RCSC 19.3	To Consider and approve/review of allotment of Research Supervisors having less than three years to superannuate
----------------------------	---

RCSC 19.3.1	<p>The members were informed about the decision of the 26th RC regarding review of allocation of research supervisors that the faculty members having less than three years to superannuate shall not be allotted research scholars as Research Supervisors (RC.26.7.2). The RC also decided that in case of the research students who have already been allocated supervisors having less than three years to superannuate, may be referred to the concerned Disciplines for re-consideration in the light of RC resolution. Accordingly, the RU communicated to the concerned Disciplines/Schools regarding the decision of the RC and to take necessary action. In response some of the Schools had given their feedback.</p> <p>The Members deliberated on the matter and suggested that the existing supervisors having less than three years to superannuate shall continue to supervise and complete supervision before his/her superannuation. If the DRC feels that the work will not be completed, then the necessary arrangement for reallocating supervisor at least 90 days prior to superannuation of the concerned supervisor may be done so that the research scholar is not at disadvantage.</p>

RCSC 19.5.2	<p>The RCSC while going through the reasons for cancellation of registration of the above mentioned students, as recommended by their respective DRCs and School Boards observed that some of the reasons cited by the Disciplines did not appear to be adequate and conclusive and therefore the disciplines must ensure that a student whose registration is recommended to be cancelled must be given a due opportunity to be heard. The RCSC also asked Research Unit to ensure that the Disciplines have taken adequate care before the cancellation of registration and letter is issued to the Student. The RCSC approved the cancellation/ deregistration of the afore mentioned MPhil / Ph D Students as recommended by the respective DRCs/ School Boards with the above mentioned directive that the student has been given opportunity to be heard.</p>				
RCSC 19.6	<p>To Consider and approve major changes / modifications of Research Topics of MPhil / PhD students in various Disciplines of Schools of Studies</p>				
RCSC 19.6.1	<p>The Doctoral Research Committees of various Disciplines in Schools of Studies recommended change of Topics allotted to the students. The recommendations of the Doctoral Research Committees of respective disciplines were ratified by the Standing Committees of the School Boards/School Boards.</p>

RCSC 19.10	To Consider and approve the Co-Supervisor i.r.o Mr. Sachin Agarwal a PhD student of Environmental Science, SOITS												
RCSC 19.10.1	<p>As per 7.2 of the PhD Guidelines, '<i>Co-supervisor from outside the discipline/faculty/college/Institution may be assigned to a Research Scholar in case of topics which are of inter disciplinary in nature and where the discipline concerned feels that the expertise in the discipline has to be supplemented from outside in addition to the supervisor from the Discipline</i>'. Accordingly, SOITS had proposed the name of Dr. Dinesh Kumar Saxena, Associate Professor, Bareilly College, as the co-supervisor for Mr. Sachin Agarwal a PhD student of Environmental Science, SOITS for which the school obtained the willingness of Dr. Saxena as the Research Supervisor of the student.</p>												

RCSC 19.10.2	The RCSC approved Dr. Dinesh Kumar Saxena as Co-Supervisor for Mr. Sachin Agarwal, a PhD student of Environmental Science, SOITS.																			
RCSC 19.11	To consider and approve the reactivation of Registration of PhD students in Economics Discipline, SOSS.																			
RCSC 19.11.1	<p>The members were apprised of the earlier guidelines approved by the RC at its 24th Meeting 20th December, 2016 as per which a student registered in PhD Programme may apply for deactivation of his/her registration for a maximum period of five years or the period recommended by DRC whichever is less subject to certain conditions. Such Research students within the period of deactivation may apply for reactivation and will be required to submit the thesis within one year from the date of reactivation for which a prescribed fee has to be charged. Accordingly, the following PhD students who had been recommended by the Economics Discipline for deactivation have now requested for reactivation of their registration in PhD Economics. The DRC and School Board have recommended their reactivation as mentioned in the table below.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 10%;">S.No.</th> <th style="width: 25%;">Name of the candidate/ Enrolment No.</th> <th style="width: 15%;">Topic for PhD</th> <th style="width: 20%;">Name of the Research Supervisor</th> <th style="width: 30%;">Recommendation of DRC</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">1.</td> <td>Ms. Geetika Trivedi</td> <td>118701379</td> <td>Prof. Narayan Prasad</td> <td>DRC Recommended to reactivate the registration w.e.f from 20.12.2018</td> </tr> <tr> <td style="text-align: center;">2.</td> <td>Mr. Deborishi Brahma chari</td> <td>138000340</td> <td>Prof. K. RCSC 19.11.2	The RCSC approved the reactivation of the registration in PhD Economics in respect of the above mentioned students of Ph D Economics.																			
RCSC 19.12	To Consider the list of drop out Students in MPhil/ PhD Programmes in various disciplines.																			
RCSC 19.12.1	<p>It was informed to the members that the Research Unit had compiled a list of students who were enrolled in various disciplines for M.Phil/PhD programme in IGNOU over the last fifteen years from 2002 to July 2017 in various cycles. The exercise was undertaken by the Research Unit in order to consolidate the Data Base of M.Phil/Ph.D students enrolled in the University. On perusal of records, it was found that the status of several students enrolled in various disciplines have not been updated over years which created difficulty for ascertaining correct status of M.Phil/Ph.D students registered in various disciplines. The Research Unit culled out such data and got it verified from concerned disciplines about the status of such students. Consequent upon verification by the concerned Schools/Disciplines, as approved by the Doctoral Committee/School Board, the list of the students was compiled.</p>																			
RCSC 19.12.2	The Members took note of the matter and appreciated the exercise of the Research Unit to strengthen and consolidate the database. Further, the members advised to nomenclature the																			

	list as the list of deregistered students in M Phil/ Ph D programme instead of list of Drop outs.
RCSC 19.13	To Consider the conversion of PhD students from Part time to full time and vice versa
RCSC 19.13.1	The RCSC was briefed about the procedure of conversion from Part time to Full time and Full time to Part time i.r.o the PhD students registered across Disciplines, permissible as per Rule. The members were also informed about the earlier practice which necessitated the approval of RC/ RCSC for conversion from full time to part time and vice versa and the subsequent changes in the procedure as decided by the RCSC at its 17th Meeting held on 17th October, 2017 that <i>conversion of status from part time to full time and vice versa shall be approved by the Vice Chancellor on the recommendation of Doctoral Committee and School Board. The Schools shall route the requests for conversion of part time to full time and vice versa through the Research Unit.</i> Accordingly, the matter relating to conversion from full time to part time and vice versa was being processed by RU for approval of the Vice Chancellor. The process though was less time consuming was considered as redundant to be sent to VC for approval since the Research Unit is involved in the operational problems arising out of conversion from Full time to part time and vice versa after the recommendation of DRC and School Board.
RCSC 19.13.2	The Committee deliberated on the matter and decided that the conversion of part time to full time or vice versa of Research Scholars shall be considered by the respective DRC and the School Board and shall be communicated to RU for notification.
RCSC 19.14	To Consider and approve the Code of Conduct for Research Students.
RCSC 19.14.1	The attention of the members were drawn to the Code of Conduct for Research Students of IGNOU prepared by the Research Students under the guidance of a Committee constituted by the VC which also included Anti-plagiarism measures, and Research Ethics. The Code of Conduct was approved by the Research Council at its 26th Meeting in principle only with the advice that the <i>.....the Code of Conduct may be circulated among the members of the Committee once again and seek their comments. Comments received from members may be placed before the Committee so that revision, if any, may be carried out. The revised report of the Committee shall be placed before the RC/RCSC for approval.</i> Accordingly, the members of the Committee met on 29.4.2019 and went through the document once again in the light of the decision of the RC. Some of the suggestions made by some members were duly incorporated.
RCSC 19.14.2	The members of RCSC went through the document and were of the opinion that such Code of Conduct for research students was the need of the hour particularly with the increase in student strength in the campus. The Code of Conduct was approved by the Members of RCSC and the Research Unit was directed to notify the Code of Conduct to be implemented with immediate effect.
RCSC 19.15	To Consider and constitute a Research Committee for STRIDE in the Discipline of Distance Education
RCSC 19.15.1	The members were apprised about the difficulty being faced by the Staff Training and Research in Distance Education (STRIDE), IGNOU which does not have a DRC of its own and is housed in School of Education having 2/3 representatives from STRIDE(as per the

	<p>decision of the Academic Council at its 69th meeting held on 18th April 2018). It is despite the fact that STRIDE has sizable number of M Phil/ Ph.D students registered in the Discipline of Distance Education. The members were also informed about the relevant clause of the Research Ordinance read with statute 9(a) of the University that..... in case, Academic Council decides to offer the Research Degree Programmes in the Discipline which has/have not been assigned to any of the Schools of Studies established under Section 10A of IGNOU Act, a Research Committee may be constituted for administration of the Research Degree programmes belonging to such disciplines</p> <p>The Committee also took note of the fact that student's progress reports and presentations have to be placed before the DRC several times during the course of his/her journey, for which it requires to be placed a few hundred cases/times in the DRC.</p>
RCSC 19.15.2	<p>The members of the Committee acknowledged the practical difficulty of STRIDE and suggested that STRIDE may initiate a detailed proposal for creation of a Research Committee permissible as per UGC Regulations/ IGNOU Research Ordinance/Regulations. and considering the observations and concerns of the members of the RCSC, place it before the Committee to be constituted by the Competent Authority to review the earlier decision taken by the Academic Council, keeping in view the operational problems in the absence of a DRC that directly affects the conduct of Research programme in STRIDE.</p>
RCSC 19.16	<p>To Consider and approve the revised fee structure for the Research Degree Programmes.</p>
RCSC 19.16.1	<p>The members were informed that IGNOU has been charging fee from the M Phil/ Ph D students for the minimum duration only. However, students continue beyond this period for completion of the programmes. The university resources are utilized for the conduct of Research Degree Programmes facilitating the research scholars where as a student seeking extension in maximum duration, extension fee is charged from the student proportionately for the period of extension. It is, therefore, logical that the fee should be charged for the period spent by the student for completing the MPhil/PhD Programmes. The members also noted that the proposal for charging fees for the total period had been approved by the 18th RCSC in principle. However, the Finance Committee while considering the proposal to increase the fees of Research Degree programmes only recommended 20% increase in fees and there was no decision on the duration for which fee should be charged.</p>
RCSC 19.16.2	<p>The matter was discussed in detail. The RCSC resolved that a student admitted to M Phil/ Ph D programme of the University shall be required to remit the fees for each year till the submission of Dissertation/Thesis or the maximum duration of the Programme whichever is earlier, at the rate as notified by the University from time to time. The RCSC also directed Research Unit to implement this from the current batch of students, i.e from July 2019. The students admitted prior to 2019 shall remit the fees as per old fee structure.</p>
RCSC 19.17.	<p>To ratify the Guidelines on IGNOU-Research Fellowship</p>
RCSC 19.17.1	<p>The members were informed that the 26th Research Council Meeting held on 23rd January, 2019 constituted a Committee to formulate guidelines including determining criteria for awarding the fellowship, reservation policy, allocation of fellowships across disciplines and the modalities for disbursement. The Council resolved that till such time the guidelines are framed and approved by the Statutory authorities of the University, the IGNOU-RF scheme shall be kept in abeyance for July 2018 session and onwards.</p> <p>Accordingly, the Committee constituted by the RC relooked at the Guidelines for IGNOU-</p>

	RF and recommended modalities for operationalization of IGNOU Research Fellowship. Since there was a lot of queries and pressure from students of 2018 batch of M Phil/Ph D students, the Research Unit placed the report of the Committee before the Vice Chancellor for approval. The notification was issued on 10th June 2019 for July 2018 batch for applying for IGNOU Research Fellowship.					
RCSC 19.17.2	The RCSC noted the development on the matter and appreciated the student welfare centric initiative of the Research Unit and ratified the Guidelines as drafted under the guidance of the Committee.					
RCSC 19.18.	To report launch of PhD Home Science Programme					
RCSC 19.18.1	The members were apprised about the Academic Council's approval to launch PhD in Home Science with only Elective i.e. Community Resource Management and Extension along with the Programme Revision Form including syllabi of the course work and that in case of PhD in Home Science Programme, the concerned Faculty would supervise only half the number of seats a supervisor was eligible to take. Accordingly, PhD Home Science shall be advertised in the July 2020 cycle provided the Discipline expresses its willingness to advertise.					
RCSC 19.18.2	The Committee noted the matter.					
RCSC T.1	To Consider change of Research Supervisor in place of Prof. T. U. Fulzele , SOMS.					
RCSC T.1.1	Consequent upon the superannuation of Prof. T. U. Fulzele, School of Management Studies and as per the decision of the RC.26.7.2 to reallocate Research Supervisor, Prof. Neeti Aggarwal was recommended by the DRC / SB, SOMS to be the Research Supervisor of the following three students of PHDMGMT, SOMS.					
	S . N o.	Name of the Student and Enrol.No.	Topic of Research	Supervisors having less than 3 years to superannuate	Reallotment of Supervisors in the light of (RC 26.7.2)	Date of DRC / SB)
	1.	Mr. Siddhartha Dash 173101127	A Comparative study of financial inclusion models in India with special reference to adoption of mobile banking technology	Prof. T. U. Fulzele (Retd.)	Prof. Neeti Agarwal	23.04.2019

RCSC T.1.2	The RCSC approved the name of Prof. Neeti Agrawal and Dr. Leena Singh as the new Research supervisors of the above mentioned students of Ph D Management, earlier allotted to Prof TU Fulzele as their supervisor.					
RCSC T.2	To Consider presentation of Agenda of RC/ RCSC in electronic mode					
RCSC T.2.1	The Research Unit prepares the agenda for the Research Council and Research Council Standing Committee at least 5/6 times a year for which the information/ agenda items along with enclosures such as Minutes of DRC/ School Board and other documents are called by the Research unit. In a scenario where more than 40 disciplines are offering MPhil/ Ph D programmes, the volume of minutes of DRC/ SB become huge to be handled. Moreover, there are replications in the information as many disciplines send both hard and soft copies of the minutes and other documents making the agenda papers too bulky. The Agenda is circulated to members of RC(24 members) and RCSC(9 members) both in soft and hard copies. It is a concern that there is colossal waste of papers which could be avoided/minimized with the use of technology. Preparing one master Agenda file, hard bound may suffice for record purpose.					
RCSC T.2.2	The members applauded the proposal and approved the agenda to be presented in electronic mode. It was resolved that henceforth no hard bound Agenda shall be sent to any member of RC/ RCSC. All the members of RC/RCSC shall be sent soft copies of the Agenda and related Annexures of RC/ RCSC (scanned) . However, the Research Unit shall prepare one master Agenda file (hard bound) for record purpose.					

The Meeting ended with vote of thanks to the Chair,
