Dear Learner,

Welcome to the MSWC (2nd year) programme of IGNOU. You have purposefully chosen to become a post graduate in Social Work Counselling to contribute towards improving the social conditions of people. To successfully complete your MSWC program, kindly follow the following tips:

- Read the programme guide before you begin your studies. It will clarify most of your doubts regarding how to go about doing the MSWC Program from IGNOU.
- Submit your assignments to the Study Centre on time.
- Be in touch with your Study Centre and Regional Centre
- Meet your Field Work Supervisor (FWS) at the Study Centre for Fieldwork Supervision
- Fill up the examination form on time.

Assignments are open book examination and we at IGNOU assign 30 per cent weightage to the assignment while calculating the overall grade for each course. **Assignments are to be handwritten and duly signed before its submission in the Study Centre.** In order to prepare a good set of assignment responses, you must first of all read the units) from which a particular question has been framed. Discuss with your peer-group and academic counselors who teach you. Prepare a draft, do the necessary correction on it and then, prepare the final version for submission to the Study Centre.

Make sure that each answer starts on a new page. For long and medium answers, ensure that there is an introduction, sub-titles, body and a conclusion. One line should be left between each paragraph. Make sure your answers are specific and in your own words and do not copy from books. Your answers will be exclusively based on the IGNOU materials only. Preparation of assignments is preparation for your term-end examination. Therefore take the assignments seriously.
