**Points to be considered before selecting a Programme Study Center**

- Theory counselling & practical contact session related to Post Basic B.Sc.(N) Programme are held on weekends and summer/winter breaks when regular students of the centre are on vacation.
- As mentioned in the page no. 17,71,72 and 73 of handbook and prospectus, you may be required to take 52 days, 56 days and 54 days leave in first, second and third year respectively in addition to practical & Viva Voce examination. The details about the duration of theory & practical session are mentioned above.
- There will be intensive theory and practical of each course in each year which would require frequent travelling in most of cases.
- 75% attendance in theory and 90% attendance in practical is compulsory in each course.
- As many supervised practical activities need interaction with clients and community, you should be comfortable with the language of the state where the PSC under consideration is located.
- You are required to give your options strictly in preferential order for all the Programme Study Centres where you would like to take admission. The filled in form should be submitted on the day of Counseling. The centre will be allotted as per the Merit and availability of seats.
