, the university will allot another examination centre in the same Region.

To avoid discrepancies in filling up the examination form or to overcome other difficulties while appearing in the term-end examination, students are advised to:

1) remain in touch with the Study Centre/Regional Centre/SE Division so as to enquire about any change in schedule of submission of examination form/fee etc., if any;

2) fill up the examination form for the next term-end examination without waiting for the result of the previous term-end examination and also specify courses, for which result is awaited;

3) retain proof of mailing/submission of examination form till the time of receiving the examination hall ticket.

- Issue of Examination Hall Ticket

University issues Examination Hall Ticket to the students atleast two weeks before the commencement of Term-end Examination. The hall ticket may also be downloaded from the University’s website www.ignou.ac.in. In case a student fails to receive the Examination Hall Ticket within one week before the commencement of the examination s/he can download the hall ticket from the website and approach the examination centre for appearing in the exam. He/she must also carry the University Identity Card.

- Early Declaration of Results

Sometimes students are offered admission in other institutions and/or are selected for employment etc. and they are supposed to submit mark-sheet/grade card within a specified time period. Such students may apply for an early evaluation of their answer scripts and declaration of the result. For this purpose, the
students are required to apply in the specified format available on the University website with a fee of Rs. 700/- per course through Bank Draft in favour of IGNOU, Delhi along with the attested photocopy of the offer of admission/employment etc. The students can submit their requests for early declaration of result before the commencement of the Term-end Examination i.e., before 1st June and 1st December respectively. In such a situation, the University will make arrangements for the processing of the answer scripts and declaration of the result (as a special case). The result will be declared in a period of about one month beginning from the date of examination.

- Re-Evaluation of Answer Script(s)

The students who are not satisfied with the marks/grade secured by them in Term-end Examination may apply for re-evaluation within one month from the date of the declaration of result i.e. the date on which the result is made available on the University website on payment of Rs. 500/- per course in the prescribed application form available on the University website. The better of the two results i.e. original marks/grade and re-evaluated marks/grade will be considered and the revised marks/grades shall be incorporated in the student’s record. The revised grade card/marks-sheet will be sent to the students within one month from the receipt of application. Re-evaluation is not permissible for Projects, Practicals and Assignments.

8.3 Practical Component (Internal Assessment and Term-end Examination)

A) Internal Assessment of Practical Component

Unlike the theory component, the practical will have 40% weightage from internal assessment. The internal assessment of the practical will be done by the counsellors located at the PSC. There are no formal question papers to assess the component; however, the counsellor will make a subjective assessment of your understanding and performance by the end of the respective spell.

The marks on internal assessment will be given by the PSC counsellors in a Proforma provided for each practical course. This proforma will be handed over by the respective PSC counsellor to the programme-in-charge as soon as you complete all the practicals under them.

Passing in internal assessment of the practical is a prerequisite for appearing in the term-end examination. A student will have to secure at least 40% marks in Practical Assessment to be declared as pass in internal assessment component. If the student fails to secure pass marks, he/she will have to repeat all the practical activities of related paper.

B) Term-end Practical Examination

For term-end practical examination, there will be one internal and one external examiner. The internal examiner will be from the same programme study centre and the external examiner may be from IGNOU or from other academic institution (in the area of nutrition/dietetics/food science and technology) in the city. The examiners will be decided by SED in consultation with the school.

The examination pattern will be uniform in the whole country. You will be given experiments/exercises to do and there will be a viva voce.

You will appear in the term-end examination of practical component at your Programme Study Centre. For making you eligible for appearing in the examination, you will have to complete the practical sessions (14 session of 4 hours each) scheduled for the course. Your programme coordinator will inform you about the schedule of your examination of practical component.

You could appear for the practical term-end examination in all or any one of the course offered in that year. For appearing in the practical term-end examination, you should fulfil the following requisites:
 Attend all the practical sessions at the PSC (related to the courses you want to appear) and complete all the activities. The completion certificate signed by respective counsellors is to be submitted as proof.

 Have secured at least 40% marks in the practical internal assessment.

8.4 Dissertation and Internship

The dissertation shall be carried out under the supervision of the counsellor/guide appointed to each learner by the programme incharge/coordinator at the respective programme study centre. After completing the dissertation (thesis), the report is to be submitted to the University for Evaluation. Students will have to appear for a viva-voce to defend their thesis and on successful completion of the course the M.Sc. (DFSM) degree shall be awarded.

Duration of internship for three months, in the Dietetic Department of a recognized hospital/institution, for the award of M.Sc. (DFSM) degree is compulsory (except in case of credit transfer cases). The internship report will be prepared and submitted by the learner for evaluation at IGNOU. For PGDDPN internship for three months is compulsory.

9. OTHER USEFUL INFORMATION

IGNOU Newsletter

The University publishes newsletter two times in a year in English, as well as, in Hindi. It is mailed to the students free of cost. All the important information relevant to the students is published in the newsletter.

Reservation of Seats

The University provides reservation of seats for scheduled castes, scheduled tribes, other backward classes, wards of defence personnel who lost their lives or were seriously injured and physically handicapped students as per the Government of India rules.

Scholarships and Reimbursement of Fees

Reserve categories viz., scheduled caste/scheduled tribe, other backward classes and physically handicapped students, have to pay the fees at the time of admission to the University along with other students.

Physically Handicapped students admitted to IGNOU are eligible for Government of India scholarships. They are advised to collect the scholarship forms from the Directorate of Social Welfare or Office of the Social Welfare Officer of the concerned State Government and submit the filled-in forms to them through the concerned Regional Director of IGNOU.

Provisional Certificate

On request from the student a provisional certificate will be issued on completion of 32/64 credits courses prescribed and opted by the student in the Ist/IIInd year, respectively. For provisional certificate you have to write to the Registrar, SE Division, IGNOU, New Delhi – 110 068, in prescribed form as contained in this Programme Guide (Look at Appendix V).

Change or Correction of Address

There is a printed card for the change/correction of address. This card is normally sent to you along with the study material a copy of the same is given in this programme guide (Appendix I). In case there is any correction or change in your address, you are directed to make use of that printed card addressed to Registrar, SRD, IGNOU, Maidan Garhi, New Delhi – 110 068. You are advised not to write letter to any other officer in the University in this regard. Normally, it takes four to six weeks to effect the change.
Therefore, you are advised to make your own arrangements to redirect the mail to the changed address during this period.

**Change of Programme Study Centre**

The candidates are required to opt only such study centres which are activated for the programme. As far as possible the University will allot the study centre opted by the candidate. However, the University may change the study centre at its convenience without concurrence of the student at any time.

For the purpose of change of Study Centre you have to send request to the Director of your Regional Centre. A copy of the same may be sent to Student Registration and Evaluation Division at the headquarters.

Counselling facilities for a programme may not be available at all the Centres. As such you are advised to make sure that counselling facilities are available for the programme you have chosen, at the new Centre opted for. As far as possible the request for change of Study Centre is considered favourably. However, the allotment of new Programme Study Centre is subject to availability of seats for the programme at the new Centre asked for.

**Course Registration (II year)**

You have to submit the Registration form, for 2nd year only at your respective Regional Centre and however, else, if any student sends the Registration/Re-registration Forms/Examination Forms at wrong places and thereby misses the scheduled date and consequently a semester/year, he/she will have no claim on the University for regularization. A copy of the M.Sc. (DFSM) registration form for the 2nd year is enclosed in Appendix XI.

**Change of Regional Centre**

When you want transfer from one Region to another Region, you have to write to that effect to the Regional Centre from where you seek a transfer marking copies to the Regional Centre where you would like to be transferred to and also to Registrar (SRD), New Delhi. Further, you have to obtain a certificate from the Coordinator of the Programme Study Centre from where you are seeking transfer regarding the number of assignments submitted. The Regional Director from where you are seeking the transfer will transfer all records to the Regional Centre where you seek transfer under intimation to you and Registrar (SRD). The records are normally sent by Registered Post to guard against loss in the postal transit.

**Issue of Duplicate Grade Card/Mark Sheet**

A duplicate Grade Card is issued after a request is made on the prescribed form along with a draft of Rs.150/- to be paid in favour of IGNOU, New Delhi. The form for the purpose is given in this Programme Guide (Appendix IX).

**Re-admission**

If you are not able to complete the programme in a maximum of 5 years, University has made a special provision of readmission. The form and the guidelines are available in this Progamme Guide (Appendix XVII). Kindly fill and submit it as per instructions.

**Simultaneous Registration**

A student is permitted to register for only one programme in the given academic session. You are, therefore, advised to seek admission to only one programme in the given academic session. Violation of this rule attracts cancellation of admission to all the programmes and forfeiture of the programme fees.

However, for the benefit of learners, who fulfil the 3rd criteria for admission given above in Section 4, (i.e. graduates from science, medical, health background (from non-nutrition stream)), **simultaneous admission to the Certificate Programme in Foods and Nutrition (CFN)/Certificate Programme in Nutrition**
and Child Care (CNCC) (offered by IGNOU) along with admission to the M.Sc. (DFSM) programme shall be granted.

Refund of Fees

Fee once paid will not be refunded under any circumstances. Programme fee may, however, be refunded if admission is not offered by IGNOU for any reason.

Migration Certificate

For Migration Certificate, requisition may be sent to the Regional Director along with the following documents:

1) Application (can be obtained from the Head Office or photocopy of the one given in programme guide (Appendix X) could be used.)
2) Attested copy of the mark sheet.
3) Fee of Rs. 300/- in the form of demand draft drawn in favour of IGNOU payable at the city where Regional Centre is located.

Credit Transfer Scheme

University allows credit transfer in the M.Sc. (DFSM) Programme on the request of students who are *in-service dieticians* (with a degree in Post Graduate Diploma in Dietetics and Public Health Nutrition) and from candidates who have successfully completed a *3 (three) month internship programme as part of the Post Graduate Degree in Dietetics and Public Health Nutrition* from a recognized institution/University in the last five years.

Candidates can seek transfer for the Internship (MFNP-011) Course for a maximum of 8 credit. Those students who are granted credit transfer are not required to do the internship programme. The credit earned by the student (in the Internship Programme) as part of the Post Graduate Degree in Dietetics and Public Health Nutrition will be transferred to the M.Sc. (DFSM) Programme. Credit transfer is also applicable for candidates who have completed some courses under the Post Graduate Diploma Programme in Dietetics from IGNOU.

Students seeking credit transfer should apply in the prescribed form (Appendix III) directly to the Registrar (SRD), IGNOU, Maidan Garhi, New Delhi-110 068 enclosing a Demand Draft for Rs.200/- drawn in favour of IGNOU and payable at New Delhi. *Attested copies of Marks Sheet and syllabus of the Post Graduate Diploma in Dietetics and Public Health Nutrition Course*, should also be enclosed along with the application. In-service dietitians must also enclose the employment certificate.

This process will take a minimum period of three months from the date of receipt of such requests with all the relevant documents by the above concerned officer.

Samples of various forms currently used in the University are provided in this Programme Guide. Whenever you need any of these please take a photocopy, fill it and send it to us.

Disputes on Admission and other University Matters

The place of jurisdiction for filling of a Suit, if necessary will be only at New Delhi/Delhi.

3) a) Discuss the process of management and how it affects the planning of a food service unit.  

   b) Briefly describe the various factors which have influenced the development of food service establishments.

4) a) “Menu is one essential, critical focal point of all activities in a food service establishment.” Justify the statement, giving appropriate examples.  

   b) Briefly elaborate on the methods of purchase you will adopt for purchasing raw food materials for a hospital dietetic kitchen.
5) a) With the help of a flow chart illustrate the typical activities of a food service establishment. Enumerate the record needed in each of these operations, illustrating with an example. 4+8
   b) What is meant by production control in a food service operation? Briefly discuss the important tool of production control, highlighting its importance. 8

6) a) What is a food processing continuum? Classify the food service systems based on the food processing’ continuum. 10
   b) Enumerate the skins and responsibilities required by a dietitian and/or a food service manager for making the organization successful. 10

7) a) What processes would you adopt for selection and recruitment of a manager in your catering establishment? 10
   b) What are the components of a job design? Discuss. 10

8) Write short notes on any four of the following: 5+5+5+5
   i) Application of the growth phases of bacteria to the food industry
   ii) Temperature guide for food safety
   iii) Types of equipment used in food establishments
   iv) Laws enacted for the benefit of employees and employers in a food service unit
   v) Staff scheduling
1. (a) Give one example for each of the following:
   (i) Monosaccharide
   (ii) Components of starches
   (iii) Saturated fatty acids
   (iv) Dryer types for liquid and solid food
   (v) Vocabulary used to describe flavour of food

(b) Define the following
   (i) Reducing sugar
   (ii) Isoelectric point
   (iii) Tyndall Effect
   (iv) Winnowing
   (v) Concentration

2. (a) What do you understand by food science and food technology?
   (i) What are sugars? Briefly describe the role played by sugars in the appearance of food.

3. (a) “Lipid oxidation is the major cause of food spoilage.” Justify the statement, graphically presenting the lipid autoxidation process.
   (b) Differentiate between protein concentrates, isolates and hydrolysates, highlighting their application in the food industry.

4. (a) “Analysis of enzymes in foods provides useful information regarding the condition of food”. Comment on the statement, giving justifications in favour of the statement.
   (b) How does a solution differ from a colloidal system? Present the classification of colloidal system, with suitable examples.

5. (a) Present a brief review on the quality attributes of foods and their significance.
   (b) Discuss briefly, the various alterations occurring in fruits and vegetables, during processing.

6. (a) Indicate the significance of the 12 D process used in the canning food industry.
   (b) What are fermented foods? Discuss the indigenous fermented foods and the micro-organisms involved in the preparation of these foods.
7. Write short notes on any four of the following:

(i) Sensory evaluation of food products
(ii) Primary processing techniques
(iii) Functional foods and their significance
(iv) Seed gums and their food applications
(v) Food spoilage and its causes
1) a) Differentiate between the following sets of terms:
   i) Alpha error and Beta error
   ii) Ordinal and Nominal scale
   iii) Systematic and Random error
   iv) Discrete and Continuous variable
   v) Single and Double blind study

b) Give one example for each of the following:
   i) Components of epidemiology Stages of research process
   iii) Forms of hypothesis
   iv) Experimental designs
   v) Non-probability sampling
   vi) Characteristics of a good research tool
   vii) Research tools in Biostatistics
   viii) Representation of frequency distribution
   ix) Measure of uncertainty
   x) Limits/levels of confidence interval

2) Iron deficiency anaemia is a major public health problem in our country. The Government is interested in designing a study to demonstrate/study the role/efficacy of supplementation and nutrition/health education as strategies to combat this problem.

Plan a research study to be conducted by you in your region, covering the following aspects:

i) Statement of problem

ii) Formulation of Hypothesis and Objectives

iii) Research Design (to include sample design, operational, observational and statistical design)

iv) Sample size determination

v) Interpretation of data

3) a) Describe the various types of descriptive studies which can be conducted at the population and individual level.
b) Differentiate between observational and experimental study designs, highlighting their advantages and limitations.  

4) a) What do you understand by the terms “Level of significance” and “Power”? Comment on their significance in research.  

b) Explain the concept of normal probability distribution.  

c) Given herewith is the data related to the weight of two groups of subjects:

<table>
<thead>
<tr>
<th>S. No.</th>
<th>Weight (kg)</th>
<th>Children</th>
<th>Adolescents</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>7.5</td>
<td></td>
<td>35.5</td>
</tr>
<tr>
<td>2</td>
<td>6.5</td>
<td></td>
<td>55.0</td>
</tr>
<tr>
<td>3</td>
<td>5.5</td>
<td></td>
<td>45.0</td>
</tr>
<tr>
<td>4</td>
<td>8.0</td>
<td></td>
<td>42.0</td>
</tr>
<tr>
<td>5</td>
<td>6.0</td>
<td></td>
<td>56.5</td>
</tr>
</tbody>
</table>

Find out which group shows greater variance.  

5) a) Consider the following situations:

i) A researcher randomly selected 2 states. Within the states she selected 3–4 districts and then from these districts, a sample of anganwadis were selected for the study.

ii) To study the incidence of anaemia by nutritional status, a researcher first categorized the subjects according to nutritional status (i.e. normal, mild, moderate, severely malnourished) and then drew independent random sample of 20 subjects from each nutritional status category.

iii) To study the prevalence of obesity among children in secondary schools in an urban area, a researcher just made a list of the schools, based on proximity to his/her home. Then out of the 1000 children, he/she decided to study 150 subjects, by selecting every kth. child.

A) Indicate the method of sampling adopted by the researcher in each of the situations above.  

B) Highlight the advantages/limitations of each method.  

b) Differentiate between the following tools, giving examples:

i) Structured and Unstructured interview

ii) Closed and Open-ended questionnaire

iii) Participant and Non-participant observation  

6) a) In a study of Systolic Blood Pressure (SBP) in children of hypertensive and nonnal fathers, the following data was obtained:

<table>
<thead>
<tr>
<th></th>
<th>Hypertensive</th>
<th>Normotensive</th>
</tr>
</thead>
<tbody>
<tr>
<td>Father</td>
<td>(n = 5)</td>
<td>(n = 10)</td>
</tr>
<tr>
<td></td>
<td>107</td>
<td>104</td>
</tr>
</tbody>
</table>

Systolic Blood Pressure of children with

**Hypertensive Father**

**Normotensive Father**
Test whether the mean SBP in children of hypertensive fathers is significantly higher than those in normotensive fathers at p = 0.05.

b) What are the different ways in which you can represent your nominal and ordinal data? Explain, giving examples.

7) a) In a study to estimate the risk of smoking to coronary heart disease, a group of researchers found 863 smokers within 2000 coronary heart disease patients and 1563 smokers among 5000 healthy people.

i) What kind of epidemiological study is this? Explain its characteristics.

ii) Construct a 2 x 2 table and calculate the odds ratio.

b) A researcher is interested to find out if there is a gender difference in nutritional status (weight for age) among pre-school children. For this, she selected a random sample of 200 (120 boys and 80 girls) pre-school children. Data related to weight for age suggested that 28 girls have normal weight for age, and 52 were underweight. Among boys 68 were normal and 52 underweight. Help the researcher by analysing the data at a = 0.05 level of significance.

8) Write short notes on any four of the following:

i) Measures of relationship

ii) Measures of relative positions

iii) Degree of Freedom

iv) Indicators of morbidity

v) Issues in the design and conduct of clinical trials.
1. (a) Define the following terms (in two to three sentences each)  
(i) Application Software  
(ii) Windows Applications — Paint and Character Map  
(iii) Format Painter of MS-Word  
(iv) Clip Art of MS-Powerpoint  
(v) Autofill feature of MS-Excel  
(b) State whether True or False, and correct the false statements  
(i) Outlook Express is a software package used to create spreadsheets.  
(ii) The shortcut to save a document in MS-Word is CTRL + S.  
(iii) AutoCorrect corrects the grammatical mistakes in a WORD document.  
(iv) Ergonomics refers to the study of work and its environment in order to improve efficiency.  
(v) Scan disk is a system tool which will delete all the unused and unwanted files on the hard disk.

2. (a) Mention at least five differences between the text interface (command driven) and Graphical User Interface (GUI). Give two examples for each of them.  
(b) List and explain the functionality of any five tools that are available on the WORD toolbar.

3. (a) Write a step-by-step procedure to create and insert data in a table of 3 rows and 5 columns in MS-Word. Explain with the help of an example.  
(b) How can you do the following activities using MS-Powerpoint? 
(i) Include some clip-art on a slide  
(ii) Set slide transition timings  
(iii) Add video in the presentation  
(iv) Print the handouts of the presentation  
(v) Insert a new slide in a presentation

4. (a) How can you provide security/protection at Workbook level and at Worksheet level in MS-EXCEL? Explain the steps involved for each.  
(b) Describe briefly the usage of the following system tools:  
(i) Disk defragmenter  
(ii) Disk cleanup  
(iii) System restore  
(iv) Scan disk

5. (a) “Using computers for extended period of time can cause visual discomfort, headache and vision challenges.” Justify the statement by giving the symptoms and the common causes leading to these symptoms.  
(b) Explain the role of CHARTS in MS-EXCEL. Mention the process of creating a column chart with the help of an example.

6. Write short notes on any four of the following:  
(i) Backup tool of WINDOWS  
(ii) Types of views in MS-WORD  
(iii) Adding various shapes in a presentation using MS-POWERPOINT  
(iv) EXCEL functions  
(v) Preventing virus problems

### Student Satisfaction Survey

**Kind Attention: All Past and Present Students of IGNOU!**

**Now you rank our Performance...**

Dear Student,

As the largest distance education institution in the world, we have always endeavoured to imbibe values and skills for the development of knowledge and competencies. And it is our belief that you as the former or present student are the best person to judge how far we have succeeded in our efforts. To gain your invaluable impression, we present here a short questionnaire. All you have to do is fill it and mail it back to us. You can also fill this questionnaire online by logging on to [www.ignou.ac.in](http://www.ignou.ac.in). Your invaluable inputs shall guide us towards a direction where we shall improve our services and evolve more student-friendly study programmes.

Vice-Chancellor, IGNOU.
