1. Read the following passage and answer the questions given below it in your own words :  
‘I Have a Dream’ is a public speech delivered by American civil rights activist Martin Luther King Jr. during the March on Washington for Jobs and Freedom on 28th August, 1963, in which he calls for an end to racism in the United States and called for civil and economic rights. Delivered to over 2,50,000 civil rights supporters from the steps of the Lincoln Memorial in

Washington, DC, the speech was a defining moment of the civil rights movement. Beginning with a reference to the Emancipation Proclamation, which freed millions of slaves in 1863, King observes that : “One hundred years later, the Negro is still not free.”

Towards the end of the speech, King departed from his prepared text for a party improvised peroration on the theme “I have a dream”, prompted by Mahalia Jackson’s cry : “Tell them about the dream, Martin !” In this part of the speech, which excited the listeners and has now become most famous, King described his dreams of freedom and equality arising from a land of slavery and hatred. Jon Meacham wrote, “with a single phrase, Martin Luther King Jr. joined Jefferson and Lincoln in the ranks of men who have shaped modern America.” The speech was ranked the top American speech of the 20th century in a 1999 poll of scholars of public address.
