Dear learner,

Welcome to the “Certificate in Poultry Farming” (CPF) programme.

We hope that you have gone through the Programme Guide of CPF programme carefully and completely. The weightage to the term-end examination (TEE) will be 80% and weightage to the continuous assessment (Assignments) will be 20%. There is one assignment for each course with theory component i.e. three assignments for the programme (OLP-001, OLPI-001 and OLPI-002). Each assignment will be of 50 marks which will be ultimately converted to have weightage of 20% of the theory. You are requested to go through the study materials first and then prepare the assignment response following the instructions. Your responses should not be a complete reproduction of the textual material/blocks provided for self-learning purposes. Please submit your assignment responses at the Study Centre/Programme Study Centre (PSC) allotted to you on or before the due date. The assignments will be evaluated by the Counsellors at the study centre/PSC and the respective weightage of marks will be added to the percentage of marks obtained at the term-end examination. Each candidate will have to complete assignments in order to appear in the term-end examination. Candidates are, therefore, advised to take assignments seriously and submit them in time.
