The Chairperson welcomed all the new members of the Research Council Standing Committee. In his opening remarks, the Chairperson apprised the members about the UGC's permission to IGNOU to offer Research Degree Programme in accordance with the provisions of UGC (Minimum standards and procedures for award of MPhil/PhD Degrees) Regulations, 2016. Accordingly, IGNOU Research Ordinance has been amended and IGNOU Regulations for conducting Research Degree Programmes have been framed. Both amended IGNOU Research Ordinance and IGNOU Regulations for conducting Research Degree Programmes have been approved by the Statutory Bodies of the University viz., Research Council, Academic Council and the Board of Management. Research Council has passed separate Guidelines for MPhil and PhD Programmes. Director, Research Unit was asked to notify the IGNOU Regulations for conducting Research Degree Programmes as approved by the Board of Management and the Guidelines for MPhil and PhD Programmes as approved by the Research Council.

Thereafter, the Chairperson requested Prof. Narayan Prasad, Member-Convener of the RCSC to present the Agenda Items.

Director, Research Unit informed the Members that in order to work out the operational details for admission to MPhil and PhD Programmes as per UGC Regulations 2016, a Committee was constituted by the Vice Chancellor. The Committee in its several rounds of meetings finalized the norms and procedures for admission to Research Degree Programmes in the light of provisions of UGC Regulations, 2016. The norms and procedures finalized by the Committee were duly approved by the Vice Chancellor and were communicated to all the Directors of Schools and Research Programme Coordinators. Accordingly, the various Disciplines in the different Schools of Studies have finalized the names of the candidates for admission to MPhil and PhD Programmes for the Academic Session January 2017.

With a view to admit the candidates from the reserved categories (SC/ST/OBC/PH), relaxation was given at two stages:

- i) 50% marks at the Master's or equivalent degree level (i.e. instead of 55% for General Category);
- ii) 45% qualifying cut-off marks in the Entrance Examinations (i.e. instead of 50% marks for General Category) for interview.

The selection of the candidates has been made strictly in order of merit on the basis of the candidate's performance in the interview. The performance of the candidates in the interview has been judged in terms of candidates' research aptitudes (40% weightage), their subject knowledge (40% weightage), and their communication skills (20% weightage). The Members discussed the reservation issue in admission to Research Degree Programme in detail and decided to constitute a Committee to work out modalities for implementation of reservation policy and to monitor the status of the reservation in respect of the candidates admitted to Research Degree Programmes for the academic session 2017.
