Guidelines

1. **Planning:** Read the assignments carefully. Go through the self learning material on which they are based. Make some points regarding each question and then rearrange these in a logical order.
2. **Organization:** Be selective and analytical. Give attention to your introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarize your response to the question
3. **Make sure that your answer:** is around 600 - 800 words for each question; is logical, coherent and has clear connections between sentences and paragraphs; is written correctly giving adequate consideration to your expression, style and presentation;
4. **Presentations:** Once you are satisfied with your answers, you can write down the final version for submission, write each answer neatly and underline the points you wish to emphasize.
