COURSE CODE: CTE

Dear Student,

We hope you enjoyed reading this course and found it useful in applying it to your teaching practice. In order to help you understand the material better and prepare you for the examination later, we have an assignment for each of the courses. All the assignments are Tutor Marked Assignments (TMAs) and carry 100 marks each.

Aims: The TMAs are mainly concerned with your ability to understand the material and apply it meaningfully in your teaching. These assignments are as much a teaching device as a testing tool.

Guidelines: You will be required to answer the questions based on the units and your understanding of the teaching-learning process. Do not reproduce chunks of information from the units. As in day-to-day life, planning is important in doing the assignments well. Read the assignments carefully; go through the units on which they are based; note down some points regarding each question and then re-arrange them in a logical order. In an essay-type answer, allot adequate space to your introduction and conclusion. The introduction must tell the evaluator how you interpret the given topic and how you propose to develop it. The conclusion must summarize your views on the topic. **You should write in your own handwriting.** Make sure that your answer:

- a) is logical;
- b) is written in simple and correct English;
- c) is written neatly and clearly.
- d) reflects your understanding of the teaching-learning situation.

Please remember that it is compulsory to submit your assignments before you can take the Term End Exams. Also remember to keep a copy of your assignments with you and do take a receipt from your Study Centre when you submit the assignments.

Last Date for Submission of Assignment:

For June Exam : 31st March / as per the dates given on the University website

For December Exam: 30th September / as per the dates given on the University website

Also remember that all the five courses are compulsory i.e. CTE 101, CTE 102, CTE 103, CTE 104 and CTE 105. In this assignment booklet we are including all the three compulsory courses and you have to attempt all the three courses.

Good Luck!

Note: Remember the submission of assignment is a precondition for appearing in the examination. If you do not submit the assignment on time, you will not be allowed to appear in the examination.
