9. Jorhat

- **Introduction** - Pre-admission counselling is the first and foremost step of providing counselling to the prospective learners about the process of admission, examination, re-registration etc.
- **Objective** -The main objective of pre-admission counselling is to provide information the prospective learners about admission criteria, fee structure, process of admission, examination, re-registration etc.
- **Target group** -Learners and prospective learners
- **Number of participants** -1658
- **Details of the resource persons** -Dr. Anil Ch. Borah, Sr. Regional Director, RC Jorhat; Mr. Jamini Saikia, SPA; Hasan Ullah, Pubali Sarma.
- **Activities conducted** - Short videos was prepared on education system, on admission, examination, re-registration process, about importance of ODL and IGNOU and these videos were posted in Face book and YouTube for benefits of the learners. We are also uploading brief of each programmes activated under IGNOU on our social media platform. We have written to the Principal and Coordinators of our LSCs requesting them to provide the mobile nos. of the passed out students who have applied for admission in their colleges but cannot go for admission due to restriction of movement from one place to another due to lock down during the pandemic. We have sent SMS to 1658 students regarding ongoing online admission at IGNOU so that they can get the benefits of higher education at IGNOU through the same group of teachers. We have also tried to communicate with these students over telephone informing them about the ongoing admission, about admission fee, different programmes activated at IGNOU etc. Moreover, we also provide counselling to the prospective learners who visit the Regional Centre for admission information etc.
- **Geotag photographs (Maximum 04)**

10. Khanna

- **Introduction** - IGNOU RC, Khanna has created a “May I help you” desk for resolving the Pre-admission queries. All the students who visit RC, their queries are resolved on the spot by the staff deputed to deal with the visiting prospective learners. Even the queries raised telephonically as well as on email are answered at the earliest possible on priority. On an average 50-60 enquirers visit personally on working days to get their queries resolved.
- **Objective** -To resolve the queries of the learners during the admission cycle of January as well as July session. As most of the learners face difficulty of knowing about the Programmes activated, eligibility criteria, Programme fee, learner support services, how to fill the admission form and upload documents, etc.
- **Target group** - Prospective learners, Disadvantaged groups, In-service people, Drop out learners, Housewives, the persons keen to upgrade professional skills, etc.
- **Number of participants** - Received queries through E-mails from 1100-1200 per month on an average, received 150-160 phone calls from the enquirers on an average per day, 50-60 enquirers visit RC Khanna personally on working days
- **Details of the resource persons**
 - Dr. Santosh Kumari, Regional Director
 - Dr. Pramesh Chandra, Assistant Regional Director
 - Ms. Reeta Sharma
 - Mr. Robin Masih
 - Ms. Supriya
 - Sh. Pinaak Jhanji
- **Activities conducted**
 - Pre-admission counselling
 - Face to face grievances/enquiries are resolved at RC level
 - Queries resolved through telephonically
 - Queries resolved received through emails
