MES-114 MANAGEMENT OF DISTANCE EDUCATION

Answer the following questions in about 500 words each:

- 1) Explain the four pillars of education as explained by the International Commission on Education for the Twenty-first Century.
- 2) Describe the roles and functions of academic council and faculty/schools in governance of a university.
- 3) Critically analyse the role and characteristics of a change agent in education. Describe the skills that a change agent requires.
