

Dear Student

The Post Graduate Certificate in Cyber Law (PGCCL) comprises of four compulsory courses. You have to do Tutor Marked Assignments (TMA'S) for all the four courses (MIR-011 to MIR-014). The assignments are compulsory for successful completion of programme. The assignment for a course covers all the units of the concerned course. It is important that you write the answers to all the assignment questions in your own words; don't copy from the study material. Each assignment consists of two parts. Part A and Part B. Each Question in Part A carries 10 marks and in Part B carries 15 marks.

Submission

You have to submit the assignments to the Coordinator of your Study Centre. You must obtain a receipt from the Study Centre for the assignment/s submitted and retain it with you. It is desirable to keep with you a photocopy of the assignment/s submitted by you. Once evaluated, the Study Centre will return the assignments to you. Please insist on this. The Study Centre will send the marks to the SED at IGNOU, New Delhi.

You need to submit the assignments at your study centers as per the last date given below

For January Session - 31st march

For July Session - 30th September

Guidelines for Doing Assignments

Before attempting the assignments please read the detailed instructions provided in the Programme Guide sent to you separately.

You will find it useful to keep the following points in mind while writing the assignments:

a) Planning: Read the assignments carefully, go through the units on which they are based. Make some points regarding each question and then rearrange them in a logical order.

b) Organization: Be a little selective and analytic before drawing up a rough outline of your answer. In an essay type question, give adequate attention to your introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summaries your answer to the question.

Make sure that your answer is:

- Logical and coherent;
- Has a clear connection between sentences and paragraphs;
- Is written correctly giving adequate consideration to your expression, style and presentation.

Note: You may have to study other reference books apart from study material.
