**Consideration of the decision and notification thereof made under Agenda Item No.4 of 15<sup>th</sup> Research Council Meeting concerning Integrated Research Degree Programme along with related details.**

RCSC 11.98.1

The 15<sup>th</sup> Meeting of Research Council held on October 21, 2009 had, under Agenda Item RC.15.4, ratified the action taken by the Vice Chancellor in approving the Integrated Research Degree Programme for Category B candidates. The Meeting had also approved the modalities for Integrated PhD Programme along with its terms and conditions (**Annexure RCSC 11.98.1**). Accordingly, a Notification No. F. No. IG/ACD/RC/Amend/1653 dated December 24, 2009 was issued by the Research Unit (**Annexure RCSC 11.98.2**).

In connection with this notification the following is submitted:

- Clause 5.1 of the Ordinance on Research Degree Programme of the University states: ***The M. Phil. programme shall consist of 64-68 credits and the Ph. D. programme shall consist of 96-100 credits of which 32-36 credits in each case shall involve course work;***
- Clause 13 of the Ordinance states: ***In case, a student, registered for the Ph. D. programme, is unable to complete that programme, he/she may, at his request, be considered for the award of M. Phil. Degree provided he/she satisfies the requirements prescribed for the award of M. Phil. degree.***

From the above, it is clear that the Integrated Ph. D. Programme is not within the purview of the Ordinance on Research Degree Programmes of the University. Records show that no amendment was made to incorporate the Integrated Programme in the Ordinance. The Notification No. F. No. IG/ACD/RC/Amend/1653 dated December 24, 2009 issued by the Research Unit (**Annexure RCSC 11.98.2**) is not supported by the Ordinance.

The matter is placed before the Research Council Standing Committee for consideration.
