	supervisor to supervise research students was placed before the RCSC for consideration on the
	basis of the recommendations of their respective DRCs and School Boards.
	1.Dr. Radhika Puthenedam Assistant Professor (Dance) SOPVA
	2. Dr. Mohd. Tahir Siddique Assistant Professor (Visual Arts) SOPVA
	3. Dr. Ali Asgar Assistant Professor (Sr. Scale) STRIDE
	4. Dr. Pulla Lakshmi Assistant Professor (Sr. Scale) STRIDE
	The Director, RU presented the eligibility criteria as per UGC (Minimum Standards and
	Procedure for award of M Phil/ Ph D Degree) Regulations 2016 which stipulatesall the
	regular Professors of the University with at least five research publications in refereed journals
	and all regular Associate/Assistant Professor of the university with a Ph.D. Degree and at least
	two research publications in refereed journals will be eligible to become Research supervisors.
RCSC	After discussing on the matter in detail, the RCSC decided to approve the following three faculty
20.6.2	members as Research supervisors on the basis of the recommendations of their respective DRCs
	and School Boards.
	Dr. Radhika Puthenedam Assistant Professor (Dance) SOPVA
	2. Dr. Ali Asgar Assistant Professor (Sr. Scale) STRIDE
	3. Dr. Pulla Lakshmi Assistant Professor (Sr. Scale) STRIDE
	In case of Dr. Mohd. Tahir Siddique Assistant Professor (Visual Arts) SOPVA, it was decided
	that the case may be referred back to School to check the eligibility with regard to publications.
	The Research Unit will also collect the publications of other three faculty members for record.
RCSC	To Consider and approve holding of pre submission seminar for PHD of Ms. Divya K,
20.7	SOGDS

RCSC	The RCSC was informed about the Ms. Divya K, a PhD Scholar in Women's Studies whose
20.7.1	validity of registration was questioned prior to her pre submission seminar. Ms Divya K was
20.7.1	
	enrolled in the year 2014. The maximum duration for completion of PhD as per the guidelines
	prior to 2016 was five years. Consequent upon the UGC (Minimum standards and procedure
	for award of M Phil/Ph D Degree) Regulations 2016, all women candidates in M Phil and Ph D
	programmes were given 1 and 2 years extra time for completion of M Phil and Ph D beyond
	the stipulated 2 and 6 years respectively. The Research Unit issued a Notification in this regard
	vide which the extra two years' time was also made applicable to women candidates registered
	prior to 2016 for the completion of PhD programme. The Vice Chancellor had approved the
	relaxation of time for women students and person with disabilities for completion of MPhil /
	PhD programmes and asked the Research Unit to find out whether the women students were
	desirous of availing the benefit of extra time for completion of Ph D. Accordingly, many women
	students availed this extra time for completion of their Research degree programme. However
	specific approval of the Notification no.IG/RU/Noti/09/19-A dtd 24 th January, 2017 issued by
	the Research Unit is not available in the records.
	The RCSC observed that the two year extra time to women was granted to women candidates
	during the period when the students including Ms. Divya K were having validity of their
	registration and therefore she should also be allowed to continue her Ph D work as her
	registration was valid upto 2021.
RCSC	The RCSC approved the proposal to provide the extra time to women candidates and Divya K
20.7.2	be allowed to continue her Ph D work as her registration was valid upto 2021.
RCSC	To Consider and approve the extension of registration of Ms. Bandana Kumari, PhD
20.8	scholar of SOITS
RCSC	The members were informed that Ms Bandana Kumari, (bearing enrollment number 131636569)
20.8.1	of SOITS was pursuing her Ph D under the joint supervision of Dr Shubhangi Vaidya and Dr
	Babu P Ramesh on Silk Weaving and Weavers in the Silk Industry: Case of Silk workers in
	Bhagalpur. She exhausted the maximum validity period including the extra 2 years' time granted
	to women candidates by 13 th January 2020. However, she could not complete her Ph D work
	within the stipulated time due to her family circumstances and applied for extension of one year
	time. The DRC and School Board of SOITS considered her request and recommended one-

	year extension. The matter was forwarded to the Research Unit in January 2020. The Director
	SOITS, who was also the supervisor of Ms Bandana Kumari informed the RCSC that the
	_
	student had completed about seventy percent of work and would be able to complete her work
	if permitted extension of time.
RCSC	The RCSC after deliberating on the matter of extension of the student decided that the yearly
20.8.2	progress of Ms Bandana Kumari be presented before the Research Council for taking a final
	decision on the extension of her registration.
RCSC	To apprise the RCSC about the UGC Notification on Research and Publication
20.9	Ethics(RPE) to be made compulsory for all Ph D Students for pre- registration course work
	from 2020.
RCSC	The members were explained about the University Grants Commission vide its Notification
20.9.1	D.O.No.F.1-1/2018 dated December, 2019 informing all Universities to make two credit course
	on Research and Publication Ethics (RPE) as a compulsory component to be included in the
	pre-Ph D Coursework from the year 2020. The members also noted the detailed syllabus
	prescribed by UGC on RPE and discussed about the modus operandi of implementing the same.
RCSC	After a thorough discussion on the matter, the RCSC decided to form a committee of the
20.9.2	following members of RCSC to work out the modalities for imparting the two credit course
	from the current year.
	Prof Rashmi Sinha, Chairperson
	2. Prof. D Venkateswaralu, Member
	3. Prof VV Subramanyam, Member
	4. Prof. Sunil Gupta, Member
	5. Director, RU, Convenor
RCSC	The RCSC resolved that the Committee constituted for the purpose may chalk out the details.
20.9.3	The modalities so chalked out by the above Committee be placed before the Research Council
	for approval.

The Meeting ended with vote of thanks to the Chair.
