

Post Graduate Certificate in Geoinformatics (PGCGI)

Admission to the **Post Graduate Certificate in Geoinformatics (PGCGI) Programme** is now open for the July 2015 cycle for interested learners to enter into this emerging field.

The PGCGI programme offers opportunity to learners to learn basic concepts of remote sensing, GIS and GNSS, and develop practical skills to work on geospatial data. This programme could be helpful for learners to develop skills in this field for further studies and also to pursue a career in government organisations, industries and educational institutes in the field of natural resources management, natural hazards and disaster management, environment management, urban and rural planning, business applications and geospatial education.

Last date to apply is 15 June 2015 without late fee.

Salient Features:

- Designed and developed with the help of several eminent experts across India drawn from ISRO, DRDO, IITs, C-DAC, DST, IITM and many private and government institutes and industries.
- Covers aspects of **Geospatial data, Cartography, Remote Sensing, GNSS, Image Interpretation, Digital Image Processing and GIS**
- 25% practical component.

Who Can Take Admission?

- Working professionals possessing little or no exposure to geoinformatics but are interested to initiate and develop skills in this field
- Fresh graduates desirous of developing skills in this field
- Defence personnel
- School teachers teaching geospatial technology related course.

Programme Offer and Coverage: PGCGI is offered in both January and July sessions of every year through the established network of IGNOU Regional Centres and Study Centres currently at six locations across India at Srinagar (J&K- under RC Srinagar), Pune (Maharashtra- under RC Pune), Durg (Chhattisgarh- under RC Raipur), Gauhati (Assam- under RC Guwahati), Thiruvanthapuram (Kerala- under RC Trivandrum) and New Delhi (under RC Delhi-1).

Eligibility: Graduate in any discipline from a recognised university

Duration: Minimum 6 months and Maximum 2 years

Medium of Instruction: English

Programme Fee: Rs.5000/-

For Admission: Purchase Common Prospectus 2015 - 16 for Rs.200/- in cash at the sale counters at your nearest Regional Centre **Or** Download prospectus & application from: <http://ignou.ac.in/userfiles/Prospectus2015English.pdf>
