- that from time to time experts have also reiterated that the course contents are adequate for one year programme.
- that the conventional universities also have the certificate level programme of one year duration. Students of IGNOU find it difficult to take admission in Diploma programmes of other universities as they have to fulfill eligibility criteria of one year duration certificate programme.

S.B.24.15.2 The School Board considered and approved extending the duration of all Certificate level programmes of SOFL from six months to one year.
