	12 noon - 1 pm	Training Needs Assessment (Unit -1) Block-3; MDE-419 Staff Training and Development in Distance Education: MADE programme.	Dr. Pulla Lakshmi	STRIDE	In the Context of training, that initial pursuit of information about the situation is often called needs assessment. But what is needs assessment? How should a trainer think about needs assessment in order to plan and execute a useful one? Why should we do these assessments? What are the questions asked? What are the sources contracted? What tools/methods should we use? These are some of the questions that we need to address before we actually conduct a training programme. In this session, we will discuss some of these issues and aim to relate them to the context of distance education.	MADE	MDE-419
