

Quality Academic Research at IGNOU (2020-2024)

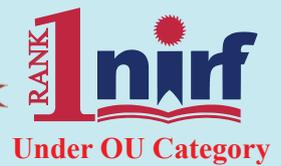

“शिक्षा मानव को बन्धनों से मुक्त करती है आज के युग में तो यह लोकतन्त्र की भावना का आधार भी है। जन्म तथा अन्य कारणों से उत्पन्न जाति एवं वर्गगत विषमताओं को दूर करते हुए मनुष्य को इन सबसे ऊपर उठाती है।”

– इन्दिरा गाँधी

"Education is liberating force, and in our age it is also democratising force, cutting across the barriers of caste and class, smoothing out inequalities imposed by birth and other circumstances."

- Indira Gandhi

Foreword

At the Indira Gandhi National Open University (IGNOU), research serves as a cornerstone of our academic ethos and institutional mandate. As a national university established by an Act of Parliament, IGNOU is entrusted with the responsibility to expand access to quality higher education through flexible and innovative modes of learning, both within India and abroad. In pursuit of this mission, the University has consistently prioritised the advancement of a robust research ecosystem that not only informs academic excellence but also drives systemic innovation in the field of open and distance learning.

With its nationwide network of 57 Regional Centres (RCs), 12 Recognised Regional Centres (RRCs), and nearly 2000 Learner Support Centres (LSCs), along with 25 Overseas Study Centres across 15 countries, IGNOU stands as a global institution in the Open and Distance Learning (ODL) domain. Supported by an extensive digital infrastructure and a growing portfolio of online programmes, the University is uniquely positioned to advance research that informs both policy and practice in contemporary higher education.

To accomplish this multifaceted undertaking in a time-bound and systematic manner, the Centre for Internal Quality Assurance (CIQA) was entrusted with the task of reviewing the research ecosystem of the University pertaining to the period 2020-2025.

A dedicated section on research publications showcases the depth and breadth of scholarly output through University journals, research papers in national and international journals, and authored or contributed books, chapters, and course units. The compilation reflects the consistent efforts of our faculty and scholars in enhancing academic visibility and impact. The section on research projects underscores the University's engagement with sponsored and collaborative research that addresses pressing societal challenges and educational needs. Additionally, doctoral research remains a vibrant and growing component of IGNOU's academic profile, reflecting the mentoring and intellectual leadership of our faculty and the aspirations of our research scholars. The final section, 'The way Ahead,' presents a forward-looking vision that emphasizes applied research, innovation, entrepreneurship, and the strategic use of technology to further strengthen our research outputs and institutional capabilities.

I extend my sincere appreciation to all committee members for their dedicated efforts in preparing this important document. I am confident that this publication will serve not only as a record of IGNOU's recent research achievements but also as a strategic resource for future planning and academic growth. It reaffirms our vision of fostering a culture of inquiry, innovation, and lifelong learning in a rapidly changing global landscape.

Prof. Uma Kanjilal
Vice Chancellor
Indira Gandhi National Open University

Acknowledgment

In alignment with the strategic objectives of the Indira Gandhi National Open University (IGNOU), and in view of its continued commitment to institutional excellence, the Centre for Internal Quality Assurance (CIQA) undertook the task of developing a comprehensive calendar of activities to guide and support preparations for the second cycle of NAAC accreditation and the NIRF 2026 ranking process. These activities were designed to address critical domains, including NAAC-related documentation and data validation, National Education Policy (NEP) 2020 implementation, data capturing and analysis for the National Institutional Ranking Framework (NIRF), and the development of Standard Operating Procedures (SOPs), policy documents and best practices to streamline internal processes and ensure compliance with national quality benchmarks.

To accomplish this multifaceted undertaking in a time-bound and systematic manner, the Hon'ble Vice Chancellor constituted a series of committees comprising academic and administrative professionals from across the University. Each committee was entrusted with a specific thematic area, with the responsibility of planning, preparing, and reviewing documentation and institutional practices in accordance with the evolving frameworks of quality assurance and regulatory expectations.

The Centre for Internal Quality Assurance (CIQA) sincerely acknowledges and appreciates the outstanding commitment, scholarly engagement, and collaborative spirit demonstrated by all committee members. Their meticulous attention to detail, academic rigour, and deep understanding of the institutional processes were critical to the successful preparation of comprehensive and credible documentation in support of the University's goals. The committee members undertook additional responsibilities beyond their regular duties, working diligently to collate data, contribute to narrative reports, validate evidence, and ensure alignment with national quality parameters.

The academic staff of CIQA collected the information on the publications from the teachers and academics of the University. The data pertaining to the collaborations and projects was collected from Planning & Development Division and Administration Division. The information pertaining to the journals were obtained from STRIDE and the concerned Schools. Regarding doctoral research the information was obtained from the Research Unit.

The committees' collective efforts have greatly strengthened the University's internal quality systems and have contributed meaningfully to projecting IGNOU's distinct status as a national resource in the field of open and distance and online education. Their work reflects not only professional excellence but also a shared vision of advancing IGNOU's mission of inclusive and quality higher education across the country and beyond.

CIQA places on record its deep gratitude to the Hon'ble Vice Chancellor for her support, insightful leadership and guidance. Above all, CIQA extends its heartfelt thanks to each committee member for their valuable contributions, without which the timely completion of this critical institutional endeavour would not have been possible.

Prof. Vijayakumar P.

Director, CIQA

1. INTRODUCTION

Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has played a pivotal role in transforming higher education in India by embracing the Open and Distance Learning (ODL) and Online systems. As the largest university in the world by enrolment, IGNOU not only enhances access to education for diverse populations but also stands out as a centre of excellence in academic research across a wide range of disciplines.

The university boasts of a robust operational framework comprising a nationwide network of 57 IGNOU Regional Centres (RCs), 12 Recognized Regional Centres (RRCs), and around 2000 Learner Support Centres (LSCs). IGNOU is empowered by its Act to offer programmes at international level its overseas study centres. Currently, it is offering ODL and Online programmes through its 25 Overseas Study Centres located in 15 countries. This extensive infrastructure is designed to provide learners with academic and administrative support, ensuring a seamless learning experience. Furthermore, IGNOU has invested heavily in developing a comprehensive digital infrastructure, including online learning platforms and resources, which allows learners to engage with course materials and participate in interactive sessions from virtually any location. This commitment to leveraging technology not only breaks down geographical barriers but also caters to the needs of working professionals and New Age learners seeking flexible learning opportunities. Through these efforts, IGNOU continues to fulfill its mission of democratizing higher education and fostering lifelong learning in a rapidly changing world.

Research at IGNOU is fundamental to its mission to provide flexible and inclusive quality education. IGNOU's mission is to foster collaboration with the government/non-governmental organizations/research institutions to strengthen the learners' engagement with community development, research, skill development, employability, etc.; incentivize research both academic and systemic for quality improvement and better academic visibility; and enhance the quality of academic and sponsored research by promoting applied research, innovation, incubation and entrepreneurship; and redesign learner support services at all levels and strengthening online support services to learners.

The university promotes an environment where teachers, academics and research scholars are encouraged to engage in meaningful and impactful research that contributes to knowledge creation, policy development, and the enhancement of distance learning methodologies. It undertakes both systemic and discipline-based research facilitated by collaboration with Government and Non-government organizations. This strong research orientation ensures that IGNOU remains at the forefront of innovation in open and distance education.

2. RESEARCH ECOSYSTEM

Since inception, IGNOU has promoted multidisciplinary and holistic education through 21 Schools of Studies with faculty members from 50 disciplines. The university also houses an Institute focused on research in Distance Education, *viz.* Staff Training and Research Institute of Distance Education (STRIDE). The University publishes the *Indian Journal of Open Learning*, a dedicated platform for disseminating systematic research to the national and international academic community. At the micro level, the Institute undertakes focused efforts on systematic research through programme evaluations that provide critical feedback for continuous improvement within the system.

There is a dedicated Research Unit that serves as the nodal agency for the coordination of research degree programmes of the University. There are Centres established for undertaking research and development in specialized areas, *viz.* the Centre for Modern Indian Languages, the Centre for Freedom Struggle Diaspora & Studies, the National Centre for Disability Studies, the National Centre for Innovation in Distance Education, National ODL Centre for Local Governance, Centre for Internal Quality Assurance (CIQA) and the Centre for Online Education, along with various Chairs. These resources aim to promote and provide holistic, inclusive, sustainable, and multidisciplinary education, innovation and research. Thus, the university's research initiatives span a wide range of disciplines, specializations, and areas of expertise that include:

- Humanities and Social Sciences
- Pure and Applied Sciences
- Management and Commerce
- Education and Teacher Training
- Law and Legal Studies
- Computer Science and Information Technology
- Health Sciences and Nursing
- Agriculture and Rural Development
- Engineering and Technology
- Vocational Education and Skill Development
- Gender and Development Studies
- Performing and Visual Arts
- Tourism, Hospitality, and Travel Studies
- Translation Studies and Language Development
- Journalism, Media, and New Communication Technologies
- Foreign Languages and Linguistics
- Interdisciplinary and Transdisciplinary Studies
- Extension and Development Studies
- Distance Education and Online Education

The interdisciplinary approach to research at IGNOU comprehensively addresses pressing contemporary challenges in both education and societal development. This approach not only fosters innovative solutions but also plays a crucial role in the formulation of effective policies and the enhancement of pedagogical methodologies, ensuring that educational practices remain relevant and impactful in a rapidly changing world.

IGNOU promotes research among faculty and academics by encouraging them to attend and present papers at Conferences, Seminars both at national and international levels. IGNOU also encourages faculty members to attend refresher/faculty development programmes on research methodology, research ethics etc.

IGNOU encourages its learners to undertake research activities through project work, assignments, field work, internship etc. It also makes concerted efforts to inculcate innovative and critical thinking skills in the learners.

The research potential of the University is evident from a large number of publications in discipline-based and systemic research; research projects being sanctioned to the faculty; the growing number of aspirants in IGNOU's research programmes and the number of research degrees awarded.

3. RESEARCH PUBLICATIONS

The University cultivates a rich environment that promotes research, innovation, and outreach initiatives. In this section dedicated to documenting the Research Trajectory, we showcase the academic rigor and credibility that underscore IGNOU's steadfast commitment for producing its own esteemed peer-reviewed research journals. These journals are renowned for their scholarly integrity and contribute significantly to the academic community.

Additionally, the dedicated efforts of the faculty members, who are passionate about advancing knowledge in Open and Distance Learning (ODL) and a variety of other disciplines, have been highlighted. Through their rigorous research endeavours, they have published numerous research papers in reputed international and national journals, reinforcing the University's role as a leader in knowledge dissemination and academic excellence.

3.1 Journals of IGNOU

IGNOU (Indira Gandhi National Open University) publishes scholarly journals covering diverse fields aligned with its academic programmes and research interests. These journals serve as platforms for disseminating knowledge, fostering academic discourse, and contributing to advancements in various disciplines. Notable journals include the "Indian Journal of Open Learning," focusing on open and distance education, and "Jambudvipa - the e-Journal of Indic Studies," dedicated to Indian knowledge systems. The "IGNOU Journal of Media and Empowerment" is a peer-reviewed, open-access online research journal from the School of Journalism and New Media Studies. These publications reflect IGNOU's commitment to research and its role as a leading institution in open learning.

A) *IJOL - Indian Journal of Open Learning* (ISSN: 0971-2690), is a peer-reviewed, refereed international journal published quarterly by the Staff Training and Research Institute of Distance Education (STRIDE) on behalf of Indira Gandhi National Open University (IGNOU). Established in 1992, the journal is recognized by the University Grants Commission (UGC) and listed in the UGC-CARE list.

IJOL serves as a platform for scholarly discussions and research dissemination in open and distance learning, online education, blended learning, educational technology, and other innovative pedagogical models. It facilitates academic discourse with a particular focus on India and other developing nations.

All submissions undergo a rigorous blind peer-review process. Authors are required to ensure originality, provide plagiarism reports, and obtain copyright clearance for their materials. The journal invites research papers (3,000–6,000 words, or up to 10,000 words in exceptional cases), short research-based notes (1,500–3,000 words), and book reviews (1,500–2,000 words). The online portal for IJOL is accessible at <http://journal.ignouonline.ac.in>.

B) *Jambudvipa - The e-Journal of Indic Studies* (ISSN: 2583-6331), launched in 2022, is a peer-reviewed, half-yearly academic journal focusing on Sanskrit and Indic Studies. It is an

interdisciplinary publication dedicated to the analysis of India's Sanskrit, Pali, and Prakrit traditions and their interaction with global Indic studies. The journal covers a wide range of subjects, including Darshan, Ved, Vyakaran, Sahitya, Ayurved, Yoga, and other aspects of the Indian Knowledge System. Articles can be written in Hindi, Sanskrit, or English.

The journal provides a platform for teachers, educators, scholars, and policymakers to contribute original research, critical analysis, and innovative ideas in the field. It also welcomes articles from related disciplines concerning contemporary Indic issues. The submissions are rigorously reviewed through a double-blind peer review process, ensuring high academic standards.

Authors are required to submit research papers (4000-6000 words) in a prescribed format, free of grammatical errors, plagiarism, and copyright infringement. Manuscripts are to be uploaded via the journal's online submission system in MS Word format (.doc or .docx). The review process assesses originality, validity, and significance, with decisions based on the expert opinions of peer reviewers. The journal emphasizes transparency and ethical publication practices. The online portal for IJOL is accessible at <http://journal.ignouonline.ac.in/index.php/jjis>.

C) IGNOU Journal of Media and Empowerment (ISSN: 3048-8478), launched in 2024 by the Indira Gandhi National Open University (IGNOU), aims to explore the intersection of media, empowerment, and democratic participation. This peer-reviewed, open-access journal focuses on Media and Information Literacy (MIL), with a particular emphasis on access, interpretation, and participation, which together promote holistic development and responsible citizenship. It examines the relationship between media literacy, digital inequality, and digital empowerment.

The journal is published biannually, with volumes released in January and July. It follows a double-blind peer review process, facilitated through an Open Journal Systems (OJS) platform, ensuring academic rigor. Articles are reviewed by registered scholars and external reviewers based on the article's focus. Submissions must adhere to specific formatting and bibliographic guidelines and should not be previously published or under review elsewhere. The journal is hosted on the IGNOU server and is accessible online at <http://journal.ignouonline.ac.in/index.php/IGNOUJME>.

3.2 Research Papers in Journals (2020-2024)

Teachers, academics, and research scholars at IGNOU are actively involved in a wide range of academic and research activities, contributing significantly to the field through their scholarly publications. They regularly publish their research findings in prestigious peer-reviewed journals that are recognized and indexed in the UGC CARE list, Scopus, Web of Science, Indian Citation Index, etc. This commitment to academic excellence is reflected in the substantial number of research papers they have published in various journals from 2020 to 2024 highlighting their ongoing dedication to advancing knowledge and fostering intellectual growth. The number of publications during this period is presented in Table 1. The details of the research papers are given in **Appendix 1**.

Table 1: Number of Research Papers Published (2020-2024)

Sl. No.	Year of Publication	Number of Research Papers Published in national and international Journals
1)	2020	122
2)	2021	211
3)	2022	175
4)	2023	150
5)	2024	136

This extensive collection of research publications during 2020 to 2024, stands as a vital repository of scholarly contributions. It showcases the university's ongoing commitment to innovation and emphasizes its role in advancing knowledge dissemination on a global scale. Through these publications, the university not only highlights pathbreaking research but also fosters collaboration among scholars worldwide.

Moreover, this compilation underscores the dedication of the academic community to achieving excellence in their fields, promoting innovative solutions to pressing societal issues, and actively engaging in social transformation. It reflects the university's vision of contributing to academic discourse making a tangible impact on communities and shaping the future through education and research.

The University actively fosters a culture of innovation and excellence in research by recognizing outstanding contributions through prestigious awards. Each convocation ceremony provides a platform to celebrate the best research papers and innovative projects, showcasing the remarkable work of learners and faculty alike. These awards not only highlight individual achievements but also inspire the entire academic community to strive for excellence in their scholarly endeavours.

3.3 Books & Chapters in Books/ Units in SLMs (2020-2024)

From 2020 to 2024, faculty and academics from the University authored or edited a total of 33 books. They also contributed to the academic community by writing chapters for various publications and developing study materials used in the University's academic programmes. Detailed information on the books and book chapters published by IGNOU fraternity can be found in **Appendix 2**. The total number of publications year-wise is summarized in Table 2.

Table 2: Number of Books and chapters in Books/Units in SLMs (2020-2024)

Sl. No.	Year of Publication	Number of Books published	Number of Chapters in Books published/Units in SLMs
1	2020	13	66
2	2021	4	225
3	2022	4	215
4	2023	0	311
5	2024	14	295

IGNOU's emphasis on innovation in distance education is evident in publications like *Innovations in Distance Education (2020)* and *Institutional Development Plan of IGNOU 2030 (2021)*, which highlight the evolving methodologies and strategic growth of the institution. In the realm of science and environmental studies, contributions such as *Comprehensive Laboratory*

Manual of Life Sciences (2020) and Textbook of Environmental Studies (2024) demonstrate a focus on interdisciplinary learning and sustainability.

The university's engagement with societal and cultural studies is reflected in works like *Reel and the Real: Portrayal of Gay Men in Bollywood Films* (2020) and *Adolescence in India: Issues, Challenges and Possibilities* (2022), addressing contemporary social issues. Additionally, publications on technology and professional development, such as *Computer Graphics* (2024) and *MOOCs and HRM: Revolutionizing Professional Development in Higher Education* (2024), underscore IGNOU's role in fostering digital learning and professional training.

IGNOU faculty have also contributed to research on sustainability and corporate studies, as seen in *Corporate Sustainability: A New Paradigm* (2024) and *Migration and Rural Development: Pre-Covid Scenario* (2022). These works support policy development and provide insights into global and national socio-economic challenges.

A significant milestone in IGNOU's institutional legacy is documented in *IGNOU: A Timeless Tapestry of Academic Excellence* (2024), chronicling the university's achievements and impact. These scholarly contributions affirm IGNOU's mission of knowledge creation and dissemination, reinforcing its status as a premier institution in open and distance learning.

4. RESEARCH PROJECTS & COLLABORATIONS

In accordance with national and international quality standards, IGNOU is committed to continuously enhancing its research ecosystem. This is achieved through strategic collaborations with international organizations, government agencies, academic institutions, and industry partners. Such partnerships facilitate research initiatives, programme development, and the delivery of IGNOU's educational programmes.

An analysis of the research projects funded by government and non-government agencies reveals a robust engagement of the University's faculty across diverse thematic areas. A total of 20 projects between 2020 and 2025 have been undertaken across various schools and centres of the University, reflecting its strong engagement with national priorities in education, health, social development, science, and technology. The projects span multiple disciplines, indicating the University's multidisciplinary research environment and its responsiveness to national priorities and global needs.

The *Centre for Online Education (COE)* emerges as a significant hub of activity, with three major ongoing projects SWAYAM, SWAYAM PRABHA, and IGNOU-PMU all spearheaded by Prof. Uma Kanjilal and funded by the Ministry of Education. These initiatives align with the Government of India's thrust on digital learning and technology-enabled education delivery. Notably, the IGNOU-PMU project receives substantial recurring funding of INR 6 crores annually, underlining its strategic importance.

The *School of Social Sciences* and *School of Social Work* have also made notable contributions. Projects such as Impact of Swachh Bharat Abhiyan, Education and Human Capital Formation, and MoUs with Dr. Ambedkar Foundation and Department of Justice indicate a strong focus on policy research, social equity, and rural development. The funding amounts in this category range from INR 5 to 75 lakhs, demonstrating varied scales of operation and impact.

In the *School of Sciences*, projects supported by SERB and NIDM highlight IGNOU's role in scientific research and disaster resilience. High-value projects such as Monitoring Ecological Integrity (INR 29.72 lakhs) and Magnetic Nanocomposites (INR 20.81 lakhs) showcase the university's engagement in cutting-edge scientific domains.

Health-related initiatives from the *School of Health Sciences*, in collaboration with WHO, reflect international cooperation. The project on Training of Trainers in Health Care Waste Management stands out with a significant funding of INR 79.75 lakhs, indicating IGNOU's expanding global footprint.

The high-value **SANKALP** project (INR 104.36 lakhs), led by COE and EMPC under the Ministry of Skill Development and Entrepreneurship, demonstrates the University's alignment with the national skill development agenda.

Overall, the data underscores IGNOU's interdisciplinary research capacity, effective collaborations with both national and international agencies, and its commitment to serving society through impactful, policy-relevant, and innovative projects.

The range of research projects funded by government and non-government organizations both at national and international levels at IGNOU, reflects significant contributions made by faculty of Schools of Studies in obtaining these projects. The details of the research projects are given in **Appendix 3**.

Since its inception, the University has pursued an active policy of forging partnerships through Memoranda of Understanding (MoUs), Agreements, and Memoranda of Cooperation (MoC) with a wide range of national and international organizations. These collaborations aim to expand educational outreach, enhance skill development, integrate technology into education, and foster global partnerships. In the period under review (2020-2025), a detailed analysis of the 36 agreements signed by IGNOU highlights the trends, thematic distributions, and the institutional divisions responsible for these initiatives.

The year 2022 marked a peak in activity, coinciding with India's post-pandemic recovery efforts and a renewed emphasis on digital and vocational education. It is notable that a large cluster of agreements in 2022 involved skill-based education and international partnerships.

The analysis categorizes the collaborations into six major thematic domains:

- **Defence and Armed Forces Education:** Renewed and expanded partnerships with the Indian Army, Navy, Air Force, and Assam Rifles aim to offer educational and skill-based programmes to defence personnel across India and abroad.
- **Skill Development and Vocational Training:** Collaboration with the Ministry of Skill Development and Entrepreneurship (MSDE), National Skill Development Corporation (NSDC), and other national councils supports skill enhancement and lifelong learning in alignment with the objectives of the National Education Policy (NEP) 2020.
- **Academic Collaborations:** Agreements with professional institutes such as the Institute of Company Secretaries of India (ICSI), the Institute of Cost Accountants of India (ICMAI), and the Indian Institute of Banking and Finance (IIBF) enhance the academic and professional programmes offered by IGNOU.
- **International Cooperation:** MoUs signed with international institutions such as the Guyana Online Academy of Learning (GOAL), Financial University (Russia), and Baikal State University (Russia) reflect IGNOU's growing global engagement and commitment to cross-border educational collaboration.
- **Technology and ICT Innovations:** Partnerships with organizations like Educational Consultants India Limited (EdCIL) and Telecommunications Consultants India Ltd. (TCIL) focus on enhancing technological infrastructure through initiatives like the SWAYAM PRABHA DTH educational channels and the e-Vidya Bharati and e-Arogya Bharati (e-VBAB) network.
- **Specialized Social Sector Initiatives:** Engagements with institutions such as UNICEF, Dr. Ambedkar Foundation, and the Rehabilitation Council of India address critical areas like early childhood education, empowerment of marginalized communities, and disability rehabilitation.

Overall, the findings underscore the strategic significance of these agreements in advancing IGNOU's mandate to provide accessible, affordable, and high-quality education to diverse learner

groups across India and globally. Through these collaborations, IGNOU continues to play a pivotal role in promoting lifelong learning, bridging educational gaps, and contributing to nation-building and global educational development.

The details of the collaborations are given in **Appendix 4**.

5. DOCTORAL RESEARCH

The principal objective of IGNOU's discipline-based research programme is to promote theoretically and empirically sound and original research in the sciences, social sciences, humanities, management, and other disciplines offered by the University. Currently, the Research Degree Programmes (Ph.D.) are offered by the University in 44 disciplines in accordance with UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D. Degree) Regulations, 2021.

The Research Unit of IGNOU, established in 2008, is the nodal unit of IGNOU for the conduct of research programmes at the University. It operates under the overall guidance of the Research Council. The Research Unit coordinates discipline-based research in the Schools. It also organizes induction programmes and workshops for the students enrolled in Ph.D. programmes of the University. It facilitates the research scholars who receive research fellowships from various government agencies like ICSSR, UGC, CSIR, etc. The University also provides financial support under the 'IGNOU-Research Fellowship' scheme, to 100 full-time research scholars who are not receiving financial assistance from any other source. School of Computer and Information Sciences (SOCIS), IGNOU has been granted allotment of 3 Full-Time and 1 Part-Time Ph.D. seats under the prestigious Visvesvaraya Ph.D. Fellowship Scheme for Electronics and IT: Phase II for the Academic Year 2025-26 by the Ministry of Electronics and Information Technology (MeitY).

To facilitate research activities, the University has a fully automated Central Library, well-equipped with books, journals, reports, theses, IGNOU archives, other study material, and e-resources in diverse disciplines with a remote login facility to authorized users. It has designated reading areas for research scholars and other learners as well as visiting faculties. The University has acquired institutional membership of the DELNET, National Digital Library of India (NDL), e-Shodhsindhu and Shodhganga, and Drillbit for plagiarism checking.

Also, seven Laboratories (Physics, Chemistry, Life Sciences, Geology, Geography, Food Processing, and Spanish Language) are functional at the Headquarters.

The number of research scholars who were awarded Ph.D. degrees from 2020 to 2025 is detailed in Table 3, with complete information available in **Appendix 5**.

Table 3: Doctorates awarded during 2021-2025

Sl. No.	Year of Award	Number of Ph.D. awarded
1.	2021 (34 th convocation)	55
2.	2022 (35 th convocation)	75
3.	2023 (36 th convocation)	109
4.	2024 (37 th convocation)	117
5.	2025 (38 th convocation)	91

6. THE WAY AHEAD

As India's premier institution in ODL and Online Modes, IGNOU must strategically enhance its research ecosystem to align with global standards while addressing national priorities. The road ahead involves strengthening research capacity through robust mentorship, interdisciplinary collaboration, and improved infrastructure. Emphasis must be placed on quality over quantity—fostering original, impactful, and socially relevant research.

With the implementation of the National Education Policy (NEP) 2020, IGNOU is uniquely positioned to lead in democratizing research opportunities across diverse geographies. The following strategies may be adopted for strengthen the research ecosystem leading to quality academic research at IGNOU:

- Institutionalize a robust research ecosystem by establishing Research and Development Cell (RDC) at the University by upgrading the existing Research Unit to support interdisciplinary, socially relevant, policy-informing research;
- Promote a culture of inquiry by strengthening internal research policies, ensuring regular funding opportunities by establishing Project Facilitation Unit (PFU).
- Encourage participation of faculty in national and international seminars/Conferences etc. by reinstating Travel Grant Scheme.
- Enhance faculty and learner engagement in funded projects, international collaborations, and policy-relevant studies will elevate IGNOU's research profile.
- Strengthen capacity-building initiatives, particularly for faculty and research scholars to foster a culture of inquiry and excellence with a focus on research methodology, academic writing, ethics, and the use of emerging technologies such as artificial intelligence and big data.
- Develop rigorous research ethics framework, and transparent evaluation mechanisms to ensure accountability and accessibility.
- Facilitate integration of emerging technologies, data analytics, and AI tools in research methodologies for promoting innovation, patents, startups etc.
- Embed quality research as a core institutional value for contributing significantly to the national research output, inform policy decisions, and reaffirm its role as a globally recognised institution committed to inclusive and transformative education.
- Enhance research infrastructure both physical and digital by establishing thematic research centres, improving access to scholarly databases and e-resources, and developing a centralized digital repository for faculty and learner research outputs.
- Promote collaboration with institutions of national and global repute and participate in high-impact research and build academic networks.
- Showcase the quality of doctoral research through reputed journals and conferences.

The future of academic research at IGNOU lies in embedding quality, innovation, and relevance at every step from research design to dissemination. By fostering a supportive and vibrant research environment, IGNOU can reaffirm its role as a thought leader in ODL, contribute meaningfully to India's research landscape, and address complex challenges through evidence-based solutions.

List of Research Papers (2020-2024)

Sl. No.	Title of research paper	Name of the author/s	Department School/ Division/ Centre/ Unit/ Cell of the teacher/ and other academic	Name of journal, Vol no. (Issue no.)	ISSN number
Research Papers Published in 2020					
1	Financial Literacy Leads to Development: Mediating Role of financial Inclusion, An Empirical Study	Abha Gupta and Leena Singh	School of Management Studies	IITM Journal of Business Studies, 7(1)	2393-9451

102	Community building in distance education	S. Venkataraman	School of Sciences	International Journal of Creative Thoughts	2320-2882
103	Integral basis for quartic Kummer extensions over.	S. Venkataraman and Manisha Kulkarni	School of Sciences	Indian Journal of Pure and Applied Mathematics	Online: 0975-465 Print: 0019-5588
104	Exploring Lifecycle Rituals of the Gujjjar Tribe in Kashmir Valley.	Sakib Marazi & Rukshana Zaman	School of Social Sciences	Studies in Indian Anthropology and Sociology	2584-2765

Sl. No.	Title of research paper	Name of the author/s	Department School/ Division/ Centre/ Unit/ Cell of the teacher/ and other academic	Name of journal, Vol no. (Issue no.)	ISSN number
105	Retinal blood vessel segmentation using a deep learning method based on modified U-NET model	Sanjeevani, Arun Kr Yadav, Mohd. Akbar, Mohit Kumar, Divakar Yadav	School of Computer and Information Sciences	Multimedia Tools with Application, Volume 83, pages 82659–82678 (SCIE, IF: 3.6)	1380-7501
106	The molecular paradigm of reactive oxygen species (ROS) and reactive nitrogen species (RNS) with different phytohormone signalling pathways during drought stress in plants	Santanu Samanta, Aryadeep Roychoudhury	School of Sciences	Plant Physiology and Biochemistry	0981-9428
107	Molecular Crosstalk of jasmonates with Major Phytohormones and Plant Growth Regulators During Diverse Stress Responses	Santanu Samanta, Aryadeep Roychoudhury	School of Sciences	Journal of Plant Growth Regulation	1435-8107
108	The Politics of the Plate: A Historical Inquiry into the Food Security System	Santhosh V.K and Diwakar G. D	School of Social Work	Rabindra Bharati University Journal of Economics (CARE List), Vol: XVIII	0975-802X
109	Development of highly discriminatory SCoT- and CBDP based SCAR fingerprint for authentication of Indian senna (Senna alexandrina Mill.) formerly Cassia angustifolia Vahl.)	Sarika Choulsey, Mohd Ashraf Ashfaq, Pushkar Kaira, Sabnam Farhat, Maneesha Pandey, Ch. Anil Kumar and Rama Reddy Nagaraja Reddy	School of Sciences	Frontiers in Plant Science, Sec. Crop and Product Physiology, Volume 15 - 2024	1664-462X
110	Extrusion Technology for Encapsulation: Principle, Method, and Application	Savita Rani, Dinkar B Kamble	School of Agriculture	Journal of Food and Bioprocess Engineering	2676-3494
111	Meritocratic Situation in India, Its Implications and Scope for Future Research -A Review Study	Saxena, A. and Asgar, A.	Staff Training Research Institute of Distance Education	Journal of Emerging Technologies and Innovative Research, Vol. 10, No. 3	2349-5162
112	Assessing the impact of social media influencers on purchase intention of Male cosmetics: mediating role of desire to mimic	Shailza, Madhulika P. Sarkar	School of Management Studies	SN Business & Economics	Online: 2662-9399
113	The Era of Social Media Influencers: A Bibliometric Review	Shailza, Madhulika P. Sarkar	School of Management Studies	Global Journal of Enterprise Information System, Volume 16 Issue-1	Online: 0975-1432 Print ISSN: 0975-153X
114	Communication through Digital Platform: Consumers' Perspective towards e-grocery shopping	Shalini Kushwaha, Meenu Verma, Mukesh Kumar, Vijayakumar P & Deepshika	School of Continuing Education and School of Agriculture	Communicator LIX (1)	0588-8093
115	Review of Joining Processes of Smart materials	Shashank Srivastava, Shweta Tripathi and Bhupender Singh	School of Engineering and Technology (SOET)	Journal of Recent Activities in Production, Vol. IX & Issue No.1	2581-9771
116	Prasad Pakhali Process at Shree Mahaganapati Temple, Goa	Shetgovekar, Suhas	School of Social Sciences	Indian Journal of Anthropological Research	2583-2417

Sl. No.	Title of research paper	Name of the author/s	Department School/ Division/ Centre/ Unit/ Cell of the teacher/ and other academic	Name of journal, Vol no. (Issue no.)	ISSN number
117	Unlocking the Power of Solar Synergy: Enhanced Nitrophenol Degradation using ADGCAAQ Photocatalyst	Shikha Anand, Rajesh K. Yadav, Aditya Nath Yadav, Satyam Singh, Rehana Shahin, Jin-OoK Baeg, Kamini Singh, Maneesha Pandey, Suman Yadav, D. K. Dwivedi.	School of Sciences	ChemSci Advances, 2024, Vol. 1, No. 2, 77-87	2997-9587
118	Generational Role of Sunk Cost Fallacy in Decision Making	Shukla, U., Shanma, S. & Kumar, A.	School of Social Sciences	Journal of the Indian Academy of Applied Psychology, Vol (50), Page 143- 154	0019-4247
119	Generational Role of Sunk Cost Fallacy in Decision Making	Shukla, U., Shanma, S. & Kumar, A.	Discipline of Psychology, School of Social Sciences	Journal of the Indian Academy of Applied Psychology, Vol (50), Page 143- 154	0019-4247
120	A Modified Class of Ratio Type Exponential Estimators of Population Mean using Auxiliary Attribute in Stratified Random Sampling	Singh, H. P., Kumar, H., Trivedi, M. and Garg, N.	School of Sciences	International Journal of Statistics and Reliability Engineering, 11 (1), pp. 14-20.	Print: 2350-0174 Online: 2456-2378
121	Modified correlated measurement errors model for estimation of population mean utilizing auxiliary information	Singh, H.P. & Garg, N.	School of Sciences	Scientific Report, 14, 11086	2045-2322
122	Lifelong learning for sustainable human resources through distance education in developing nations	Siran Mukerji & Anjana	Regional Centre, Noida	Revista Cocar, Special Edition N.26/2024	2237-0315
123	Recent Developments in Metal-Organic Frameworks for Water Purification: A Mini Review	Smriti Rana, Yogesh Kumar, Rahul Kaushik, Lalita S. Kumar	School of Sciences	Chemistry Select. 9(35)	Print: 2365-6549
124	Lab scale evaluation of biomineralization-assisted decolorization of Reactive Blue 4 and toxicity analysis	Subramanian Abirami, Sushmitha Baskar and Krishna Kadirvelu	School of Interdisciplinary and Trans-disciplinary Studies	Bioremediation Journal 1- 12.	1088-9868
125	Optimization of magnetic properties of MnFe ₂ O ₄ by modulating molarity of NaOH as precipitating agent	Sudha Gulati, Shubha Gokhale and Vandna Luthra	School of Sciences	International Journal of Materials Research (Zeitschrift für Metallkunde)	Print: 1862-5282 Online: 2195-8556
126	Scientific Research and Ethics	Suresh Garg and Moumita Das	National Centre for Innovation in Distance Education	University News, Vol 62, No 53, pp 11-13	0566-2257
127	Nutritional Composition of Honey: Implications for Human Health and Disease Prevention	Swapnil Gupta and Others	Regional Centre, Shimla	Agricultural Archives, Volume 3, Issue 3, September 2024	3041-5322
128	International Review of Advanced Learning and Teaching Technologies	Swapnil Gupta and Others	Regional Centre, Shimla	Journal of e-Science Letters, Volume 5, Issue 2, June 2024	3041-5454

Sl. No.	Title of research paper	Name of the author/s	Department School/ Division/ Centre/ Unit/ Cell of the teacher/ and other academic	Name of journal, Vol no. (Issue no.)	ISSN number
129	Community Involvement in Disaster Risk Management (CBDRM) A Study of Disaster Management Volunteers.	Tanushree Verma & Sayantani Guin	School of Social Work	Disaster & Development. 13 (01), 39-60	0973-6700
130	Efficient estimation of the reliability functions in a multicomponent stress-strength set-up for a generalized family of distributions under progressive type II censoring.	Taruna Kumari and Anupam Pathak	School of Sciences	Quality and Reliability Engineering International	0748-8017
131	Comparison of Catechin Profiles (<i>Camellia Sinensis</i>) in Alcoholic Smokers' Plasma and Urine	Thippannagari Lokesh, Chikati Rajasekhar, M. Abdul Kareem and N. Ch. Varadacharyulu	School of Sciences	International Journal of Pharmaceutical Science and Research	2320-5148
132	Reducing Age of Consent for HIV Testing for Minor (16-18 Years) without Mandatory Parental Consent (in Special Situations) in India	Uma Gengaiah and Leena Uppal	School of Gender and Development Studies	Indian Journal of Youth and Adolescent Health ISSN of 2349-2880	2349-2880
133	Coping Strategies among professional social work trainees - A cross-sectional study from India's capital city	Vanita Godara, Ramya and Kannappa V. Shetty	School of Social Work	Journal of Education and Health Promotion	Print: 2277-9531 Online: 2319-6440
134	Non-Verbal Learning Disability (NVLD)	Venkateshwarlu Dasym	School of Education	Jamia Journal of Education	2348 3490
135	Review: Perovskite nanostructures materials versatile platform for advance biosensor applications	Vivek B Korde, Suhas Khot, Dinkar B. Kamble, Shankar Amalraj	School of Agriculture	Sensors and Actuators Reports	2666-0539
136	Research, Development and Social Transformation.	Zaman, R.	School of Social Sciences	Vantage: Journal of Thematic Analysis,	2582-7391

List of Research Projects (2020-2025)

Sl. No.	Title of the Project	Name of the Principal Investigator/Co Investigator	Name of the Funding agency	Type of funding agency (Government/ Non-Government)	Department/ School of Principal Investigator/ Co Investigator	Year of Award	Duration of the project	Funds Sanctioned (INR in Lakhs)
1	SWAYAM	Prof. Uma Kanjilal	Ministry of Education	Government	Centre for Online Education (COE)	2017	Ongoing	Depending on course development and delivery
2	SWAYAM PRABHA	Prof. Uma Kanjilal	Ministry of Education	Government	Centre for Online Education (COE)	2017	Ongoing	Depending on no. of video developed
3	IGNOU-PMU	Prof. Uma Kanjilal	Ministry of Education	Government	Centre for Online Education (COE)	2022	Ongoing	6 crores per year
4	Impact of Swachh Bharat Abhiyan on Rural Health and Hygiene Practices: A Study of Uttar Pradesh and Bihar	Dr. Saumya, Dr. Sayantani Guin & Prof. Rose Nemiakkim	Indian Council of Social Science Research (ICSSR)	Government	School of Social Work	2019	24 months	20.00
5	Climate Adaptive Planning for Resilience and Sustainable Development in Multi-Hazard Environment (CAP-RES)	Prof. Subhakanta Mohapatra	National Institute of Disaster Management (NIDM)	Government	School of Sciences	2020	Three Months, extended due to COVID	4.00
6	Monitoring ecological integrity and its impact on local communities in the Alaknanda river basin	Prof. Benidhar Deshmukh	Science and Engineering Research Board (SERB)	Government	School of Sciences	2021	36 months	29.72
7	The role of spacer layer in exchange coupled bi-phase magnetic multilayers and nanocomposites	Dr. Subhalakshmi Lamba	Science and Engineering Research Board (SERB)	Government	School of Sciences	2021	36 months	20.81
8	Development of e-package for IMNCI for Physicians (Part-I)	Prof. T.K. Jena	World Health Organization (WHO)	Non-Government	School of Health Sciences	2021	9 months	4.31
9	Skill Acquisition and Knowledge Awareness for Livelihood Promotion (SANKALP)	Prof. Shachi Shah and Dr. KD Prasad	Ministry of Skill Development and Entrepreneurship	Government	COE and EMPC	2021	24 months	104.36

Sl. No.	Title of the Project	Name of the Principal Investigator/Co Investigator	Name of the Funding agency	Type of funding agency (Government/ Non-Government)	Department/ School of Principal Investigator/ Co Investigator	Year of Award	Duration of the project	Funds Sanctioned (INR in Lakhs)
10	Development of e-package for IMNCI for Physicians(Part-2)	Prof. T.K. Jena	World Health Organization (WHO)	Non-Government	School of Health Sciences	2022	7 months	17.33
11	Construction of Behavioural Competency Assessment Tool and Development of Module for Behavioural Competencies for ASOs	Prof Suhas Shetgovekar & Dr. Monika Misra	Institute of Secretariat Training & Management, Department of Personnel & Training, GoI	Government	School of Social Sciences	2022	6 months	5.45
12	Education and Human Capital Formation: The case of Low Income Households in select Indian states.	Prof. Nita Mathur	Indian Council of Social Science Research (ICSSR)	Government	School of Social Sciences	2022	24 months	5
13	MoU between IGNOU & Dr. Ambedkar Foundation, Ministry of Social Justice and Empowerment	Prof. Alka Dhameja	Ministry of Social Justice and Empowerment	Government	School of Social Sciences	2022	24 months	75
14	IMPRESS-ICSSR Impact of Swachh Bharat Abhiyan	Dr. Saumya	Indian Council of Social Science Research (ICSSR)	Government	School of Social Work	2020	24 months	20
15	Livelihood opportunities and changing status of the Women - A study of the Mid-Himalayan Society.	Dr. Deepak Paliwal and Dr. Ashwini Kumar	National Commission for Women	Government	School of Social Sciences	2023	12 months	10.82
16	Poshan Abhiyan in improving the Nutritional Status of the Children in Attapadi and Mananthavady Region: Policy Implications and Directions	Dr. Dilip Diwakar G	Indian Council of Social Science Research (ICSSR)	Government	School of Social Work	2023	24 months	5

Sl. No.	Title of the Project	Name of the Principal Investigator/Co Investigator	Name of the Funding agency	Type of funding agency (Government/ Non-Government)	Department/ School of Principal Investigator/ Co Investigator	Year of Award	Duration of the project	Funds Sanctioned (INR in Lakhs)
17	Adoption of Digitalization among Indian MSMEs Impacting firm performance – An Empirical Investigation	Dr. Venkataiah Chittipaka	Indian Council of Social Science Research (ICSSR)	Government	School of Management Studies	2023	7 months	10
18	MoU between IGNOU & Department of Justice, Ministry of Law and Justice, Paralegal Programmes.	Dr. Anand Gupta	Department of Justice, Ministry of Law and Justice	Government	School of Law	2024	24 months	40
19	Training of Trainers of Maldives in Health Care Waste Management	Prof. Ruchika Kuba	WHO-Maldives	Non-Government	School of Health Sciences	2024	3 months	79.75
20	Malaviya Mission Teacher Training (MMTC)	Prof Anita Priyadarshini	Ministry of Education	Government	Staff Training and Research Institute of Distance Education	2024	Ongoing	10

List of Collaborations

Sl. No.	Agreement /MoU/ MoA/ MoC	Date of Signing	Regarding	Nodal School / Division / Centre
1.	IGNOU Army Education Project (IAEP)	27.08.2020	IAEP will provide distance educational facilities to entire Indian army with nationwide coverage and at all places globally where units of Indian army or its personnel are deployed on military duties on directions of the Govt of India.	RSD
2.	The Institute of Company Secretaries of India (ICSI)	19.09.2020	ICSI on its part would facilitate the conduct of specialised training programmes in IGNOU for the faculty members, research scholars and students of IGNOU on areas of mutual interests by providing experts on its rolls	SOMS
3.	Indian Navy	20.01.2021	Original MOU dated 23.09.2000 has been further renewed/amended.	RSD
4.	Retailer Association of India (RAI)	02.03.2021	Original agreement dated 02.03.2016 has been further renewed.	SOMS
5.	Central Institute of Educational Technology, NCERT	01.10.2021	Technical facilities of GyanVani, Delhi for broadcasting on the topics related to School Education	EMPC
6.	Guyana Online Academy of Learning (GOAL), Georgetown, Guyana	20.10.2021	To provide access to higher education to citizens of Guyana	ID
7.	Ministry of Skill Development and Entrepreneurship, Govt. of India (GoI), (MSDE)	22.11.2021	IGNOU become partner in implementation of Skills Acquisition and Knowledge Awareness for Livelihood promotion (SANKALP) programme of the MSDE	RSD
8.	Ministry of Skill Development and Entrepreneurship (MSDE), Govt. of India (GoI)	18.01.2022	Provide opportunities to students from skill training institutions, to have an equal and easy access to attain higher education through ODL mode	RSD
9.	National Council for Promotion of Sindhi Language (NCPSL), Govt. of India	03.02.2022	Renewal of agreement for extension of period of the Sindhi Chair	SOTST
10.	Dr. Ambedkar Foundation, Ministry of Social Justice and Empowerment, GoI	22.04.2022	Free Coaching for female SC candidates for IAS exams	SOSS
11.	Assam Rifles	27.04.2022	Renewal of Memorandum of Understanding for IGNOU - ASSAM Rifles Educational Project	RSD
