**Dear Student,**

The given assignments here have been developed following the structure and progression as given in the SLMs with you. As a part of the DTG Programme, you are required to do one Tutor Marked Assignment (TMA), in all the four courses. These TMAs comprise theoretical as well as practical assignments. Assignments carry 30% weightage in the continuous evaluation process of a course. The term-end examinations carry 70% weightage.

You will be required to answer the questions which are based on the units and your understanding and practice of the activities. Do not reproduce chunks of information from the units. You should try to answer them from memory and if needed, consult other supplementary material, even media sources such as the internet to complete the assignments.

Please remember that it is compulsory to submit your assignments before you can take the Term End Exams. Also remember to keep a copy of your assignments with you and do take a receipt from your Study Centre when you submit the assignments. Further information regarding the dates for submission of assignments may be obtained from the official website of IGNOU at [www.ignou.ac.in](http://www.ignou.ac.in)
