1. Ms. Kajal Srivastava (Enrollment no. 202493119)
2. Ms. Riya Tomar (Enrollment no. 202493126)

*Handwritten signature*

**SB.46.2.2** The DRC has recommended the same. A copy of the minutes of the Doctoral Research Committee meeting held on 22.10.2024 is placed at **Appendix-2**.

**SB.46.2.3** The School Board considered and approved the progress report of the two students, namely Ms. Kajal Srivastava and Ms. Riya Tomar for the period for the period 1<sup>st</sup> January 2024 to 30<sup>th</sup> June 2024.

**Agenda No. SB.46.3** **To consider and approve the revised evaluation methodology for B.Sc. (Food Safety and Quality Management) (BSCFFSQM) Programme.**

**SB.46.3.1** It was informed to the School Board that the school is offering FYUP based B.Sc. (Food Safety and Quality Management) (BSCFFSQM) Programme from the July 2024 session.

As per the PDF approved in the 62<sup>nd</sup> Academic Council Standing Committee held on 28<sup>th</sup> November 2023 (*vide* item no. 62.35) (PDF & PPR), the evaluation methodology included 30% Assignments and 70% TEE for all the 10 Discipline Specific Core courses and the practicals will be evaluated along with the TEE. Since this is a skill-based programme having activities (self-performing) and practicals, evaluating the practicals along with the TEE will not reflect the practical/skill component in the grade card which may affect the employability of the learners, Hence, it is proposed to revise the evaluation methodology by including the evaluation of practicals and activities. The Programme comprises of 6 theory discipline specific core courses and 4 integrated discipline specific core courses. The programme coordinators presented the revised methodology which is as follows:

- The discipline specific core theory courses will have the weightage of 30% in assignments and 70% term-end examination.
- The discipline specific core integrated courses will have weightage of the 20% in Assignments and 50% in term-end examination and 30% in practicals.
- The Practical examination will be conducted through practical term-end examination.
- The Activities will be evaluated along with the Assignments for all the discipline specific core courses (Theory and integrated).

**SB.46.3.2** The evaluation methodology has been revised and the revised evaluation methodology of BSCFFSQM programme as per the format is placed at **Appendix 3(a) & 3(b)**.

**SB.46.3.3** The agenda was discussed in details and the School Board approved the revised evaluation methodology of B.Sc. (Food Safety and Quality Management) (BSCFFSQM) Programme under FYUP guidelines.

**Agenda No. SB. 46.4** **To consider and approve the names of Unit writers and Course Editors for "B.Sc. (Food Safety and Quality Management) (BSCFFSQM) Programme.**

**SB.46.4.1** It was apprised to the School Board that the School of Agriculture is developing a FYUP based B.Sc. (Food Safety and Quality Management) (BSCFFSQM) programme. To develop the various courses of the programme, there is a need of unit writers and editors. The School has identified unit writers and editors to develop the courses of Semesters 3 and 4. The panel of the identified unit writers and course editors for "B.Sc. (Food Safety and Quality Management)" (BSCFFSQM) Programme is placed in **Appendix-4**.

Therefore, in the 22<sup>nd</sup> meeting held on 22.10.2024, the Doctoral Research Committee (DRC) of the PHDDR programme recommended the names of 7 external examiners (**Appendix-9**) for Evaluation of Thesis and conduct of *viva-voce* of Ms. Kajal Srivastava.

**SB. 46.10.2** The School Board considered and approved the list of examiners for Evaluation of Thesis and conduct of *viva-voce* of Ms. Kajal Srivastava (Enrollment no. 202493119).

**Agenda No. 46.11** **To consider and approve the proposal for conduct of TEE for MOOC on “Novel Technologies for Food Processing and Shelf Life Extension” under MSCFSQM programme.**

**SB.46.11.1** Dr. Mita Sinhamahapatra apprised the School Board that the School is offering M.Sc.(Food Safety and Quality Management) (MSCFSQM) programme through ODL mode. The programme has a theory course (MVP 008) which is a MOOC on “Novel Technologies for Food Processing and Shelf Life Extension” offered by IIT Kharagpur on the SWAYAM/NPTEL platform. This MOOC was mentioned in the Programme Development Form (Broad structure, syllabus and assessment and evaluation section) of MSCFSQM which was approved in the 39<sup>th</sup> School Board meeting (Agenda No. SB 39.3) held on 20.12.2021 and the 55<sup>th</sup> ACSC meeting (Agenda No. 55.30) held on 23.12.2021.

**SB.46.11.2** It was further informed that at present, the term end proctored examinations for SWAYAM courses are conducted by the NTA and NPTEL. As per the UGC notification dated 27.08.2024 on “Framework for Universities to conduct Examination for SWAYAM courses”, students who have completed courses on SWAYAM, will now have the option of writing their SWAYAM examinations at their universities. The copy of the notification is placed at **Appendix-10**.

The above mentioned MOOC is offered only in January session and the examination is conducted once in a year, thus the students are facing difficulty in completing the SWAYAM examination. Therefore, it was proposed to conduct the TEE for the above mentioned MOOC by the IGNOU alongwith the regular TEE in June and December. The Members also suggested undertaking the assessment of Assignment of this course by IGNOU itself as per its standard practices to facilitate the students undertaking this MOOC as part of MSCFSQM.

**SB.46.11.3** The matter was discussed in detail and the School Board considered and approved the proposal for conduction of TEE by IGNOU along with Assignment for MOOC on “Novel Technologies for Food Processing and Shelf Life Extension” under MSCFSQM programme.

**Agenda No. 46.12** **To consider and approve name of experts for course designing committee of MAM068: Organic Farming Business Management of the Master of Business Administration (Agribusiness Management).**

**SB.46.12.1** The Programme Coordinator informed the School Board that the School of Agriculture has started the Master of Business Administration (Agribusiness Management) programme from July 2024 session. Organic Farming Business Management (MAM-068) is one of the courses being developed for second year. The broad outline of course was discussed in the Expert Group meeting held on 15<sup>th</sup> May 2024. In order to finalize the detailed course outline, a course design committee shall be formed.

*Prakash*

**SB.46.12.2** The School proposed the following panel of experts for course design committee:
