2. **Organization:** Be a little selective and analytic before drawing up a rough outline of your answer. Give adequate attention to your introduction and conclusion.

Make sure that your answer:

- a. is logical and coherent;
 - b. has clear connections between sentences and paragraphs; and
 - c. is written correctly giving adequate consideration to your expression, style and presentation.
3. **Presentation:** Once you are satisfied with your answer, you can write down the final version for submission, writing each answer neatly and underlining the points you wish to emphasize.

Wishing you all the best,
