During the Corona pandemic, the Learner Support Centres organized this activity virtually. Face to face and physical activities have been restored to normalcy in the institutions and colleges. Accordingly, some of the LSCs also conducted the IM in face-to-face mode. In addition, induction meetings were also organized separately for the students who had enrolled in an online academic programme. Regional centre-wise details of IM have been given in Table 22.

A total 14 induction meetings (IM) were organised during the June 2024 (Table 6), whereas total <u>03</u> inductions meetings were organized in face to face for ODL Programme. A total of <u>11</u> IMs were organized for students of the ODL program in Online mode during June 2024. The university offers academic programme in two different modes – Online mode and Offline (ODL) mode. Hence, the regional centres were also asked to provide data for the IM organised for the students enrolled in online programme. The regional centres were organised 01 induction meetings for online academic programme. List of top regional centres who have organised the largest number of IM for the students has been given in

Ratio - Expenditure, Enrolment and Staff

The ratio is defined as the relation between two numbers which shows how much bigger one quantity is than another. In this study the ratio between expenditure and staff, expenditure and enrolment, enrolment and staff has been calculated in order to measure the magnitude of regional centres' expenditure corresponding to staff posted as well as corresponding to the number of learners enrolled.

The higher the Expenditure-to-Staff ratio, the greater the expenditure per staff member at the Regional Centre, and vice-versa. The highest ratio was found in regional centre Karnal, while the lowest was found in regional centre Itanagar. Error! Reference source not found.5 and figure 3 6 depicts the regional centres with the highest and lowest expenditure-to-staff ratio respactively.

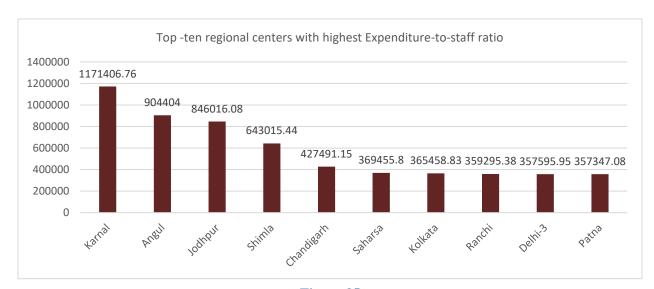

Figure 35

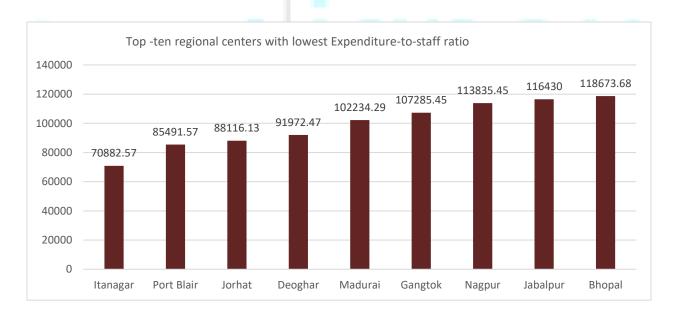

Figure 36

The higher the **Expenditure to enrolment ratio** as with other determined ratios, the more money that regional centre spends on each learner and vice-versa. Regional centre-wise expenditure to enrolment ratio has been given in the figure 37 and figure 38.

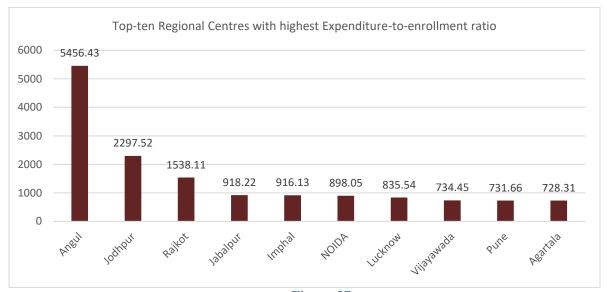

Figure 37

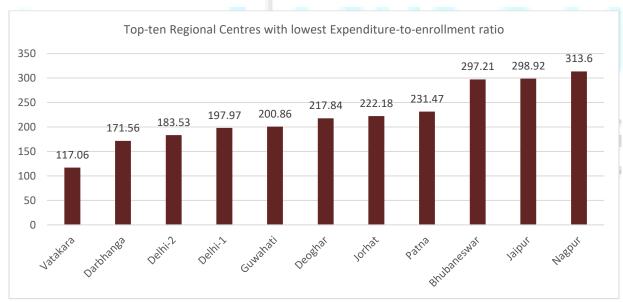

Figure 38

Similarly, Regional Centre wise **Enrolment to staff ratio** shows the workload in terms of the number of learners per staff member at each regional centre. The higher the Enrolment to staff ratio, the more the workload on the regional centre staff, and vice-versa. Regional centre Karnal had the greatest ratio while regional centre Rajkot has the lowest (Table 49).
