Before attempting the assignments, please read the instructions provided in the MTTM Programme Guide.

**Note:** All Assignments must be **submitted in time** in order to appear in the Term-end examination and they should be **sent to the Coordinator of your Study Centre**. You must mention your enrolment number, name, address, Assignment code and Study Centre Code on the first page of the assignment.

**You must obtain a receipt from the study centre for the assignments submitted and retain it.** If **possible**, keep a photocopy of the assignments with you.

### GUIDELINES FOR DOING ASSIGNMENTS

We expect you to answer each question in about 500 words or as mentioned in the assignment. You will find it useful to keep the following points in mind:

- 1) **Planning:** Read the assignment questions carefully. Go through the Units on which they are based. Make some points regarding each question and then rearrange them in a logical order.
- 2) **Organisation:** Be a little selective and analytic before drawing up a rough outline of your answer. Give adequate attention to your introduction and conclusion.

Make sure that your answer:

- a) is logical and coherent;
  - b) has clear connections between sentences and paragraphs; and
  - c) is written correctly giving adequate consideration to your expression, style and presentation.
- 3) **Presentation:** Once you are satisfied with your answers, you can write down the final version for submission, writing each answer neatly and underlining the points you wish to emphasise.

Wishing you all the best
