RCSC 2.22.1 The Convenor informed that a Memorandum of Collaboration (MoC) (Annexure-1) between IGNOU and Institute of Human Development (IHD) was signed on 31st May, 2006. One of the objectives of the MoC was to design and develop academic programmes at the post-graduate and doctoral levels under joint collaboration. In pursuance of the same, Director, IHD vide letter dated 13th March, 2007, had expressed the desire to take up M.Phil. and Ph.D. programmes in Economics, in the areas of Labour Economics and Human Development. In order to explore the possibility of activation of the proposal, the faculty of Economics discussed the issue with the Director, IHD and their faculty. Based on the discussion, a proposal for launching M.Phil./Ph.D. programmes under joint collaboration was placed before the VC and the same was approved in principle. As a follow up action to work out the modalities, the faculty contacted IHD and based on the Director, IHD's letter dated April 27, 2007 (Annexure-2), the faculty had fine-tuned the modalities, details of which are placed below:

1. The proposal related to ‘IGNOU – IHD Ph.D. programme’ may be accepted. It will be a subset of the overall Ph.D. programme in Economics, IGNOU.
2. The programme may be coordinated and monitored by a duly constituted committee (to be called as Monitoring and Implementation Committee) consisting of representatives from both IGNOU and IHD chaired by the VC, IGNOU or his nominee and co-chaired by the Director, IHD.

3. The number of candidates to be enrolled in the programme will be decided by the Monitoring and Implementation Committee.
4. The IHD will invite applications for admission to the Ph.D. programme under the nomenclature 'IGNOU-IHD Ph.D. programme' through an advertisement. The eligibility criteria for admission to the programme will be as per the provisions of IGNOU's Ordinance on M.Phil./Ph.D. programme(s).
5. The candidates will be registered for Ph.D. programme of IGNOU in accordance with the provisions of its Ordinance on M.Phil./Ph.D. programme(s).
6. The IHD will send the names of the supervisors to IGNOU in due course for approval by the School Board. The candidates will be supervised jointly by the faculty of IGNOU and IHD.
7. The IHD will conduct a course work of 6-8 weeks for the candidates registered for Ph.D. under this programme. The content, evaluation and delivery of the course work will be finalized jointly by the IGNOU and IHD keeping in view the provisions of the Ordinance on M.Phil./Ph.D. programme(s).

Since, IHD is a reputed autonomous multidisciplinary centre for advanced research and has Visiting Faculty of repute, the M.Phil./Ph.D. programmes of IGNOU are expected to gain strength from the proposed research collaboration.

Operational Steps to be Taken:

1. Director, (AC)/Registrar (Admn) will issue notification recognizing IHD as IGNOU's affiliate Institute for the purpose of offering M.Phil./Ph.D. programme(s).
2. The proposal for the constitution of the Monitoring and Implementation Committee comprising IGNOU and IHD representatives will be submitted by the Economics faculty to the VC for approval.

3. An advertisement inviting applications for admission to the Ph.D. programme under IGNOU-IHD Ph.D. Programme will be issued by IHD.
4. The IHD will select the candidates with the help of a Selection Committee, which will consist of a representative of Economics Discipline of IGNOU.
