INSTRUCTIONS FOR ASSIGNMENTS:

As part of MLIS Programme, each candidate has to do **one** Tutor Marked Assignment (TMA), and a seminar/practical in each of the six core courses and two electives selected by her/him.

Assignment and seminar/practical carry 30% weightage each in the continuous evaluation of a course. The term-end examinations carry 70% weightage.

The assignments as well as seminars/practicals will be evaluated at the study centre and the respective percentage (30 per cent) of marks will be added to their percentage of marks obtained at the term-end examination. Each candidate will have to complete assignments as well as participate in the seminars/practicals in order to qualify for the term-end examination. Candidates are, therefore, advised to take assignments and the seminars/practicals seriously, complete the assignments in time and ensure their participation in the seminars/practicals.

Note: You can write your assignments in English as well as in Hindi medium.
