Dr.S.B. Singh Bhaduria, Jodhpur, Prof. A.K. Singh, and Prof.D.K. Singharoy expressed their inability to attend the meeting.

At the outset, the Chairman welcomed all the members of the meeting. He emphasized on the importance of research in the University system and highlighted the need to expand research beyond mere degree programs. He called for initiation of research through projects, both individual and institutional and stressed the importance of drawing rigorous guidelines for monitoring the progress of research and research scholars with the objective of ensuring quality. The Chairman informed that the draft of the Research Policy for the University had been prepared by the Research Unit and was now being circulated (**Annexure RCSC. 10.0.A**) with the objective of gearing up activities in the research domain and put in place the policy document after detailed deliberations by statutory bodies of the University. He also informed the meeting about two other recent measures concerning research that had been made operational: a scheme of research fellowship (instituted by the BoM at its 109th Meeting held on 27.8.2011) for such research students who did not have any other financial support, and a regular procedure for the extension of RTAs who had completed the initial three years of their

term. The meeting appreciated the efforts of the Chairman for promoting and supporting research activities in the University. **The Chairman reiterated, and it was unanimously resolved in the meeting, that the Research Degree Programmes in IGNOU would be unfailingly conducted in conformity with the provisions of the Ordinance on Research Degree Programmes.** He then requested the Convener to present the agenda items of the meeting.

The Convener explained that the agenda items were of two kinds- matters that were to be considered for confirmation/ratification in routine manner and matters that related to policy issues concerning research activities in IGNOU.

The deliberations began with a query about the confirmation of the Minutes of the 9th RCSC Meeting (held on 13.04.2011). It was clarified by the Convener that Minutes of the 9th RCSC had been confirmed at the 18th RC Meeting (held on 26.07.2011) and therefore it was not included as an agenda item for the present meeting. Copies of the Minutes of 9th RCSC Meeting were put on the table in the meeting. The Convener also clarified that, barring exigent situations like the one above, the normal practice had been to place the Minutes of the previous RCSC Meeting before the next Meeting for confirmation. It was also clarified that the agenda papers would be circulated one week in advance in future. Subsequently the listed agenda items were taken up for deliberation and decisions as below.

		<p>It was pointed out that Tamil and Gujarati as regular subjects/disciplines were not offered by SOH and therefore Doctoral Committees (DC) probably did not exist for these disciplines. Director, SOH explained that experts from nearby Universities were contacted for Tamil & Gujarati and with their help course work for respective research scholars was arranged. Director, SOH also explained that DCs were formed for each subject and for those disciplines not on offer, local experts were placed in the Doctoral Committees.</p> <p>Looking into the circumstances, it was decided to approve the Progress Reports. The resolution to strictly adhere to the Ordinance on Research Degree Programs of the University and its Guidelines was reasserted. The meeting also decided that the Research Unit would ensure that the Ordinance and the Guidelines would be strictly implemented by all the Schools/Centers/Units etc. in the formation of DC, and in the conduct of the research degree programmes.</p> <p>Doctoral students submitting Progress Reports in disciplines other than English and Hindi were advised to submit one page write-up on their progress in Hindi/English for the consideration of the RCSC.</p>

CCETC had reported that it did not fulfill the criteria. Hence it was necessary to decide whether or not to continue with CCETC as a Research Centre.</p>
10.2.2		<p>The Chairman suggested that all the Centers should be attached with concerned Schools for the implementation of Research Degree Programs. It was decided that CCETC would be attached with SOMS for its research degree programmes and the admission of Sri A.C.K. Nair would be considered by SOMS; other existing research students would be similarly attached with SOMS. The Chairman was authorized to similarly decide about other Centers for attachment with Schools.</p>
