Master’s Degree in Social Work: Counselling (MSW-C)

School of Social Work
Indira Gandhi National Open University
New Delhi
Printed material is our backbone. Our study material is prepared by teams of experts keeping in view the interest of the learner group. Each Course has a Course Development Committee headed by the Vice-Chancellor and other distinguished academics and professionals involved in the course preparation. The course material is written in such a manner that the students can study it by themselves with a little assistance from our Counsellors at the Study Centres. Further, text books and reference books are available in the libraries attached to the Study Centres and Regional Centres. Therefore, students will have no need for any cheap or condensed guides for following courses of IGNOU. In fact these may harm them. Hence, the University strongly advised the students not to take recourse to such type of guides.

Please keep this Programme Guide safely till you complete the Programme. You will need to consult it throughout the duration of the Programme.

IMPORTANT INFORMATION

“The University sends study materials and assignments, wherever prescribed, to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.”

“In case a student wants to have assignments, he/she can obtain a copy of the same from the Study Centre or Regional Centre or may download it from the IGNOU website - www.ignou.ac.in”

“The students are specifically instructed to send Examination Forms to concerned Regional Centres only and to no other place and they are also advised to submit the Registration/Re-registration Forms only at the respective Regional Centres and nowhere else. If any student sends the Registration/Re-registration Forms, Examination Forms at wrong places and thereby misses the scheduled date and consequently a semester/year, he/she will have no claim on the University for regularization.”

“The policy of reservation for the OBCs/SCs & STs under the CEI Act is applicable to all programmes/courses of study at the undergraduate, graduate, postgraduate levels, etc. except courses or programmes at high levels of specialization inlcuding at the post-doctoral level within any branch of study which the Central Government in consultation with the appropriate statutory authority (UGC/BCI/MCI/AICTE/etc.) may specify” (As per clause 3 III of the OM No.1-1/ 2005-UIA/847 dated 20th April 2008).

4.2 Associate Studentship

The University has a scheme of ‘Associate Studentship’ which provides for a candidate who fulfils the minimum eligibility requirements for the programme under which the course(s) is/are offered, to register for only one course or a limited number of courses, subject to a minimum of 8 credits and maximum of 32 credits. An Associate Student is attached to a Study Centre for counselling, assignment evaluation library facility, etc. Application form for Associate Studentship is available in the Common Prospectus. A fee of Rs. 700/- per 8 credit course, or part there of plus Rs.100/- as registration fee is charged for admission to course(s) under BA, B.Com, B.Sc., BSW and BTS programmes. For the rest of the programmes the fee will be charged on pro-rata basis, i.e. by dividing the programme fee by the number of courses in the programme, plus Rs.100/- as registration fee.

The minimum and maximum period allowed to Associate students for completion of their course(s) would be **six months** and **two years**, respectively. There will be no separate counselling or lab work schedule.
for the associate students. They will have to be in touch with the Study Center concerned in order to know the schedule and participate in the sessions accordingly. Minimum period of six months would be allowed, if the courses opted by the students are up to 16 credits. If the option exceeds 16 credits, the minimum period would be one year.

Associate students would be permitted to seek admission in any of the admission cycles and to opt the courses that are on offer either in January or July cycle. However, no counselling and/or lab/practicals would be conducted separately for the Associate Students. In such a case the students would be allowed to avail the counselling/practical session in the next semester and accordingly the minimum duration would be extended to another six months. However, the maximum duration of two years would remain unchanged.

If an Associate student opts for more than 16 credits worth of courses in either of the admission cycles, he/she is not entitled to seek admission in the next cycle unless the prescribed minimum duration is completed, except in the courses of Certificate Programmes.

Associate Students are not eligible to seek admission to the courses under the Programmes where the number of seats are limited and/or the admission is done through Entrance Test.

**Change of course is not permitted under the Associate Studentship scheme**

Similarly re-admission facility is not extended to associate students. Separate Enrolment Number i.e. ‘AS .......... ’ would be allotted to such students. The filled-in forms of ‘Associate Studentship’ are to be sent to the Regional Director concerned. Forms received by any other Office than the Regional Centre concerned would be summarily rejected.

Students of MSW are urged to opt for Associate Studentship Scheme of IGNOU as explained above. One of the important and useful courses would be MSW-006: Social Work research. This course may be taken along with any of the suggested of 4 credit courses which will be of great help to those intending to go for research leading to M.Phil./Ph.D in Social Work.

### 5.1 How to Decide Your Time Schedule?

The University offers a lot of flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. As indicated earlier you can complete this programme in 2 years if you clear 36 credits of courses every year. If you are not able to complete it within this period you can take a maximum of 5 years to complete it. It would be better if you plan it in a systematic way. For two years you will receive study material and assignments according to your options but it is up to you to decide which courses you will complete in a particular year. Completion of a course would involve studying the course, completing the assignments and appearing in term end examination. If you are busy elsewhere and not able to fully devote yourself to the programme, you should fix your targets every year. If you feel that instead of 36 credits you would do only 24 or 16 credits plan it from the beginning of the year, study only these courses, do the assignments for them and appear for term end examination in these courses. Carry over the rest to next year. Again next year, decide your goals for that year. **Whenever you decided to do the previous year’s course ask for fresh assignments in the month of November/December from Registrar, Material Production and Distribution Division at the Headquarters in the prescribed**
forms printed in this programme guide, and submit them according to the schedule and appear in the term end examination. The lastest version of the assignment can be downloaded from the ignou website. By a proper planning every year, you can complete this programme according to your convenience. As mentioned earlier, completion of field work practicum of previous year is mandatory for starting field work practicum for the second year. However, you can appear for term end examination of second year.

6. FEE STRUCTURE AND SCHEDULE OF PAYMENT

MSW Programme Fee (includes registration fee of Rs. 100/-) is Rs. 15,000/- each in the first and second year. The University will keep changing the fee from time to time and one will have to find out the details from the Study Centre/Regional Centre. Programme fee is to be paid in lump sum at the time of registration along with the filled in application form. You have to pay programme fee two times i.e., 1st year and 2nd year as per the schedule without waiting for any communication from the university. For the first year you have already paid the fee at the time of admission. For second year, concerned Regional Directors will send you Course Registration Form along with proper guidelines in the month of July. If you do not get the form, you may contact your Regional Centre before 30th September. Copies of the forms for registration in 2nd year are printed in this programme guide. You can take photocopies and use them when needed.

The programme fee should be paid only by means of demand draft drawn in favour of IGNOU and payable at the city where your Regional Centre is situated. Please write your name (in capitals) and programme code and period for which fee is paid at the back of your demand draft to ensure proper credit to your fee account. Admission and Re-registration forms along with the draft are to be submitted at Regional Centres and NOT at headquarter.

Timely payment of programme fees is your responsibility. You are expected to remit fee as early as possible without waiting for the last date. Late payments will not be entertained. In case you fail to remit the fee as per above schedule you will have to wait for next cycle of admission after a year. Non-payment of fee results in discontinuation of the despatch of study material. Such students will not be permitted to write the examinations and their admission may be cancelled. In case any student willfully appears in an examination without proper registration for a course, disciplinary action shall be taken against him/her as per rules of the University. Fee once paid is not refundable.

7. MEDIUM OF INSTRUCTION

The Master's Degree in Social work : Counselling is offered by the university through the medium of English only. Printed course material and assignments are sent to you in the medium of English. Similarly, you have to submit the assignments and attempt the term-end examinations in same languages. Audio-Video programmes and counselling are also provided through the medium mentioned above.

8. INSTRUCTIONAL SYSTEM

The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented, and the student is an active participant in the teaching-learning process. Most of the instructions are imparted through distance rather than face-to-face communication.

The University follows a multi-media approach for instruction. It comprises:

- self-instructional print material
- audio and video programmes
- audio-video programmes transmitted through Doordarshan/Gyan Darshan and Radio/IGNOU FM channels
- interactive radio counselling (IRC)
- teleconferencing in gyan darshan channel
- face-to-face counselling at Study Centres by academic counsellors
- assignments
- practicals

8.1 Print Material

Print material is the primary form of instructional material, although there will be a few audio-video programmes and counselling sessions. Therefore, you have to concentrate mainly on the printed materials that we send you periodically. The printed material would be sufficient to write assignment responses and prepare for the term end examinations.

How to use Print Material

The print material prepared by the University is self instructional in nature. Each course has been divided into a number of Blocks, generally 6 to 8 Blocks for 10 credit course and 4 or 5 Blocks for a 4 and 6 credit course. Each Block consists of a number of Units (lessons). Normally, all the Units covered in one Block have a thematic unity. The first page of each Block indicates the contents of each Block i.e., the number and titles of the Units covered in that Block. This is followed by a brief introduction to the Block. This Block introduction explains the total coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured to facilitate self study for you. The section on Objectives briefly states what we expect you to attain when you have completed the Unit. In Introduction, there is an attempt to forge a link with the topics of the previous Units and the topic to be covered in the present Unit. This is followed by the main body of the Unit, which is divided into various sections and subsections: In the main body there are a few self-check exercises under the caption Check Your Progress. Enough space is given for you to write your answers to the questions set in the self-check exercises.

The section Let Us Sum Up summarises what has been said in the whole Unit. This summary enables you to recall the main points covered in the Unit. To facilitate comprehension, important words/terms covered in the Unit are explained in the section Key Words. Some books for additional reading are suggested in the section Some Useful Books. For your reference purpose some of these books may be available in the study centre. Check Your Progress Exercises are for, your practice only, and you should not submit answers to these questions to the University for assessment.

Read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units mark the words that you do not fully understand. Look for the meaning of such words under the section Key Words or in a dictionary. Read the Unit again and again until you have understood the point. You may also try to find it in earlier Units as it may be explained there. However, if you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

Try to answer ‘Check Your Progress’ questions. These exercises will help you to reinforce the information/knowledge you gain through your first reading of the text. Proper comprehension of the units and the points/notes made by you while reading through the Units would help you in answering the Check Your Progress Exercises given in the Units.
8.2 Audio-Video Material

In addition to the print material, video tapes have been prepared for most of the courses. The audio-video material is supplementary to the printed material. Hence, we advise you to make use of it, as that will help you to understand the subject better. The students can take all information regarding Doordarshan programme through sending emails: gyandarshan@ignou.ac.in, gyanvani@ignou.ac.in. All the programme details can be taken out from IGNOU website i.e. www.ignou.ac.in. The information will also be available at your regional and study centres. The schedule of transmission is communicated to you through the IGNOU Newsletter.

Audio programmes are broadcast in some select states through All India Radio stations as well as Gyan Vani FM Stations. Information about these would be available at your Regional Centre.

The telecast schedule for transmission of programmes through Gyan Darshan is communicated from the Electronic Media Production Centre (EMPC). Audio-video material will not be supplied individually but will be made available to you at the Study Centres. You can watch these programmes during counselling sessions. Students desirous of buying the audio-video tapes can procure them from: Director, Electronic Media Production Centre, IGNOU, Maiden Garhi, New Delhi-110 068.

8.3 Interactive Radio Counselling

The University has started interactive counselling through AIR and Gyan Vani network all over India. You can participate in it by tuning in to your area Radio station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by respective Radio Stations. This counselling is available on every Sunday between 4 and 6 p.m. and on Tuesday 5 and 6 p.m.

8.4 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel of India called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes for 24 hours every day. Apart from programmes of IGNOU it will have educational programmes produced by various national education institutions. You should try to get access to it through your cable operator. The schedule of programmes with time and date is sent to all study centers one month in advance. Please obtain it from there.

8.5 Teleconferencing

To reach our students spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these at the regional centres and specified study centres of IGNOU. It is a one way video and two way audio facility. You will be sent a schedule with topics in advance through your study centres. The faculty at Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to programmes of study.

8.6 Counselling

In distance education, face-to-face contact between the learners and their tutors/counsellors is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow students. There are experienced academic counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session attending, the counselling sessions are not compulsory. However, they may be very useful in certain respects such as: to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues, and get clarifications for many doubts which you would not otherwise try to raise, and consult academic counsellors for selecting courses of study.
Face-to-face counselling will be provided to you at the study centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for this programme. In these sessions you must look into the subject based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video programmes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling sessions, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. Also try to understand each other’s points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your counsellors.

Generally there will be 12 hours counselling session for a 4 credit course. For Field Work guidance, details are given in the Field Work Journal. Block 1 of MSWL - 046.

8.7 Social Work Practicum (Field Work)

As mentioned earlier successful completion of Field Work Practicum (MSWL-046 and MSWL-047) in the first year is a necessary condition to take up field work practicum (MSWL-048 and MSWL-049) in the 2nd year. Details are given in the Field Work Journal for 1st and 2nd year respectively. Field Work Journal provides space for writing reports of various activities such as:

<table>

For field work (Social Work Practicum) each student is to be guided by a professionally qualified supervisor having MSW or M.A. in Social Work. The Study Centre Coordinator will provide you a supervisor who has the required qualification. If you do not get one, please contact the programme coordinator.

It is mandatory to be supervised under the guidance of qualified professional social worker.

8.8 Study Centres

To provide effective student support, we have set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you by the Regional Centre.

Every Study Centre will have:

- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other supporting staff appointed on a part-time basis.
- Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Study Centre will have six major functions:

1) **Counselling:** Face-to-face counselling for the courses will be provided at the Study Centres. The detailed programme of the counselling sessions will be sent to you by the Coordinator of your Study Centre.
2) **Evaluation of Assignments:** Tutor Marked Assignments (TMA) will be evaluated by the Counsellors appointed for different courses at the Study Centre. These assignments will be returned to you with tutor comments and marks obtained. These comments will help you in your studies.

3) **Library:** For each course some of the books suggested under ‘Suggested Reading’ will be available in the Study Centre Library. All audio and video tapes are also available in the library.

4) **Information and Advice:** At the Study Centre you get relevant information regarding the courses offered by the University, counselling schedules, examination schedule, etc. You will also get guidance in choosing your elective and application-oriented courses.

5) **Audio-Video Facilities:** The Centres are equipped with audio-video facilities to help you make use of the audio and videocassettes prepared for different courses. Media notes of these audio-video programmes will also be available at the Study Centre. This will help you to know the contents of each programme.

Please bring all your Units and your folder of corrected assignments with you when you come to the counselling session.

   **Theory Courses:** i) Continuous Evaluation through assignments carries 30% weightage and ii) Term-end examination carries 70% weightage.

   **Social Work Practicum:** i) Evaluation done by supervisor carries 50% weightage, & ii) External evaluation carries 50% weightage you must secure 40 percent marks for each component for a pass. For example, you must get 40 percent each for concurrent field visits are MSWL-046 as well as the Block placement in MSWL-047 by both the Supervisor as well as the faculty.

9.1 Assignments - Instructions

Assignments constitute the continuous evaluation. The submission of assignments is compulsory. The marks that you get in your assignments will be counted in your final result. Assignment of a course carry 30% weightage while 70% weightage is given to the term-end examinations. Therefore, you are advised to take your assignments seriously. A simple omission on your part may cause loss to you and inconvenience at all levels in the University.

You have to complete the assignments within the due dates specified in the assignments booklet or within one month of the date of receipt of assignments whichever is later. You will not be allowed to appear for the term-end examination for any course if you do not submit the specified number of assignments in time for that course. If you appear in term-end examination, without submitting the assignments the result of term-end examination would be liable to be cancelled.

You will not be allowed to appear for the term-end examination for any course if you do not submit the assignment in time for that course.

The main purpose of assignment is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/counsellors after correcting the assignments send them back to you with their comments and marks. The comments guide you in your study and help in improving it. The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have easy access to other books, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the printed course materials and exploit your personal experience.

There is only one Tutor Marked Assignment (TMA) which shall be evaluated by the counselor. Foreach course, there is onlyone tutor marked assignment.

Whenever you receive a set of material and assignments, check them immediately and ask for missing pages, if any, from Concerned Regional Centre.

The assignment responses should be complete in all respects. Before submission you should ensure that you have answered all the questions in all assignments. Incomplete answer sheets bring you poor grades. The University/Coordinator of the Study Centre has the right to reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of assessment sheet containing comments of evaluator on your assignment within a month after submission, please
try to get it personally from your study centre. This may help you to improve upon future assignments. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

In case of tutor-marked assignments, you have to submit your response sheets to the Coordinator of the Study Centre assigned to you. After evaluation these tutor marked assignments will be sent back to you with comments and marks (grade).

If you do not get pass grade in any assignment, you have to submit it again. To get fresh assignments you should write to Registrar, MPDD, IGNOU, Maidan Garhi, New Delhi-110068, or download the same form IGNOU website. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him to the Student Evaluation Division at Headquarters. Score communicated by the study centre through any mode other than the award list will not be acceptable to the university for taking your score of assignments on your record.

In case you find that the score indicated in the assignment sheet of your Tutor Marked Assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the coordinator of your study centre with a request to forward correct award list to the SE Division at the Headquarters.

Do not enclose or express doubts for clarification if any about study material or assignment alongside the assignment. Send your doubts in a separate cover to the Director of the concerned School at IGNOU, Maidan Garhi, New Delhi-110068. All Tutor Marked Assignments are to be submitted at the study centre assigned to you.
3) Read the assignments carefully and follow the specific instructions, if any given on the assignment itself about the subject matter or its presentation.

4) Go through the Units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay type question give adequate attention to introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasize. While solving numericals, use proper format and give working notes wherever necessary.

5) Use only full scape size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.

6) Write the responses in your own hand. Typed assignments are also acceptable. Do not copy your answers from the Units/Blocks sent to you by the University. If you copy, you will get zero marks' for the respective question.

7) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.

8) Write each assignment separately. All the assignments should not be written in continuity.

9) Write the question number with each answer.

10) The completed assignment should be sent to the Coordinator of the Study Centre allotted to you. Under any circumstances do not send the tutor marked response sheets to the Student Evaluation Division at Head Quarters for evaluation.

11) After submitting the assignment at the Study Centre get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.

12) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.

13) If you find that there is any factual error in evaluation of your assignments e.g. any portion of assignment response has not been evaluated or total of score recorded on assignment response is incorrect you should approach the coordinator of your study centre for correction and transmission of correct score to headquarters.
