2. He emphasized that as per the Ordinance for Research Degree Programmes, the meetings of the Research Council and Research Council Standing Committee should be held at regular intervals. If this was followed, the number of agenda items will be less, which will help the Committee to devote more time for fruitful interactions in the meeting.

3. He also emphasized that only 15-20 items may be placed in one RC/RCSC meeting.
4. He stated that the amended Ordinance for Research Degree Programmes is pending for approval of MHRD. Since this has fall-outs for our admission process as well as constitution of new RC and RCSC, Research Unit must effectively follow-up with the Ministry.

Thereafter, Prof. Nageswar Rao, Pro Vice Chancellor, with the permission from the chair presented the agenda items.

<b>RCSC 14.51.2</b>	<p>The Committee observed that it was stressed by the 12<sup>th</sup> Meeting of Research Council Standing Committee that submission of Six Monthly Progress Report on a regular basis is being a necessary condition for monitoring the progress of the research student. Therefore, irregular submission of progress report is reflection on improper monitoring and irregular progress of research.</p> <p>The Research Council Standing Committee took a serious view of the matter. It decided that in case of delayed submission of Progress Reports the Doctoral Committee(s) and School Board should ask for adequate justification before recommending the Progress Reports.</p>
