Dear Learner,

Welcome to the academic programme – Master of Arts (Urban Studies). IGNOU offers educational programmes through open and distance learning (ODL) mode. It is quite likely that you are getting this first ever experience as a distance learner. We, as distance teachers are in fact physically at a distance from you. But as far as the teaching-learning activity is concerned we are very close to you and always with you in the form of our material and through other student support services. To start with, read this ‘Programme Guide’ thoroughly, keep it handy and refer it as and when you get any doubt about progressing further in this programme. By following this Programme Guide you will not only feel comfortable but also be able to manage your programme related activities very easily.

In course of your journey, you will notice that IGNOU is a university with a difference. Unlike conventional universities/institutions where teaching and learning take place mostly through face-to-face mode, IGNOU adopts a multi-media approach to facilitate teaching-learning activities. You will find that the printed self-learning material is the master medium of our instruction. It is supplemented with audio and video programmes, teleconferencing and interactive radio counseling sessions. Further, you will also benefit from the face-to-face mode of interaction during counselling sessions organised at the Study Centre. Besides these, the assignments submitted by you will be evaluated and you will receive feedback from the evaluators. Thus, you will realise that there are multiple modes which provide diverse opportunities for your interaction as well as facilitate your smooth progress through the programme.

Master of Arts (Urban Studies) programme would provide you comprehensive exposure to theoretical and project aspects, processes, issues, activities etc., of urban planning and development. The programme will equip you with necessary knowledge, understanding, skills, attitudes and competencies that will help you build your capacity in urban planning and development activities.

The information presented in this Programme Guide, will help you in organising and systematising your study in respect of various components and stages of the programme. This Programme Guide provides you important information about the programme as a whole, viz., its objectives, structure, mode of delivery, programme schedule, counselling sessions, assignments, practical work, evaluation, etc. It is expected that you will preserve this Programme Guide till you complete the programme as this Guide will help you clarify your doubts at different stages during the course of your academic journey through this programme.

Master of Arts (Urban Studies)

ABOUT THE PROGRAMME

Introduction

Master of Arts (Urban Studies) is an innovative programme offered through ODL mode utilizing multiple media such as self-instructional print materials, information and communication technologies and personal contact sessions. Master of Arts (Urban Studies) programme is located in and launched by the School of Extension and Development Studies (SOEDS) in IGNOU. The programme aims at promoting professional development and capacity building in the area of Urban Development. It is meant for any graduate and others with higher qualification who is presently employed or not i.e. it is for both in-service and pre-service persons.

Globally it is projected that two-third of mankind will live in the urban areas by 2025. India is 2nd largest urban system in the world with more than 30 percent of urban population. It is expected that by 2025, half of the India's population will be urbane. The excessive urbanization has created manifold problems such as transportation, poverty, unemployment, unauthorized housing colonies, slums and squatter settlements. One of the estimation shows that at least 33 percent of the Indian urban population lives in slums with related implications to development. Thus, urbanization will be a problem before the urban planners and policy makers in the years to come. Therefore, proper planning and management of urban development programmes hold the key for the planners and policy makers today. The criticality of the urban problems has not been properly understood due to less emphasis on urban development issues in the academic curriculum at the graduation and post-graduation levels. Therefore, PGDUPDL will be useful for the people involved in the urban development programmes and also to the graduates who wish to pursue urban development as a career.

INSTRUCTIONAL SYSTEM

The instructional system of IGNOU is more learner-oriented and learner-centred. In this system, the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance modes of communication rather than face-to-face modes of communication. The University follows a multi-media approach for instruction. So, the instructional system of Master of Arts (Urban Studies) also follows multi-media approach i.e. self-instructional print material, audio-video programmes, assignments, face-to-face counselling sessions / contact sessions, optional project work, teleconferencing and interactive radio counselling, among others.

Self-instructional Print Material

The print material is written in self-instructional style. It is in the form of blocks (booklets) specially prepared for theory courses and project work of the programme. Each course has a specific code number assigned to it. They are supplied to each learner along with a set of assignment questions. The learner has to complete the required assignments related to each course. Each course may have 4-5 blocks and each block may have 3-5 units. The printed material for project work is available in the form one booklet with all guidelines.

Audio-video Programmes

The learning package also contains audio-video programmes which are produced by the University for clarification, supplementing and enhancement of understanding of the course material given to the student. These programmes are normally of 25-30 minutes duration. These are used at the Study Centres during counselling sessions which are duly scheduled and notified by the Programme In-charge/Co-ordinator of Study Centre for the benefit of the students. The video programmes are also telecast on *Gyan Darshan*, National Network and enrichment channel of Doordarshan. Similarly, the audio programmes when produced are also broadcast by *Gyan Vani* and selected stations of All India Radio. Learners can contact Study Centres for further information.

Assignments

Assignments are an integral and compulsory component of the instructional system. There is one tutor-marked assignment for each theory course. Students will have to work on these assignments. Each student should submit the assignment responses to the Coordinator/Programme In-charge of the Study Centre in accordance with the given assignments' submission schedule. **Students can download the assignments from IGNOU website (www.ignou.ac.in) at student's zone or at SOEDS webpage.**

Counselling Sessions

Up to six counselling sessions per course are held at the Study Centres as per the schedule drawn and notified by the Coordinator/Programme In-charge of the concerned Centre. They are mostly held on weekends (i.e. Saturdays and Sundays) as per the convenience of the host institution where the Study Centre is located. However, if the number of students for the programme at a programme study centre falls below 10 (ten), then the counselling and support services may be handled by a Distance Learning Facilitator or the programme coordinator or the faculty of the School concerned or through an appropriate alternative arrangement.

Teleconferencing

Teleconferencing sessions are conducted via satellite through interactive *Gyan Darshan* Channel from the University studios as per the schedule made available to the Regional and Programme Study Centres. Teleconferencing is an effective means of interaction between the learners, experts and others concerned with the programme. It provides an interesting opportunity to the students to interact with the faculty members at the headquarters, and other experts/eminent scholars in the field. The learners will have to go to the nearest reception centre at the scheduled time for taking the benefit of this facility.

Interactive Radio Counselling

Interactive Radio Counselling is a recent concept in distance learning in India. Live counselling is provided on radio by invited experts for an hour from different radio stations in the country. Students can ask questions right from their homes through telephone by availing the facility of toll free telephone number 1600112345 provided for this purpose from selected cities.

Project Work

The project work MEDSP-045 and theory course 'MEDSE- 046 are elective courses. Students can opt either of these as an elective course to fulfil the requirements of the Master of Arts (Urban Studies) in the first year. The handbook on Project Work provides self-orientation and self-training to the students for doing the project work. **All the project proposals are to be submitted to the School directly at the following address**

Thus, there is flexibility that enables you to cope up with any such difficulty in completing it in the subsequent session(s), but within the maximum period of three years. However, we advise you to complete it within the minimum duration of the programme.

6.0 EVALUATION

Theory Courses: For theory courses, evaluation comprises three aspects:

- a) Self-evaluation check your progress exercises (non-credit) within each unit of study material.
- b) Continuous evaluation in the form of compulsory one assignment for each course with a weightage of 30%.
- c) Term-End Examination for each course with a weightage of 70%.

In order to successfully complete a theory course, the student must obtain at least '40%' in the assignment and '40%' in the Term-End Examination (TEE) separately in each course.

Project Work (Elective): The evaluation report of Project Work will carry 100% weightage. In order to successfully complete the project work, the student must obtain at least '40%'.

The grading system depending on the percentage of marks secured by the candidates in TEE and evaluation report for Project Work will be as follows.

Letter Grade	Qualitative Level	Grade Points	Average Grade Point Range	Percentage Equivalent
A	Excellent	5	4.50 & above	80% and above
B	Very Good	4	3.50 to 4.49	60% to 79.9%
C	Good	3	2.50 to 3.49	50% to 59.9%
D	Satisfactory	2	1.50 to 2.49	40% to 49.9%
E	Unsatisfactory	1	1.49 & below	Below 40%

7.0 ASSIGNMENTS

The purpose of asking you to work on the assignments is to provide you an opportunity of articulating your assimilated knowledge and understanding into written form and also to test your capacity of transferring the theoretical learning from the courses to practical situations. Thus, the assignments practically enhance your understanding as well as skills of articulation and expression in writing. There is one assignment for each theory course. The answers to assignment questions are to be based on your own judgement and experiences as a student. You should not reproduce the text materials or copy the information from other sources. However, you may use the course material and any other sources of information you have for ready reference. But, the answer should be in your own words and should reflect your own ideas. Please note that your assignment responses carry 30% weightage towards the final evaluation of each theory course. If you do not complete the assignments according to time schedule of assignments of the relevant academic session, then you have to attempt the assignment questions of the next session and submit the assignment responses according to the schedule of that session. You have to send the assignment-responses to the Study Centre you are attached to as per schedule. The instructions given in the assignments should be kept in mind while you prepare and submit the assignment responses.

8.0 TERM-END EXAMINATION (TEE)

The TEE is another component of the evaluation system with 70% weightage for each theory course. The University conducts term-end examination (TEE) twice a year i.e. in June and in December of every year. **Please see the details of operational schedule given under section 5 to appear for TEE under each cycle.** In case you fail to get a pass score (less than 40%) in the TEE, you will be eligible to re-appear in the next TEE for that course, till the final span of the programme i. e. prior to completion by you of the maximum duration of three years from the date of your admission / registration to the programme.

Examination date-sheets (schedule which indicate the date and time of examination for each course) are sent to all the study centres and the same is also notified through the IGNOU website.

It is a pre-requisite to submit the Examination Form with a fee of Rs.60/- (revised from time to time) per course in the form of demand draft drawn in favour of IGNOU and payable at New Delhi or at the city where the concerned Regional Centre to which you are submitting your form is

located. Copy of the examination form is given in Annexure-IV). They are also available at Study Centres, Regional Centres, and Student Evaluation Division at the Headquarters at New Delhi. The form can also be downloaded from IGNOU website: www.ignou.ac.in. Only one form is to be submitted for all the courses you are appearing in TEE.

- Normally your Study Centre is the Examination Centre. In case you wish to take examination at a particular centre, the code of your chosen centre is to be filled up as Examination Centre Code. However, if Examination Centre chosen by you is not activated, you will be allotted to any other Examination Centre under the same Region.
