Agenda No. SB.42.2 To report the minutes of the School Board meeting held through circulation

SB.42.2.1 The Chairman informed the members that the School had circulated the following agenda item on 21-12-2022 through email to all the members of the School Board for consideration and approval:

Res

To consider and approve the Feedback Report of the Subject Experts.

The School Board has approved the Feedback Report of the Subject Experts through circulation. The suggestions given by the board members have been incorporated in the report. Hence, this item was placed in this meeting for reporting.

SB.42.2.2 The members noted and confirmed the minutes of the School Board held through circulation on 21.12.2022 (Appendix-2).

Agenda No. SB.42.3 To consider and recommend the Memorandum of Understanding (MoU) between IGNOU and ICAI for the Development of a Diploma in Agricultural Cost Management.

SB.42.3.1 Dr. P. K. Jain, presented that the Institute of Cost Accountants of India (ICAI), under the administrative control of the Ministry of Corporate Affairs, Government of India and IGNOU have decided to develop the diploma in agricultural cost management jointly. An MOU is to be signed between IGNOU and the ICAI for this purpose and accordingly, a draft MOU has been prepared by both institutes. The salient features of MOU were also discussed in detail. The board suggested orienting the programme in such a manner so that it reaches the target stakeholders.

After a detailed discussion, the School Board recommended the signing of the MOU with ICAI as per the extant rules.

SB.42.3.2 The School Board approved the signing of a Memorandum of Understanding (MoU), between IGNOU and ICAI for the Development of a Diploma in Agricultural Cost Management (Appendix-3).

Agenda No. SB.42.4 To consider and recommend renewal of MoU between Indira Gandhi National Open University (IGNOU) and Food Safety and Standards Authority of India (FSSAI), GoI.

SB.42.4.1 Dr. P. K. Jain informed the Board that a Memorandum of Understanding (MoU) was signed on 12.12.2017 for a period of five years between the Indira Gandhi National Open University (IGNOU) and the Food Safety and Standards Authority of India (FSSAI), GOI, to implement the Food Safety and Certification (FOSTAC) training programme and capacity-building activities in the Food Safety and Ancillary disciplines through IGNOU's and FSSAI's infrastructure and faculties. The MoU expired on 11-12-2022.

A meeting of the Joint Implementation and Coordination Committee (JICC) for this MoU was held on 06-02-2023 at FSSAI Office. The members of JICC unanimously agreed to renew the MoU between FSSAI and IGNOU for 5 years with revised obligations.

As the School is offering M.Sc. in Food Safety and Quality Management (MSCFSQM) programme and is also developing B.Sc. in Food Safety and Quality Management (BSCFSQM) programme, the MoU will help the University to get the support of FSSAI in the strengthening these programmes. The internship is one of the important components of the BSCFSQM programme and the FSSAI has agreed to facilitate the internship of the learners. The members discussed in detail the revised obligations under the MOU and recommended for renewal of the MoU.

Agenda No. SB.42.7 To discuss the strategies to be adopted for increasing the outreach of the School programmes.

Baner

SB.42.7.1

Dr. P. K. Jain presented the agenda item and informed that the School of Agriculture (SoA) has adopted various measures/strategies/steps to improve the enrolment of the School programmes:

1. Development and broadcast/telecast of promotional programme-wise audio-videos.
2. Sending leaflets/pamphlets to popularise the programmes in different zones.
3. Participation in media programmes such as DD *Kisan* channel, etc.
4. Conducting interactive radio counselling and teleconferencing sessions.
5. Participation in physically organized events such as *Kisan* mela at IARI, Pusa, New Delhi.
6. Translation of study materials into regional languages for example -Certificate in Poultry Farming (CPF) in Mizo and Telugu, Diploma in Dairy Technology (DDT) in Telugu, etc.
7. Interaction with Regional Centres and functionaries of Study centres regularly.
8. Organising webinars/workshops.
9. Popularization through social media channels/handles.

A detailed discussion was held to outline the possible strategies to further enhance the outreach of the SoA programmes. The important points that emerged from the discussion are as follows:

- Development of courses to suit the industry requirements. The programmes should provide learning with working experience.
- Identification/ development of new programmes in emerging areas of agriculture such as drones in agriculture, forestry and biodiversity, digital agriculture, application of remote sensing in agriculture, aeroponics, hydroponics, etc.
- Collaboration with the organizations in agriculture which are working at the grassroot level such as Krishi Vigyan Kendra, Farmers' Producers Organizations, Rural Self Employment Training Institutes, (RSETIs), etc.
- Major organizations such as Ambuja Foundation, Reliance Foundations, etc. may be approached to extend the outreach of programme through their network under Corporate Social Responsibility.

SB.42.7.2

The School Board suggested adopting the above strategies in addition to the existing strategies for increasing the outreach of the School programmes.

Agenda No. SB.42.8

To consider and recommend the Learner Support Services operational modalities for the delivery of School of Agriculture programmes.

SB.42.8.1

The Chairman informed the Board members that at present, the School is offering 16 programmes at different levels *i.e. certificate, diploma, PG*, etc. Most of these programmes are having 50% theory and 50% practical components. The theory and practical counselling are conducted by establishing programme specific learners support centres called Programme Study Centres (PSCs). These PSCs are equipped with the required facility and faculty. The School works in close contact with all the Regional Centres and also conducts online counselling, interactive radio counselling and teleconferencing sessions.

The School programmes are skill-building and entrepreneurial in nature serving specific clientele groups. Despite being relevant to the society, the programmes are not fetching relatively good enrolment. The School felt the need to improve the functioning of LSCs for the effective delivery of the programmes.

Pha

In light of the above facts, the School has observed the following issues affecting the enrolment:

1. Inadequate active Study centres as many PSCs have been closed by the University keeping in view the guidelines of the ODL and Online Regulation, 2020.
2. Limited Publicity at grassroot level.
3. Monitoring of counselling sessions and processing of bills by Regional Centres.
4. The programmes are highly specific in nature and require specialized infrastructure and academic support which is not available in all places.

The School proposed the following modalities for the effective delivery of its programmes:

- Activation of more learner support centres/programme study centres.
- Upgrading the programme study centre to a regular Learner Support Centre by activating more programmes.
- Activation of programmes in learner support centres (where practical facilities are not available) for programmes of the School of Agriculture by attaching work centres.
- Delivering SOA programmes on fee sharing basis (50:50). This may help in the mobilization of learners by the LSC and PSC. This is subject to the approval of the competent authority.
- Publicity of School of Agriculture programmes in local dailies in regional languages.
- Regular monitoring and timely processing of bills of the study centre.
- Quarterly online interaction with RDs under the Chairmanship of PVC/RSD/ Director RSD.
- Online Orientation of Counsellors and Administrative Staff.
- Pre-admission Counselling sessions with potential candidates and LSCs
- Obviating the communication gap among Regional Directors about the ODL and Online Regulations, 2020. The guidelines state that "HEI shall activate work centre/programme centre at the Government aided/affiliated/recognized research and extension institutes such Krishi Vigyan Kendras, State Training Institution/Industrial Training Institutes; Government Organizational/ Departments; Accredited Laboratory; Government Licensed Industry; and approved vocational Institutes having infrastructure, facilities and human resources as specified by the statutory bodies for a programme or a few courses of a programme".

SB.42.8.2 The School Board considered the above proposed Learner Support Services modalities for the effective delivery of its programmes as proposed.

Agenda No. SB.42.9 To consider and approve the names of additional experts for a panel of TEE question paper setting of SOA programmes.
