MES-115 COMMUNICATION TECHNOLOGY FOR DISTANCE EDUCATION

Answer the following questions in about 500 words each:

- 1) Describe the process of educational communication. How does it happen in a Distance Education system?
- 2) What are different types of field/location recording? Prepare a detailed plan of how you will carry out field recording for a TV programme on any of the theme of your choice from the subject of your expertise at the undergraduate level.
- 3) Critically analyse the implications of Internet for Distance Education system highlighting its strengths and limitations.
