Further, the member secretary informed that the Student Evaluation Division had sought the detailed information about Ph D admission 2023 for the purpose of conducting Entrance test for Ph D programme.

	Accordingly, decision needed to be taken about the modalities. Since the Ph D Admission involved various activities including inviting online applications/ conduct of Entrance test/ Interview and final selection of candidates, a timeline needed to be chalked out to complete the entire process in a time-bound manner so that the delay caused in the last three sessions due to COVID disruptions could be overcome and the admission process could again be streamlined.
RCSC 26.3.3	<i>The RCSC deliberated on the matter and the following were resolved:</i> <ol style="list-style-type: none"> <i>1. The Research Unit to seek the information about the willingness of Disciplines/ Schools to advertise for admission to PhD programme for 2023 along with number of vacant seats discipline wise.</i> <i>2.
