About STRIDE

The Staff Training and Research Institute of Distance Education (STRIDE) is a resource centre in ODL and now equivalent to UGC-HRDC. It conducts workshops, training, professional/faculty development programmes for the teachers of the IGNOU, State Open Universities, Directorates of Distance Education, and dual mode HEIs in India and abroad.

About Workshop

In view of post-Covid 19 global educational scenario, UGC Regulations 2020 (ODL & Online) and the NEP 2020- the role and significance of distance, online and blended learning has become very crucial. HEIs have started looking for newer strategies for teaching-learning and assessment. Development of innovative self-learning resources is considered instrumental for the success of such strategies. In this backdrop, this 6-days workshop has been planned which is UGC-Approved and certificate shall be considered for API and CAS too.

Expected Outcomes

- Develop a concept map of a course/programme;
- Explain interrelation and collaboration between various units in the design of learning resources;
- Design and develop a draft unit in print-SLM format;
- Integrate emerging tools into the SLMs;
- Appreciate teachers' role towards learners' needs and sensitivities involved in the preparation of learning resources.

Who Can Participate?

Teachers/academics from Indian ODL institutes, DDEs/ DEIs SOUs and faculty from other HEIs working/propose to work on development of new courses and SLMs

Programme is equivalent to UGC-HRDC and certificate shall be considered for API & CAS
