## PGDIDM/PGDIDMOL and First Year MAJDM/MAJDMOL ASSIGNMENTS

Dear Learner,

As the Programme Guide explains, you must submit one assignment for each theory course. Before attempting the assignments, please read the detailed instructions in the Programme Guide.

The last date of submission is given for each assignment. Please note that you have to submit these assignments to the **Coordinator of your Study Centre** within the stipulated time to be eligible to appear in the term-end examination. *The PGDIDMOL and MAJDMOL students need to submit their assignments through LMS.*

You must mention your **Enrolment Number, Name, Address, Assignment Code and Study Centre Code** on the first page of the Assignment. You must obtain and retain a **Study Centre** receipt for the submitted assignments. It would be advisable to maintain a photocopy of the assignments with you.

After evaluation, the assignments have to be returned to you by the Study Centre. Please insist on this and **keep a record of it with you**. The Centre will send the marks you obtained to SED at IGNOU, New Delhi.

### Guidelines for doing Assignments

Attempt all questions given in each of the assignments as instructed. You will find it helpful to keep the following points in mind:

**Planning:** First, read the study material carefully, attend teleconferencing sessions and interactive radio counselling sessions conducted for the programme; if required, you can obtain details from the Study Centre/Regional Centre, and then read the assignments carefully. Go through the units on which they are based. Make some points regarding each question and then rearrange them logically.

**Organisation:** Draw a rough outline of your answer. Be analytical in your selection of the information for your answer. Give adequate attention to the introduction and the conclusion. Make sure that the answer:

- is logical and coherent;
- has a proper flow of information in sentences and paragraphs; and
- is written correctly, giving adequate consideration to your expression, style and presentation.

**Presentation:** Once you are satisfied with your answer, you can write down the final version for submission, neatly separating each answer.

With best wishes,

Prof. K S Arul Selvan

**Note:** Answer all the questions. All questions carry equal marks = 20 each. Attempt each question in about 500 words.

---

1. Analyse how the shift from traditional to digital media has influenced the formation of the Information Society. How have digital technologies transformed media consumption patterns and audience engagement in India?
2. Instead of discussing barriers, examine successful ICT-based initiatives to empower women in India. How have projects like Digital Saksharta Abhiyan, SEWA's ICT programs, or private-sector interventions contributed to bridging the gender digital divide?
3. Analyse the impact of cyberspace on the Indian diaspora. How has digital media facilitated cultural preservation, transnational communication, and economic participation for the Indian diaspora in the globalised world?
4. Investigate the ethical dilemmas of misinformation, deepfakes, and data privacy breaches in new media. How can policymakers and technology companies create frameworks to mitigate these issues while maintaining freedom of expression?
5. Compare India's cyber laws with international frameworks. What lessons can India learn from these global legal structures to strengthen its Information Technology Act and cybercrime regulations?
