Certificate Programme in French Language

Programme Code:-CFL

Dear learner,

You may now be familiar with basic French sentence structures as well as vocabulary. The given assignments here have been developed following the structure and progression as given in the SLMS with you. Each assignment is of 100 marks and will be evaluated by your counsellor.

Aims and Objectives: The assignments given here are intended to make you capable of using French in given situations and for simple everyday tasks like writing letters or e mails.

Guidelines: All questions you find here have been discussed already in the contact classes or in the Study materials provided to you. You should try to answer them from memory or even consult other supplementary material or help, even media sources such as the internet to complete the assignments.

Remember that it is compulsory to submit assignments before you take the end-term exams. Also, before submitting the written assignments, remember to keep a copy of these with you and take a receipt from your study centre .

Bonne chance!
