

MAJDM/MAJDMOL (2nd Year) ASSIGNMENTS

Dear Learner,

As the Programme Guide explains, you must submit one assignment for each theory course. Before attempting the assignments, please read the detailed instructions in the Programme Guide.

The submission deadline is provided for each assignment. Please note that you have to submit these assignments to the **Coordinator of your Study Centre** within the stipulated time to be eligible to appear in the term-end examination. *The MAJDMOL students need to submit their assignments through LMS.*

You must mention your **Enrolment Number, Name, Address, Assignment Code and Study Centre Code** on the first page of the Assignment. You must obtain and retain a **Study Centre** receipt for the submitted assignments. It would be advisable to maintain a photocopy of the assignments with you.

After evaluation, the assignments have to be returned to you by the Study Centre. Please insist on this and **keep a record of it**. The Centre will send your marks to SED at IGNOU, New Delhi.

Guidelines for doing Assignments

Attempt all questions given in each of the assignments as instructed. You will find it helpful to keep the following points in mind:

Planning: First, read the study material carefully, attend teleconferencing sessions and interactive radio counselling sessions conducted for the programme; if required, you can obtain details from the Study Centre/Regional Centre, and then read the assignments carefully. Go through the units on which they are based. Make points for each question, then rearrange them logically.

Organisation: Draw a rough outline of your answer. Be analytical in selecting the information for your answer. Give adequate attention to the introduction and the conclusion. Make sure that the answer:

1. is logical and coherent;
2. has a proper flow of information in sentences and paragraphs; and
3. is written correctly, giving adequate consideration to your expression, style and presentation.

Presentation: Once you are satisfied with your answer, you can write down the final version for submission, neatly separating each answer.

With best wishes,

Assignment Code: MNM036

January 2026 / July 2026

Maximum Marks: 100

Weightage: 30%

*Note: Answer all the questions. All questions carry equal marks = 20 each
Attempt each question in about 500 words*

1. Select one news event reported on two different media platforms (print, TV, digital, or social media). Analyse how the medium influenced news presentation, framing, and audience understanding of the same event.
2. Identify one traditional media form and its digital version. Trace the shift in technology and usage patterns. Analyse how this transition has affected social or cultural practices and contributed to new forms of digital inequality.
3. Select one alternative or independent digital media platform. Analyse how digital media supports alternative voices through content creation and audience participation. Briefly discuss challenges related to ownership, visibility, funding, or democratic communication.
4. Choose any one Information Literacy model discussed in the course. Explain its key ideas and analyse how it helps individuals search, evaluate, and use digital information responsibly in everyday life.
5. Select one film or series available on an OTT or digital platform. Analyse how digital distribution has influenced genre conventions, storytelling style, or audience engagement compared to traditional cinema.
