Dear learner,

As explained in the Programme Guide, you will have to do a Tutor Marked Assignment for each course in Political Science. This booklet contains the assignments of the first year courses of the Masters Programme in Political Science.

You need to submit all the assignments within the stipulated time for being eligible to appear in the term-end examination. Before you attempt the assignments, please read the instructions carefully provided in the Programme Guide.

It is important that you write the answers in your own words. Your answers should be within the approximate range of the word-limit set for a particular section. Remember, writing answers to assignment questions will improve your writing skills and prepare you for the term-end examination.

All assignments, including these, have to be **submitted to the Coordinator of your Study Centre**. Remember to obtain a receipt from the Study Centre for the assignments submitted and retain it. If possible, keep a Xerox copy of the assignments with you.

The Study Centre will have to return the assignments to you after they are evaluated. Please insist on this. The Study Centre will note down the marked awarded for each assignment and forward them to the Student Evaluation Division (SED) at IGNOU, New Delhi.
