## M.A. 1<sup>st</sup> Year (Public Administration)

Dear Student,

As a requirement of the Programme, you will have to do one Tutor Marked Assignment (TMA) for each course.

Before you attempt the assignments, please read the instructions carefully provided in the Programme Guide. It is important that you answer the TMA questions in your own words. Your answers should be within the approximate range of the word-limit set for each question. Remember, writing answers to assignment questions will improve your writing skills and prepare you for the term-end examination.

You are to submit the assignments to the Coordinator of your Study Centre. You must obtain a receipt from the Study Centre for the assignments submitted and retain it with you. It is desirable to keep with you a photocopy of the assignments submitted by you.

Once evaluated, the Study Centre will return the assignments to you. Please insist on this. The Study Centre will send the marks to the SE Division at IGNOU, New Delhi.

We expect you to answer each question as per instructions in the assignment. You will find it useful to keep the following points in mind:

- 1) **Planning:** Read the assignments carefully, go through the Units on which they are based. Make some points regarding each question and then rearrange them in a logical order.
- 2) **Organisation:** Be a little selective and analytical before drawing up a rough outline of

your answer. Give adequate attention to question's introduction and conclusion.

Make sure that:

- a) The answer is logical and coherent
  - b) It has clear connections between sentences and paragraphs
  - c) The presentation is correct in your own expression and style.
- 3) **Presentation:** Once you are satisfied with your answer, you can write down the final version for submission. **It is mandatory to write all assignments neatly in your own handwriting.** If you so desire, you may underline the points you wish to emphasize. Make sure that the answer is within the stipulated word limit.

Wishing you all the best,
