

Technical Specifications of existing UPS are given hereunder-

Input: 3-Phase AC

Output: Single Phase AC

Capacity: 10 KVA

Make: Electronics & Controls Power Systems Pvt. Ltd.

Model- PROACTA

Battery details-

Capacity (AH): 12 Volt, 100 AH

Voltage of battery bank: $32 \times 12 = 384$ V

Make/Type: ROCKET, SMF

No. of Batteries: 32 (Thirty Two)

Physical Dimension (in inches): Length 12.5, Width 6.5, Height 8.5

Technical details of required batteries-

Battery details-

Capacity (AH): 12 Volt, 100 AH

Voltage of battery bank: $32 \times 12 = 384$ V

Make/Type: Any reputed brand, Sealed Maintenance Free

No. of Batteries: 32 (Thirty Two).
