| 51.02.02 | <i>The School Board noted the Action Taken Report (Annexure-51.02).</i> |
| 51.03 | To consider and approve the proposal and Programme Revision Form for offering five Restructured Post Graduate Diploma Programmes in different specializations, (i) PG Diploma in Human Resource Management; (ii) PG Diploma in Financial Management; (iii) PG Diploma in Marketing Management; (iv) PG Diploma in Operations Management; and (v) PG Diploma in Services Management. |
| 51.03.01 | <p>Prof. Neeti Agrawal, on behalf of Prof. Nayantara Padhi, Programme Coordinator, presented the item and informed the members of School Board that the school has restructured its Management Programme and launched the new MBA Programme from July 2021. Further, MBA (Online) was launched in January 2022 (The typographical error of January 2021 was corrected) session onwards and four specialized MBA programmes (MBAHM, MBAFM, MBAOM and MBAMM) were also offered from July 2022 session onwards.</p> <p>She further informed that in the Concept Note alongwith the Programme Revision Form already approved by the School Board in its 46th School Board Meeting held on 12th January 2021, the faculty of Management Discipline had proposed that "school may also consider offering direct entry to specialization diplomas at a later stage and once all the courses are ready".</p> <p>Since the new MBA Programme is going to be fully developed by January, 2023, the Management Discipline has now proposed to offer five Restructured Post Graduate Diploma Programmes in different specializations i.e. (i) Post Graduate Diploma in Human Resource Management, (ii) Post Graduate Diploma in Financial Management, (iii) Post Graduate Diploma in Marketing Management, (iv) Post Graduate Diploma in Operations Management; and, (v) Post Graduate Diploma in Services Management in place of four PG Diploma Programmes which are still on offer as stand-alone programmes viz. (i) PG Diploma in Human Resource Management, (ii) PG Diploma in Financial Management, (iii) PG Diploma in Marketing Management and PG Diploma in Operations Management. All the courses of these PG Diploma programmes are from the pre-revised (Old) Management Programme (MP). As the revised (new) MBA programme is now on offer, as informed above the ongoing four PG Diplomas need to be kept in abeyance from January 2023 session. The proposed restructured (revised) four PG Diploma programmes are to be launched from January, 2023.</p> <p>A new specialization (Services management) has been added in the new MBA programme, and therefore, a new PG Diploma can also be offered as the fifth standalone PG Diploma in Services Management. Accordingly, the Programme Revision Form(s) for all the five PG Diploma Programmes are submitted.</p> <p>She briefed the school board members about the salient features of the programme,</p> |

eligibility, duration, medium of instruction, admission procedure and programme structure, programme fee, etc.

Members pointed out that the specialization in Services Management was added in the revised (new) MBA programme only and the same was neither the part of pre-revised (old) Management Programme nor offered earlier as PG Diploma Programmes. Therefore, the requisite procedure to launch a new programme has to be followed for the PG Diploma in Services Management Programme.

Members also pointed out some minor corrections and a few typographical errors in the PRF forms of four PG Diploma Programmes being proposed and advised that the corrections may be carried out before placing the same to other statutory authorities of the university for consideration and approval.

- 51.03.02** *The School Board approved the Programme Revision Forms (PRF) for the four PG Diploma Programmes - (i) Post Graduate Diploma in Human Resource Management; (ii) Post Graduate Diploma in Financial Management; (iii) Post Graduate Diploma in Marketing Management; (iv) Post Graduate Diploma in Operations Management with suggested modifications. The corrected PRFs are attached as Annexures-51.03 to -51.06 to the minutes.*

The School Board dropped the PRF form for Post Graduate diploma In Services Management and suggested to initiate the necessary process, as a new programme.

- 51.04** To consider and approve the Courses' Mapping of Revised MBA/MBF/MBAOL/MBAFM/MBAHM/MBAOM/MBAMM/ 5 PG Diploma in specialization programmes with the courses of pre-revised MP/MPB/PGDFM/PGDHRM/PGDOM/PGDMM/PGDFMP programmes for the purpose of internal credit transfer.

- 51.04.01** Prof. Neeti Agrawal, on behalf of Prof. Nayantara Padhi, Programme Coordinator, presented the item and stated that the school has launched the revised MBA and MBF Programmes from July 2021 session. Large number of courses of the Management Programme (MP) and MBA Banking and Finance (MPB) Programme are revised. Some new courses are also added to the revised MBA and MBF Programmes.

The students, those could not successfully complete the pre-revised MP or MPB or PG Diploma programmes in the stipulated time period but completed some of the courses. In such a situation, the students are eligible for internal credit transfer of the courses successfully completed in pre-revised programme, if they take admission into the revised programmes. Therefore, the Management Discipline worked out the courses' mapping of revised MBA/MBF/MBAOL/MBAFM/MBAHM/MBAOM/MBAMM and the proposed 4 PG Diplomas in specialization (PGDHRM, PGDMM, PGDFM and PGDOM) for revision at item No. 51.3 in the present meeting of the school board (codes are to be allotted by P&DD) with the courses of pre-revised MP/ MPB/ PGDFM/ PGDHRM/ PGDOM/ PGDMM/ PGDFMP programmes for the purpose of internal credit transfer in line with the NEP-2020.

| | <p>The courses' mapping is proposed by the management discipline, based on the content similarity between the revised and pre-revised courses, for the purpose of internal credit transfer.</p> <p>Members of School Board pointed out some typographical errors in course titles in the suggested mapping of courses and suggested to make correction before placing to the statutory bodies of the university.</p> |
| 51.04.02 | <p><i>The School Board approved the Courses' Mapping of Revised MBA/MBF/MBAOL/MBAFM/MBAHM/MBAOM/MBAMM and 5 Post Graduate Diplomas in specialization programmes (proposed for launching) with the courses of pre-revised MP/MPB/PGDFM/PGDHRM/PGDOM/PGDMM/PGDFMP programmes for the purpose of internal credit transfer with correction as suggested is attached as <u>Annexure-51.07</u>.</i></p> |
| 51.05 | <p>To consider and approve the Courses' Mapping of Revised B.Com. (General) Programme (BCOMG) Courses with the pre-revised B.Com. (BCOM) Programmes for the purpose of internal credit transfer.</p> |
| 51.05.01 | <p>Prof. Nawal Kishor, Programme coordinator, presented the item that the school has launched the B.Com. (General) Programme (BCOMG) under CBCS Scheme from July 2019 session and B.Com. (Online) Programme (BCOMOL) from July 2021 session onwards. In the process of programme revision, large number of courses of the pre-revised B.Com. programme are revised and some new courses are also added to the BCOMG and BCOMOL Programmes.</p> <p>The student of pre-revised BCOM programme, who could not complete their BCOM programme within the stipulated time period, but successfully completed some of the courses, may apply afresh either in the BCOMG Programme or in BCOMOL Programme and can avail internal credit transfer as per university policy and also in line with the NEP-2020. Therefore, courses' mapping of B.Com. (General) (BCOMG) and B.Com. (Online) BCOMOL Programme with the pre-revised B.Com. (BCOM) Programme for the purpose of internal credit transfer is required.</p> <p>The courses' mapping is proposed by the commerce discipline, based on the content similarity between the revised and pre-revised courses for the purpose of internal credit transfer.</p> <p>The Director and Chairman of the School Board informed the Board that the revised courses of BCOMG which are mapped, are having 6 credit each whereas the pre-revised courses are 4 credit each. Hence, it was decided to club the two courses where the syllabus content is covered by and large to the three courses (<i>Sl. No. 1-3 to the annexure 51.05.01 of the agenda</i>) of BCOMG. The remaining courses (<i>Sl.No. 4-9 of the Annexure 51.05.01 of the agenda</i>) by and large the syllabus content is covering with the pre-revised courses, but the courses are 4 credits each whereas revised courses' are 6 credits each. In this situation, there are 12 credits shortfall of the 6 courses. To overcome this hardship for internal credit transfer of such courses, the faculty of commerce proposed the following:</p> |

| | |
|----------|--|
| | <p><i>"In order to provide the opportunity to earn 2 credit of each course (total 12 credits) the following 4 credit each skill/application-oriented courses are proposed for successful completion and to avail the internal credit transfer of the revised courses from Sl. No. 4-9 of the Annexure by considering 2 credits to each of the short fall credits. They are: 1. BCOA-001: Business Communication and Entrepreneurship 2. BECS-184: Data Analysis 3. BPCS-185: Developing Emotional Competence".</i></p> <p>Members deliberated upon the proposal and suggested that as a special case to address the anomaly of pre-revised BCOM students, the course wise registration for the above proposed courses may be allowed as bridge courses to get the extra credits, for seeking internal credit transfer.</p> |
| 51.05.02 | <p><i>The School Board approved the Courses' Mapping of BCOMG/BCOMOL Courses with the pre-revised B.Com. (BCOM) Programme for the purpose of internal credit transfer and course wise registration as 'bridge courses' to earn extra credits for seeking credit transfer against the courses completed under the old BCOM courses (Annexure 51.08).</i></p> |
| 51.06 | <p>To consider and approve the Courses' Mapping of Revised BBA in Retailing (BBARIL) Programme with the Pre-revised BBA (Retailing) (BBARL) Programme for the purpose of internal credit transfer.</p> |
| 51.06.01 | <p>Prof. Nawal Kishor, Programme Coordinator, presented the item that the school has restructured its BBA (Retailing) (BBARL) Programme and launched the BBA in Retailing (BBARIL) Programme from July 2022 sessions onwards. The student of BBARL programme, who could not complete their programme within the stipulated time period, but completed some of the courses successfully, may apply afresh admission in BBARIL Programme and may avail internal credit transfer of the courses successfully completed in pre revised programme as per university policy and also in line with the NEP-2020. Therefore, there is a need for courses' mapping of BBARIL (revised) programme with the pre-revised BBARL Programme for the purpose of internal credit transfer.</p> <p>The courses' mapping is proposed by the commerce discipline, based on the content similarity between the revised and pre-revised courses for the purpose of internal credit transfer.</p> |
| 51.06.02 | <p><i>The School Board approved the Courses' Mapping of Revised BBA in Retailing (BBARIL) Programme with the courses of Pre-revised BBA (Retailing) (BBARL) Programme for the purpose of internal credit transfer (Annexure-51.09).</i></p> |
| 51.07 | <p>To consider and approve the Courses' Mapping of M.Com. (Revised) (MCOM) and M.Com (Online) (MCOMOL) courses with the Pre-revised M.Com. (MCOM) Programmes for the purpose of internal credit transfer.</p> |
| 51.07.01 | <p>Dr. Anupriya Pandey, Programme Coordinator presented the item that School of Management Studies, IGNOU, has revised its M.Com. Programme and launched from January 2022 as well as M.Com. (Online) Programme from July 2022 sessions onwards.</p> |

The student of Pre-revised MCOM programme, who could not complete their MCOM programme within the stipulated time period but successfully completed some of the courses, may apply afresh admission either in MCOM (Revised) Programme or M.Com online (MCOMOL) Programme (newly launched) and can avail internal credit transfer of the courses successfully completed in pre-revised programme as per university policy in line with the NEP-2020. Therefore, there is a need for courses' mapping of M.Com. (Revised) (MCOM) and M.Com. Online.

(MCOMOL) programmes with the Pre-revised M.Com. (MCOM) Programme is proposed for the purpose of internal credit transfer.

It is informed that few courses adapted from MBA programme, credit transfer for such courses is also suggested for the purpose of internal credit transfer.

The courses' mapping is proposed by the commerce discipline, based on the content similarity between the revised M.Com. (MCOM) and newly launched M.Com Online (MCOMOL) courses with the pre-revised M.Com. (MCOM) Programme and adapted courses from MBA for the purpose of internal credit transfer.

Members deliberated upon the courses' mapping and suggested a few modifications. Members suggested that the course 'MCO-15: India's Foreign Trade and Investment' mentioned at Sl. No. 12 should be dropped for credit transfer with 'IBO-03: India's Foreign Trade' and the course 'MCOP-01: Project' should be deleted.

| 51.11.01 | <p>Prof. Madhulika P. Sarkar, Programme Coordinator, presented the item that the IGNOU has entered into an MoU with Institute of Company Secretaries of India (ICSI), on 23rd April, 2008 for offering collaborative B.Com/M.Com Programmes with the provision of credit transfer/exemption of the courses for the ICSI students. Consequently, University offered BCOMCAA and MCOMBPCG Programmes exclusively for the ICSI students.</p> <p>As per the MoU, the BCOMCAA programme is divided into three parts. Part-A: courses from IGNOU. Part-B and Part-C: courses from Foundation and Executive programmes respectively from ICSI for which they get credit transfer.</p> <p>The ICSI exempted the Foundation Courses to their students who have passed the Common Proficiency Test (CPT) from the Institute of Chartered Accountants of India (ICAI). The student of ICSI who get the exemption of foundation courses on completion of CPT from ICAI, could not submit the marksheet of foundation programme of ICSI for getting credit transfer as per the MoU. Hence, they are facing hardship in credit transfer. There are about 200 pending cases of B.Com CAA for credit transfer who fall under this category.</p> <p>The ICSI vide their letter dated 12th July, 2022 has communicated that <i>"the council of ICSI in its 258th meeting held on June 08, 2022 approved that students who have been exempted from CS Foundation Programme of ICSI through CA-CPT route and also registered with IGNOU for BCOMCAA be considered as having 50% marks in each of the subject of CS Foundation Programme (as per the applicable syllabus from time to time)".</i></p> <p>Subsequently, a proposal is submitted for consideration of Common Proficiency Test (CPT) in place of the foundation programme to those students who got the exemption at ICSI. The Academic Coordination Division (ACD) informed that "Since it's a policy matter under MoU may be placed before the Academic Council or its Standing Committee after the due approval of the School Board".</p> <p>Accordingly, it is proposed that as per the decision taken by the ICSI, who got exemption of foundation courses against the CPT of ICAI, the credit transfer required to be accorded by taking completion of CPT into account in place of</p> |
