Reporting Item No. : 28.2

To report on inclusion of the rights of persons with disabilities in various course curricula of programmes offered by SOGDS

The Director explained the inclusion of rights of persons with disabilities in various programmes (MAWGS, PGDWGS and in BGSE-001 course of BDP). Programmes under development viz. Certificate Programme in Gender in Law and Certificate Programme in Gender and Science also have units discussing rights of persons with disabilities.

One of the External School Board Member inquired if the inclusion is regarding creating awareness amongst learners or providing appropriate support to persons with disability for pursuing these programmes. Director, SOGDS informed that it is at both levels but no learner with special needs has enrolled for the programs offered by the School. But in case of need, assistance from Centre for Disability in IGNOU will be requested to facilitate provision of required technological support for that particular learner.

The School Board noted the inclusion of the rights of persons with disabilities in various course curricula of programmes offered by SOGDS

The meeting ended with a vote of thanks to the Chair.
